

In a traditional year, the Presidents of all the Calgary Rotary Clubs would meet once a month in person in the meeting space at Rotary Challenger Park. It's my understanding that because of the substantial contributions made by Rotary, we are provided this meeting space on a complimentary basis.

This year, we have not met in person. All of our meetings are on ZOOM.

In addition, it's my understanding that Rotary Challenger Park traditionally hosts an Annual Social for its friends, which will not be held this year, given the public health restrictions.

In lieu of hosting the Rotary Presidents at a social, Rotary Challenger Park has delivered to each of the Presidents, a lovely Christmas basket. I received mine earlier this week.

Included in the basket is a pillar candle. The note I received from representatives of Rotary Challenger Park, in connection with this pillar candle, was quite touching and I thought very thoughtful, so I wanted to share it with you.

"In the seasonal basket we have sent for you to enjoy, you will find a pillar candle, symbolic of the pillars of strength you all are within our community. We ask that you light the candle and make a wish in the glimmer of the light:

***A wish to keep love in our hearts,
A wish for goodwill for all,
A wish for peace across the world,
A wish for good health and good cheer."***

Perhaps you would like to light a candle and make this wish, as well.

Then, they closed with a PS that the next social will be on November 24, 2021, in person. Craig, you better mark your calendar...

***Penny Leckie,
Rotary Club of Calgary at Stampede Park President***

Keith Davis introduced Jack Thompson to us today:

Q: What is the difference between a car salesman and a technology salesman?

A: The car salesman KNOWS he's lying.

Being asked to introduce a man who has made his career in the automobile sales business opens up a whole new realm of jokes and puns. The old image of fast-talkers dressed in loud suits, offering you a once-in-a-lifetime deal on a little cream puff that was only driven by a little old lady to get to church each week, is foremost in my mind.

But my father was a car dealer, so I knew that portrayal was well off the mark. In 1958 he built the third VW dealership in Saskatchewan. I ultimately worked at the dealership and, yes – there were a few guys around who could have used Len Hamm's guidance in how to dress (and Len would even come into town a few years later, calling in at Rose Men's wear and a few other places in town.)

But I digress. My point is that I was introduced at a very young age to the real car dealers – the entrepreneurs who worked often 7 days a week building a business based on trust, community involvement, and honesty. We have had a few of them in our Club, and we still have Glen Richardson and Jack Thompson – in my opinion two of the finest guys you will be lucky to meet in any situation. And today, we're here to speak specifically about Jack.

I have known Jack for more than 30 years – so he was already getting well on in years when we met – and I even worked closely with him through the Calgary Motor Dealers Association and the Calgary International Auto and Truck Show. Jack was the Executive Manager of that show and I was hired as a consultant to try to keep him on track. After about 12 years of working together, I had whipped him into a pretty good executive.

Through all of that time I can honestly say I never saw Jack make a decision that wasn't dead-on ethically and morally. He is one of the finest people I have had the opportunity to work with and to call my friend. Now, I know there are many among you who will take issue with that statement, but that's how I feel, at least for now, anyway. I can also say, though, that during that time I don't remember Jack ever picking up the tab for lunch!

Jack is steady, studious, even tempered and very, very determined when he sets his mind to something. But enough of that. We have set Jack's story to video and it is now my pleasure to introduce you to it. Just a caution: Jack does a fair bit of talking in this video and I want to remind you that it's a Car Dealer your listening to!

JACK THOMPSON'S VIDEO PROFILE LINK: <https://vimeo.com/480025040>

Myrna Dube Thompson speaks:

Being a Rotarian is not just being a member of a wonderful service club but rather it's a way of life for Jack and Rotary's values - giving back, service to others, family and respect for the Rotary organization in general are the values he chooses to follow every day.

Jack and I are amazed at the accomplishments of this club. As a group and under the direction of a brilliant Dream Home committee, we raise a half million dollars or more and every cent goes to do good works and in this community. And further through the amazing leveraging infrastructure of RI, what we contribute can be channeled to incredibly needed projects throughout the world.

Jack has been integral in many committees in this club and continues to be. He's played roles on the Dream Home Committee and we'll continue to do our part in the years ahead. Jack is also a key member of the Stampede Lotteries Committee and uses his expertise from decades as a car guy to help in the purchase of vehicles for raffle.

Most importantly, Jack continues to be the Chair of RI for our club. He's the perfect person to have this role, I say that with prejudice as I see it daily. For him, it's not about reaching an annual goal but rather about good people making a personal choice to give back, caring about those who are so much less fortunate than we are. Jack is most sincere about RI and any request he receives he is happy to look into. I've never heard him complain.

Jack doesn't know the word "tedious". Sometime RI administration appears somewhat laborious and tedious to me, but sincerely it's not so to Jack.

Jack believes in service to this club and simply loves this club. Me too. The warm fellowship that exists here is good for the soul and the lifelong friendships Jack has fostered with so many of you here is wonderful. And I have to say as a new couple that both of us have long-standing friendships from year's back that are now our joint friends, but the new friends we've made as husband and wife are all from this club. We love it.

Rotary is a big part of our new life together, we bounce ideas off each other and we often have a day where we both work on Rotary. But Jack's not perfect, seriously he's not! I sometimes ask him if that would pass the four way test. Needless to say he returns the favor and asks me the same!

But friends this is a well-deserved special day for Jack. It's a special day for many of you, his good friends to share in the tribute to him today. It's wonderful for his and our family and wonderful for me because I love him dearly. Thank you all sincerely.

Jack Thompson: I first met Myrna in 2002 when she came to our club during **Glen Richardson's** year. She was with the Calgary Airport Authority and was spending most of her time raising money for the construction of Rotary Challenger Park. The Rotary Club of Calgary South decided to offer to match any donation to the funding by our members over a 3 year period.

That happened during Glen's year, my year, and Len's year. I don't recall the exact amount in total, but it was a significant contribution and that, along with the million dollar contribution by Jim and Pearl Burns helped to ensure that the Park would be a success and as you all know, it has been a great place for people of all abilities to use.

Myrna was made an Honorary Member of our Club and was awarded a Paul Harris Fellow by the Downtown Club. After her dear husband, Gabe passed away on July 18th 2014 after celebrating 50 years of marriage, she decided that she wanted to join Rotary and called Keith Davis to see about joining our Club, and Keith asked if I would be her co-sponsor.

My dear wife Sharon of 50 years had passed away on August 9th, 2014 and as we got to know each other, we realized we had a great deal in common, not only Rotary. We were married on Dec 17, 2016 and have been to Uganda, Africa where we visited the Hospital in Mbarara that our Club was working with others to help raise the funds to provide help to save the lives of newborns and their mothers.

In June of 2018 we attended the RI convention in Hamburg, Germany but unfortunately most of our luggage didn't! We both have a passion for Rotary and are proud to be members of the Rotary Club of Calgary at Stampede Park

I became a member of the Calgary Jaycees in 1961, a service club of 300 members. Jaycees were young men and later young women between the ages of 18 and 40. The main purpose was to help members become better suited to develop skills, such as public speaking, learning the basics of proper meeting procedures and good financial practices. During my time in Jaycees I was very active in Club affairs, serving as a member of the board of directors and finally as Executive Vice Pres. During my time as a Jaycee, I chaired the Pot of Gold in 1963, at the time, the biggest prize at the Stampede, \$50,000.00

In 1980, it was time for me to look at a new focus for my time and energy. Rotary became my new focus. Several former members of Jaycees had become Rotarians and invited me to join their Clubs, Mike Brookes, Ted Valentine, of Calgary West, Jim Thompson of Calgary Chinook, and when I was asked by Jim Tamagi to come and visit the Rotary Club of Calgary South, there was no doubt that it would become my choice. I knew several members, including Roger Jarvis, Glen Richardson, Garth Nicholl, Gardie Shaw and Bob Dawson. I joined our Club in June 1980 and have been a proud member of what is now known as the Rotary Club of Calgary at Stampede Park.

I was honoured to serve as our Club President in 2002/2003 and serve as an Assistant District Governor during Ken Copithorne's year as District Governor. I have a very deep rooted connection to the Stampede, having been a volunteer for many years and being one of the four Calgary auto dealers to found the Calgary International Auto and Truck Show in 1981.

There is no doubt in my mind that our Rotary Club is the best there is!!!

Good afternoon everyone. Welcome to the November 26th meeting of the Rotary Club of Calgary at Stampede Park. My name is **Penny Leckie**, I am Club's President this year.

Let's start by congratulating **Hugh Delaney** on reaching the milestone of 90 years, yesterday. Congratulations, Hugh, you are certainly raising the bar. Today is **Roselyn Jack's** birthday. We will never be able to guess how old she is, because she is rocking it, and darling, you look MAHVELLOUS. Have a great birthday.

Thank you to everyone who has stepped up and covered for me while I fought off a bug. We have a great Rotary Club and team. Everyone is willing to pitch in. Thank you very much.

As noted yesterday, our in person meetings are cancelled until at least the beginning of the New Year. We should be grateful that everyone in our Club remains safe and healthy. Let's keep that good health and safety a priority.

We have a really busy meeting today, so let's get at it... Please rise as we listen to Lisa Fernandes with the singing of O Canada.

Virtual Head Table: Jack Thompson, who will be featured in a profile later, and his better half, Myrna Dube-Thompson. Also, anyone who has made a donation to the Rotary International Foundation. I hope you have supported this organization which does so many good things around the world and provides tremendous support to our Club in the form of grants. If you have donated, you have a seat at the virtual head table.

Office Space: A committee has reviewed the terms of our office lease and has had conversations with our landlord. We are not in a position to break or walk away from this lease and honour the Rotary 4 Way test. Kathyann is working from home, so the space is not really being utilized. We would like to sublease the space out, so I am making this announcement in the hopes that through word of mouth, we might find a tenant for the space. If you or someone you know is interested, please contact **myself, Craig Stokke, Chas Filipski, Bruce McDonald, Len Hamm or Don Mintz**. We will assist in whatever way we can, and hopefully, we can recover some of the costs on this space.

Christmas Toy Drive: Although we won't be meeting in person for the Christmas lunch, we are still going to be doing the Christmas Toy drive. **Al Johnson** has graciously offered to collect the toys at his business, Sheraton Labels. They are located just northeast of the Blackfoot Inn. I will put the address in the Bulletin. Toys will be collected until Thursday, December 10th and then they will be delivered to the Salvation Army, consistent with prior years. So, if you want to drop off toys for this toy drive, or sometimes people prefer to give a cheque, you can take them to Al's office during business hours.

Bulletin Editor: Sandy Dougall Bulletin Photographer: Paul Brick

 **Health and Wellness: Dorothea Schaab: No News is good news ...**

Sergeant-At-Arms: John Fitzsimmons was very dapper today with his Cowboy hat and Foothills background. He had the usual tin can and collected fines for a variety of things like..... No Christmas Lights, Attending Black Friday sales, Taking a Covid Test and of course.... NOT WEARING A HAT TODAY

Songs and Stunts: Today **Deb Sands** and **Joe Connelly** organized the "Wear a Crazy Hat Day". Some did not get the Memo, or ignored it, but we had a wide array of smashing hats. **President Penny** with her Kentucky Derby left over was the winner in the Ladies category. **Jim Hutchens** won the valuable prize in the Men's category. Jim you are fortunate I (**Sandy Dougall**) could not find my bright green tartan tam! Great idea to have some fun at the meeting. See Bulletin for pics ...

Tribute to Rod Bower: President Penny: This year, sadly, we lost three members of our Club. With the pandemic, we did not have an opportunity to properly gather and say goodbye. The plan was to honour each of them over the next three weeks, but that has evolved somewhat, as well, and we will be honouring them as plans come together. Today, I am going to turn it over to **Dorothea Schaab** to lead us in a tribute to **Rod Bower**.

Dorothea Schaab: In the past 12 months, we have lost two Partners **Lois Adam** and **Audrey Pearce** and since, June, we have lost three great members of our Rotary club. With restrictions placed on the size of gatherings due to the Coronavirus, we lost the opportunity to come together and collectively grieve our loss and celebrate a life well lived. Today we want to remember **Rod Bower**.

Roderick (Rod) Campbell Bower
Born: April 28, 1937 – Winnipeg, Manitoba
Passed Away: October 2, 2020 – Calgary, Alberta

He was predeceased by his wife **Penelope Bower** October 5, 2017. He is survived by his sons, **Nicholas Michael** and **Christopher Roderick**, **Chris' wife Shelley**, and their son **James Huxley**.

We are sorry they cannot join us during this on-line session, but they have requested a copy of the recorded session to watch at a later time. On behalf of the club, I extend our expressions of sympathy to you for the loss of your father and grandfather. Some information about Rod and his Rotary life

- ◆ Joined the Rotary Club of Calgary South June 17 1995
- ◆ His sponsors were: George Deegan/Greg Martin
- ◆ He served as a director 2003-2004
- ◆ He was the recipient of the Cleven Award: 2003/2004
- ◆ He served on these Committees: Draws, Dream Home, Large/Small Grants, Registrations

The fourth tenant of the 4 Way test is that it builds goodwill and better friendships. And for me that is the case with **Rod Bower**. He chaired the Public Relations committee one year, early in my joining Rotary, and I served on this committee with him. He brought dignity and wit to the role and a smile and humor to our Rotary meetings.

In our Health and Wellness committee's little "green book", **Bonar Irving** wrote this on October 2, 2020:

"Rod Bower passed away today after a lengthy battle with pancreatic cancer. "Rod fought this battle as he lived his life – quietly and determined. "Never have I experienced, in all ways, a more selfless, brave person. Our Club will be less without Rod."

Thank you for those kind words, Bonar. We want to remember more of Rod's contributions to Rotary and his community and to bring us that tribute is Rod's good friend, George Deegan.

George Deegan wins the prize for last sign in and being muted! Anyway when it was all sorted out George gave a wonderful tribute to Rod Bower. We heard that they went back to growing up on Dominion Street in Winnipeg, going to the same school and playing on the same sports teams. His stories about their various adventures were humorous and a fitting tribute to Rod. It turns out that Rod was responsible for George meeting and marrying Pat! "Rod was a really good man and we will all miss him."

Thank you **George Deegan** and thank you **Steve Mason** for putting together the slide presentation. Click the icon to see the slide presentation <https://bit.ly/37aKp9A>

Nicholas and Christopher, with the shutdown of our face-to-face meetings yesterday, our schedules had to be revised today so we will present you with your father's Rotary name badge in the near future.

Rest in Peace, Rod, a Rotarian who put Service above Self.

Paul Harris Pin Presentations: **Brett Albers** picked up his PHF from us yesterday. **Spencer Tonkinson** received his first PHF today. **Hugh Delaney** will receive his PHF+2 pin and **Kendall Bocking** will receive his PHF+ 3 pin. We still have several members to recognize over the next few meetings.

For those members who wish to donate to the Rotary International Foundation, we will be happy to take care of that for you, be it for the Annual Fund Share or Polio Plus. Please feel free to contact us at 403-720-6471 or 587-891-7785, the donation can be by credit card or by cheque. If by cheque, it should be made out to Rotary Foundation Canada.

As a reminder, all donations from \$100 to \$500 will be matched with Foundation Recognition Points and also to compensate for the exchange rate. So a \$500 CDN donation will become a \$1,000 USD recognition towards a New or Multiple PHF.

Stan Cichon advised us that we would be having a special PHF Presentation to Louise Vant Erve:

"Ladies and Gentlemen permit me to begin by sharing a letter dated March 23, 2020 to our board.

To The Board of Directors
Rotary Club of Calgary at Stampede Park

Both Stan Cichon, Chair of the St. Mary's High School Partnership and I wish to put forward the name of Ms Louise Vant Erve for Paul Harris recognition. Ms Vant Erve ends a 30-year teaching career this June with thirteen of those years spent at St. Mary's High School. She has a great appreciation for the work that Rotary does, having attended a RYLA camp in high school.

As school counsellor, Ms. Vant Erve has worked closely with our Rotary club to promote many youth events to St. Mary's students over the years. It may be through scholarships, Adventures in Citizenship, Interact, RYLA and RYPEN, Long and Short Term Youth Exchange, and many other youth programs that our club supports, Ms. Vant Erve is the person that we turn to to recruit candidates for our programs.

The following recognition statement is from the Catholic District Leadership awards booklet: Louise gives 100 per cent to make her school an inspiring Catholic community for all. She is a committed counsellor who takes on a leadership role in her school, parish and community. She selflessly gives her time to projects such as: the Cinderella Project; wee read; Spectrum Club; and the Catholic diocese's Feed the Hungry program. Offering faith-based counselling, promoting healthy living and innovating teaching techniques are also important to her. Any task she commits to is always done in an exemplary way. She embodies the characteristics of a compassionate and mindful counsellor; purposefully meeting the needs of those around her.``

For many of us, she is the face of St. Mary's. For these reasons, we are putting forward the name of Louise Vant Erve to be a recipient of a Paul Harris award.

Submitted by Dorothea Schaab, Chair, Youth Services and Stan Cichon, Chair, St. Mary`s High School Partnership

In 1905 Paul Harris, a Chicago lawyer along with three business associates sharing Paul's vision of community service birthed the beginning of Rotary. Called Rotary because initially they rotated subsequent weekly club meetings to each other's offices. Today we enjoy a membership of 1.2 million in 35000 clubs worldwide. Wow not bad for 115 years of visionary leadership.

At the 1917 convention, then outgoing Rotary president Arch Klump proposed setting up an endowment "for the purpose of doing good in the world" and it was to be named to honor the late Paul Harris. Arch made the initial contribution of \$26.50 seeding our foundation now valued at over \$1 billion dollars. Our Foundation has become a powerful transformational force changing millions of lives around the globe.

Today I have the honour of introducing our newest Paul Harris Fellow. However I believe the true spirit of this recognition comes from Dorothea Schaab who has known and worked with Louise much longer than I. Louise Vant Erve you were selected to receive this recognition because The Rotary Club of Calgary at Stampede Park believes that your life exemplifies the humanitarian and educational objectives of The Rotary Foundation. The presentation of Paul Harris Fellow recognition is The Rotary Foundation's way of expressing its appreciation for a substantial contribution to its humanitarian and educational programs. We thank you for demonstrating in your life and vocation a commitment to helping persons in need here and around the world."

Dorothea would you please do the honours of presenting Louise with her recognition pin and certificate. Ladies and gentleman please welcome Louise as our newest Paul Harris Fellow.

Dorothea Schaab: Louise, I am so pleased that you are able to join us virtually, I had hoped that we would be sharing a beautiful lunch today. I will be honored to meet you on your doorstep to present you with your Paul Harris pin and certificate. It has been my privilege to have worked closely with you in the past and I hope that we will cross paths many times in the future.

Louise thanked Stan and Dorothea for their kind words . She thanked us all for the Clubs considerable support of the School and she always enjoyed and felt welcome at the Club Meetings.

She mentioned that in 1982 she was nominated by the Grande Prairie Club to attend a RYLA conference in Calgary and that was the start of her association with Rotary.

Next Week: December 3rd: we will be learning about and celebrating Hanukkah.

Gena Rotstein has put together a program that we will thoroughly enjoy. She even had the chefs at the Calgary Stampede lined up to make Latkes for us to taste at the meeting.

Instead, we will put the recipe in next week's Bulletin and everyone can make their own Latkes.

Gena has invited **Ilana Krygier Lapidés** to give a Hanukkah story/song presentation. Ilana is a storyteller with a unique gift of Yiddish humour in a modern context. Think Ms. Maisel. Gena and Ilana are going to allow us to participate in their Hannukah celebrations, and I hope you will join us.

Throughout today's meeting, we have heard about some very inspiring people. Going back to the Rotary theme for this year, that **Rotary Opens Opportunities**, I feel very privileged and very blessed that through Rotary, I have been able to meet and to know so many inspiring people.

We all have people in our lives who inspire us. Take a moment today, and think of who those people are in your life. Then, if you get a chance, tell them.

As I was preparing for today's meeting, I don't know why, but I started thinking about the *Friendly Giant show* that used to be on tv. Do you remember it?

It would open up with the giant letting down the draw bridge so you could come in and gather by the fire, and he would set out the chairs for the visitors. Rusty the Rooster and Jerome the giraffe would come by and visit.

So, now, it's time to put away the chairs and end our visit for this week, but I will be here next week, to let down the drawbridge, so we can all gather and visit once again.

The only difference is, that with me, compared to the Friendly Giant, you don't have to "Look Up, ...WAAAAY Up..."

Have a good week everyone and stay safe.

... *President Penny*

CAT—HAT IN FRENCH; CHAT, CHAPEAU. IN SPANISH; EL GATO IN A SOMBRERO

THANK YOU TO DEB SANDS AND JOE CONNELLY FOR THE FUN WITH FEDORAS, CAPS, BONNETS, TOQUES, TAMS, COWBOY HATS AND HEAD GEAR

CONGRATULATIONS TO PRESIDENT PENNY AND JIM HUTCHENS

NOVEMBER 26 WEEKLY MEETING

Annual Christmas Toy Drive

Please deliver toys to Allan Johnson's business at:
Sheraton Labels
No. 112, 5726 Burleigh Crescent SE
Calgary AB

Please deliver during business hours until Thursday December 10th Toys will be delivered to the Salvation Army on December 10th for distribution to those in need. Please contact Allan at the contact info below if you have any questions

Email: allanj@sheratonlabels.com Cell: 403-815-5774

*Rotary Christmas Luncheon Event
December 10th, 2020 on Zoom*

- * Christmas entertainment from our Members
- * Fellowship in break-out rooms where we can chat about Christmases past
- * Ugly Sweaters are DEFINITELY encouraged
- * Bring your own Christmas Cheer inside your bubble so we can virtually toast the season
- * Toasts by President Penny and President-Elect Craig Stokke

We ask that you invite your Partners (in same zoom as the Member wherever possible)

We would like everyone from the Partners Group to attend if possible

MORE DETAILS AND ZOOM LINK TO BE PROVIDED SOON

The Executive has decided to host a Christmas Gathering on Zoom on **Wednesday, December 9th from 1:30-3:30pm**. This is the same day as the Christmas Dinner that has been cancelled.

There will be Christmas songs, stories and a Christmas quiz!!!

Please reply by email if you would like to attend. This is a great way for us to connect before Christmas and do some celebrating.

We are hoping for a great turnout. Thank you Maureen Hutchens for this amazing suggestion.

*Denise MacLeod, President
Rotary Partners of Calgary at Stampede Park*

Dec 3rd Hanukkah Celebration ONLINE

Guest presenter:

Ilana Krygier Lapidés is a born-and-raised Calgarian and a first generation Canadian. She is the proud granddaughter of four Holocaust Survivors and a mother of three.

She is currently pursuing Rabbinical ordination which will occur later this year.

Ilana is an accomplished storyteller, orator and has held positions locally which landed her in the national spotlight as a Holocaust and Human Rights Educator.
