CLUB PRESIDENT: E. Chas Filipski, Jr.

DISTRICT GOVERNOR: Christine Rendell

RI PRESIDENT: Mark Daniel Maloney

RCCS WEBSITE: www.rotarycs.org

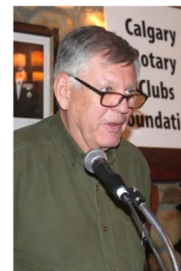

OFFICE ADDRESS:

Suite 120, 200 Rivercrest Drive SE

Calgary AB T2C 2V5

ADMINISTRATOR: Kathyann Reginato

Assistant District Governor Dave Leslie introduced District Governor Christine Rendell and announced that Christine was the most enthusiastic Rotarian he has ever met.

Christine was born and raised with her six siblings in a small town in central Newfoundland. She moved to Alberta in 1979 and started her career with ATB Financial. She retired from ATB after 26 years in 2006 and did administration for oil and gas companies for 10 years before retiring in 2016.

She and her husband, Brian have two sons, Eric and Vince and an almost 3 year old granddaughter: Paisley Pearl!

Christine joined the Rotary Club of Calgary East in 1999 with a desire to give back to the community. She encouraged husband Brian to join the Calgary East Rotary club in 2001 and has served in most of the positions at the club. Christine was the Club's President in the 2006-2007 and has served as a Director on the District 5360 Board.

Christine and Brian have hosted nine exchange students from Europe, Asia and South America. They have attended 18 District conferences and 6 International conventions. Christine's charity of choice is The Rotary Foundation and she is a Paul Harris Fellow, Major Donor, and a Bequest Society member.

DG Christine Rendell commented on how vibrant our Club is and encouraged us to continue our good work and giving as even small amounts can have a major impact on lives. She also acknowledged the great work our own **Dorothea Schaab** is doing with youth.

When I became a Rotarian in 1999, I had no clue about what Rotary was about and I hadn't done any research before I joined. All I knew was that a work colleague told me "Rotary does good community service work" I had a desire to give back to my community, plus network in my role as a business banker. Single mom raising two rambunctious sons it gave me something to do in my "spare" time.

DG CHRISTINE RENDELL VISITS

In 1999 two major life-changing events happened: Brian and Rotary . We attended the President's passing of the "wheel" not a gavel in our club. Acronyms, traditions yet intrigued.

Brian and I and our family embraced Rotary and it became intertwined in our lives in a very big way.

- Broad smiles of children when we flipped pancakes for breakfast
- It's a Crime not to Read
- Exchange students from many different countries and cultures, watched them mature before our eyes and become members of our family-visited them and they have come back with their families
- Shedding tears of joy along side homeless families in Mexico as we turn their shacks into homes
- For nearly 18 months under the Tom Jackson Stay in School program for Urban Aboriginals, Christine worked with an Aboriginal family which brought both joy and sadness. She encouraged all of us to keep trying to help even if it is painful.

So that's a bit of our Rotary story leading up to this year. I am honored to serve as your District Governor and it's such an exciting and evolving time for Rotary! RI and District both updated Strategic (Action) Plans to Grow Rotary!

WE ARE People of Action! and RI President Mark Maloney's has announced RI's call to action items

1. **Increase our Impact-** Let's seek new ways and put our skills to use to Make a Difference!
2. **Expand our Reach** -let's inspire one another to build connections and opportunities that will allow others who share our passion to do the same
3. **Enhance Participant Engagement-** Let's strive to understand the needs of others. Our members need to feel that they are seen and heard! Rotary's Council on Legislation has given clubs autonomy on membership attendance and meeting schedules It's up to clubs who it wants, how often they meet and the format
4. **Increase our Ability to Adapt-** People of Action are inventive, entrepreneurial and resilient! Throughout history our leaders have excelled in their mission for positive lasting change.

Let's find fresh opportunities and paths to leadership for our young professionals and aspiring leaders!! Let's have our families complement rather than complicate our Rotary journey.

District 5360's 3 year Strategic Plan has 3 top Priorities that blends well with RI's

- **Build Vibrant Clubs-:** Let's invest in youth development, new members, new clubs and grow Rotary. Ensure our Assistant Governors build strong relationships with the clubs under their care through continuous communication and support. Sponsor more Early Act, Interact, Rotaract, Rotary Clubs and grow the family of Rotary
- **Collaborate with other Rotary, Rotaract and Interact Clubs:** Why compete when together we can do more! Our Interact and Rotaract have a desire to help you plan events, not just sell 50/50 tickets
- **Collaborate with other community groups and service organizations:** At the end of the day we all are more alike than we know, a desire to make a difference and create lasting positive change!

To support our Districts strategic plan this year we established 4 new Ground Breaking Committees

Diversity Equity and Inclusion, New Clubs (ie: Early Act Club which involves elementary school children who are natural fundraisers), Community Partnerships and International Partnerships

A request for members interested was sent out District wide. The response was immediate, and all 4 committees are now chaired by young professional Rotarians with members from across our District! These along with our other committees: Alumni Committee, Vulnerable persons protection Network, Youth Services

Membership, Public Image and Foundation committees will be key in building a bright sustainable and engaged Rotary District 5360!

At the recent Zone Conference held in Niagara Falls, our District was recognized for exceptional results 2018-2019 year

- James Davidson Award – New Club Development
- Largest Net Gain in Members
- Highest Per Capita Giving by District - Polio
- Largest Overall Contribution to Annual Program Fund
- Highest Per Capita Giving by District to Annual Program Fund #1 in the World!

So let's ramp it up and keep the momentum going through continued support of our Foundation. Ensure our new members are aware of our Foundation. Let's set goals to have members signed up for monthly direct payments for a little as \$25.

There are a number of events are coming up to celebrate, promote and grow Rotary!

- Nov 7th- EndPolio Now Event in Calgary at Schanks and hear past RI VP and now TRF End Polio Co- chair Jennifer Jones.
- Nov 14 is National Philanthropy Day in Calgary Bethany Care Foundation nominated the Rotary Clubs of Calgary & Area for the Association of Fundraising Professionals "Philanthropic Group of the Year !" at Bella Recital Hall at Mount Royal University
- May 1-3 2020 Calgary let's connect and reconnect with our family & friends and get motivated and inspired. International reception Down home East Coast Kitchen party. Brad Gushue. I may even make you an honorary Newfoundlander!
- Jun 6-10 Honolulu we have witnessed tens of thousands of people from nearly every ethnicity and culture in the world. united in the desire for peace, love, health and education for all.
- The excitement is building because our own District 5360 hosting the International Convention in 2025! It's seems like a long time to come, but we all know how fast time flies!

This thing called Rotary has changed our lives in a very meaningful way.

We have described Rotary to friends who kid us and say we've joined a cult. Thinking about it, we have joined an amazing fulfilling cult with a mission to do good in the world!

Brian and I never cease to be amazed the extent of Rotary and the vast amount of positive change that it has done and will to continue to do in our world! Everyone is welcome in Rotary. My heartfelt Thank-you for joining Rotary.

President-Elect Penny Leckie began her thanks by making a confession: How she usually dreads the District Governor coming to speak! However today she was reminded by Christine's presentation that it takes one candle to light the world and our current DG is that candle. Thanks for reminding us that we are all a part of something much bigger.

President Chas extended his thanks as well and thanked DG Rendell for her for the productive Board meeting prior to the Club Assembly

President Chas welcomed everyone to the Rotary Club of Calgary South meeting for October 10, 2019. and offered some history of today's date:

1000 AD: Leif Erikson lands at L'Anse aux Meadows "Vinland"-northern tip of Newfoundland-first European in North America.

1917: Canadian troops capture Passchendaele following fierce battle, 250 thousand casualties

1773: Paul Revere marries Rachel Walker. She took care of his 6 children and bore 8 more, 5 of whom survived.

He then asked the assembly to join Lisa Fernandes in the singing of O Canada and Rotary Grace.

Head Table: District Governor Christine Rendall, President Elect Penny Leckie, Assistant District Governor Dave Leslie, Past President Sherry Austin, W. Thomas Parks and President Chas. President Chas explained that Mr. Parks is the father of his beloved, Terri.

Bulletin Editor: Carol Graham Photographer: John Shield

Guests: Bill Sumner introduced our guests

50/50 Draw: Jim Cairns announced the draw was worth \$175.00. **Spencer Tonkinson** was the lucky winner

Sergeant-At-Arms: Keith Davis lightened Spencer's pockets, Keith went on to fine everyone not attending Oktoberfest or volunteering for the Terry Fox Run. He also fined the table for the proposed President-Elect Nominee **Craig Stokke** because of the honour of sitting with him. Poor Craig-no one will sit with him now! Good job Keith.

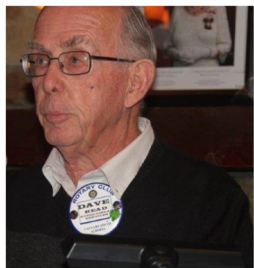

CRCF: Sherry Austin asked us all to read the Club Annual Report (copies of which were placed on the tables) to get a picture of our finances and thanked **Neil Fraser** for all of his hard work on the preparation of the Report. The back of the Report highlights "Ways to Donate". The goal this year is participation, whatever the amount you can manage as any amount helps to build the Foundation. She then asked us to watch a brief video (thanks to **Steve Mason and Jamie Moorhouse**) to experience how the CRCF funds help our community. The video highlighted a Small Grant to Children's Link for \$7500, championed by **Bryan Burt**.

Polio Plus: Don Taylor invited us all to attend a fun event on November 7th from 5-9 pm at Shanks to help raise funds for Polio Plus. There are a number of activities to become involved in, including a Trivia contest (\$50 per person or \$200 for a team). Don noted he had purchased a team and needs members to join his team.

The cost of the event is \$30 which just covers the food. At 8 pm there will be an interview of Jennifer Jones (the highest ranking woman in RI and Co-Chair of Polio Plus) and Catherine Ford (Former Editor of the Calgary Herald and polio survivor). See bulletin for more details and to register to attend go on the District 5360 website.

Following Don's presentation, **District Governor Christine** presented a Certificate of Recognition to our Club as the top Club in funding for Polio Plus in District 5360. She also acknowledged the work of **Jack Thompson** in his fundraising efforts for RI. RCCS is one of the top 3 Clubs in 5360 in per capita giving.

Salvation Army Christmas Kettles: Dave Read announced that he is trying to secure the dates of December 7 & 14 (both Saturdays) at Chinook Centre for our Club to cover 30 shifts of 2 hours each, starting at 10 am and ending at 8pm. Dave hopes to have details finalized by the end of November and has asked all interested to sign up with him. He shared a sweet story of a young girl from a middle Eastern family who was given money by her mom to contribute to the kettle. She approached Dave and shyly asked "Are you poor?" He readily agreed that he was (assuring her that her money was helping him!)

Club Elections: Bill LeClair welcomed all of the "riff raff" and announced the cut off for nominations in the Club Elections is noon on October 24th. **Larry Stein** has agreed to be Secretary, **Don Mintz** for Treasurer and the three Nominees for the Board: **Wendy Giuffre, Tony Fisher and Mark Ambrose** for 2020 to 2022. Craig Stokke has been nominated for President-Elect Nominee for 2021/2022.

Oktoberfest at the Austrian Canadian Club on Friday October 18th: George Deegan: reminded the Club of the Oktoberfest party which is always a good party with great food. The cost is \$50 per person. If interested then please contact **Kathy Demorest** by next Monday as they need to give a count to the restaurant.

Cleven Award: Bryan Walton is the Chair of the annual Cleven Award Committee and he announced that nominations are now open. It is a leadership award that has been annually given since 2006. Application forms will be included in the Bulletin. Nominations will be accepted until November 22nd. The award will be presented at the Christmas Social on December 12th.

1ST TIME IN CANADA

When I first arrived I was so excited! We were almost four hours waiting in immigration but we finally did it and all of handsome people was out there for us.

I spent my first week with my counsellor **Walter Flores** and his wife **Evelyn** which was amazing to know them! We went to Lake Louise and Banff and we had some good times around visiting the city and the Calgary Zoo, going shopping, and starting going to the Rotary Clubs meetings.

After that week I moved to my first Host Family, with my host mum **Claudia Brews**. Here is a picture with my host mum and I in the Football game Stampede VS Eskimos. We had a lot of fun, I really enjoyed it and appreciate to **Jim Hutchens** invited us to that game and to **Kathy Demorest** for the lovely Stampede T-shirt it was amazing! ... **CARLOTA**

KAYLEE QUINNEY: SPENDING TIME IN SPAIN

From when I first arrived in Spain I have felt welcomed and at home. My host family have shown me around the town I live in Nigrán and also the neighbouring city Vigo. My host family has been teaching me some traditional Spanish cooking like coquettes. I went to my district orientation in Madrid in the last week of September. I met lots of new people from all over the world and the rotex's that are in the district as well. Last weekend I got to see the beautiful Cies Islands by tour guide.
