**DISTRICT GOVERNOR
RICK ISTEAD**

President-Elect Nominee, Ron Prokosch introduced our Speaker, **District Governor Rick Istead** today.

Rick's Professional Career includes a Bachelor of Agriculture from the University of Guelph, and 34 years with Syngenta Crop Protection in both research and Marketing.

While with Syngenta Rick worked in both Eastern and Western Canada and had a stint of three years at the headquarters in Basel Switzerland.

Rick retired from Syngenta in 2006 following which he established AG Wise Solutions based here in Calgary. One notable project for Rick was the launch and establishment of the Alberta Wheat Commission in 2012 to 2013.

As to Rick Istead's Rotary Career; Rick Istead joined Rotary in March of 2007 and became President of Rotary Club of Fish Creek during 2009 to 2010. Other club activities have included: Stay in School and Membership Chair.

I first became acquainted with Rick as he began to move into the role of District Chair for Youth Exchange in 2010.

Since then, Rick and I have shared many excursions and fun times with exchange students from all over the world including trips to San Diego, Mexico and Disney World As well, as District conferences, and Peace Park Assemblies.

Rick was also the Co-Chair of the NAYEN International Conference held here in Calgary last March Rick is a Certified Facilitator with the Rotary Leadership Institute.

Outside of Rotary; Rick volunteers with Interfaith Food Bank, Calgary Zoo (Santa) and Westside Kings Church.

Rick is married to his lovely wife Pat and has two daughters Katherine and Laura.

Please extend a warm welcome to **District Governor RICK ISTEAD**.

President Bill, fellow Rotarians and guests, I want you to know that I'm proud to be a Rotarian. And why am I proud?

Well to start, Rotarians have been making a difference in their local communities and around the world for over 112 years now. And the Rotary Club of Calgary South has been doing so for an amazing over 62 years now

- Rotarians serve others before themselves - after all, isn't it our motto "Service Above Self" that we all follow
- Rotarians subscribe to the 4-way test. These 4 questions we ask ourselves "of the things we think, say and do" have been a game changer for me personally. I wish I had known about them much earlier in life.
- Rotarians are this close to eradicating polio! (350,000 in 1985; 12 in 2017)
- Rotarians are also all about fun and friendship - in fact, a Rotary event usually always helps me with my daily credo
- Rotarians see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

I'm proud to be serving as your District Governor and representing all of the Rotarians in District 5360.

I would like to begin by thanking everyone here today that responded to our "Members Survey" earlier this year. You have spoken, well in fact slightly more than 40% of the Rotarians in our District have spoken and now the District and the Club Leadership Teams need to understand what you have said and to take appropriate action. To just feel good about the survey and to do nothing is not an option.

Can you imagine how the District Leadership Team felt when they realized that a majority of the Rotarians in our District don't know who we are, what we do or what value we bring? We have our work cut out for us, but we are committed to a journey of continuous improvement.

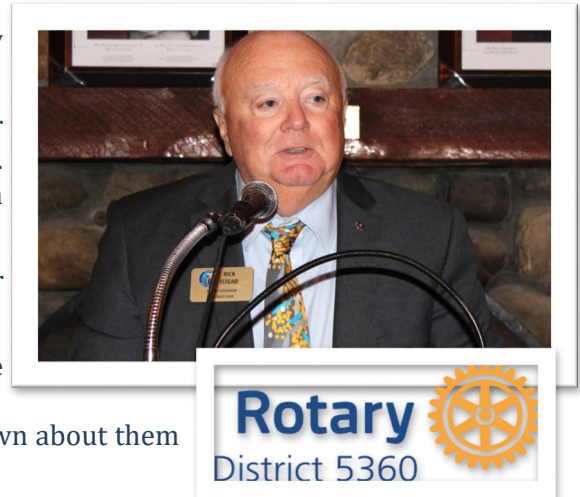

Clubs now have a good snapshot of how their members are feeling and thinking and so it's incumbent on the club leadership to also take action. Some clubs have used their members' feedback as a spring board to begin a conversation on club "health and wellness" - those things that need to change to make their club more exciting, more engaging and more relevant for their members and more attractive to the non-Rotarians in their community. Several clubs have even built a new Strategic Vision for the future.

Clubs that are strong and vibrant and making a positive difference in our communities around the world are focused on setting and achieving goals each Rotary year. And we have a place where all Rotarians can see these goals and track their progress - it's called Rotary Club Central. This year's Rotary Citation will recognize clubs that focus on Rotary's 3 strategic priorities. I encourage all clubs in our District to check out the Rotary Citation and if it makes sense to your club and I hope it does, why not challenge yourselves and go for it! We had 3 clubs in our District who achieved Citation status last year - I know we can do better!

Rotary International's strategic priorities for 2017-18 are also our District's strategic priorities, these being to;

- Support and Strengthen Clubs
- Focus and Increase Humanitarian Service
- Enhance Public Image and Awareness

How our District addresses these strategic priorities is really up to us, but we now have the Members Survey to guide us and focus us on what matters most to the Rotarians in our District. The District Leadership Team, which includes our District Board of ten, our thirteen (13) Assistant Governors and our five (5) District Committees are all here to serve you.

We really do want you to know who we are, what we do and the value we can bring to our club's and our Rotarians in District 5360.

All of our District Committees have been asked to identify 3 "continuous improvement" priorities for this year so that they can serve you better.

I would like to share with you some of what they are up to;

Learning and Development Committee, formerly Training Committee

Working on a plan to deliver the Rotary Leadership Institute in all of our major centres Calgary, Lethbridge, Medicine Hat and Red Deer. RLI is our Rotary knowledge based program for both new members and those of us Rotarians who want to learn more about this great organization. Under Tamara McCarron's leadership we are in the process of reaching out to our RLI graduates with the hope that we can establish teams of 4-6 facilitators in each of our centres. We also recognize that accessibility even to our centres can be a challenge for some Rotarians so we're hoping to pilot on-line delivery of RLI, so that one can learn more about Rotary in the comfort of their home.

I am also encouraging our L&D Committee to look at the possibility of doing a club survey to identify what clubs feel they need in terms of training. For instance, what about communicating via social media, negotiation skills, dealing with the media, to name a few.

Public Image & Communications Committee

We are working to build a new District Public Image and Communications team and then together we will develop our go-forward communications and PR plans for the District. When it comes to communicating to both our internal and our external audiences, there is no silver bullet - we need a multi-dimensional strategy that looks at the traditional, electronic and even the social media platforms.

Youth Service Committee

In the past year we've expanded our District's youth program portfolio beyond the traditional Interact, Rotaract, RYLA, RYPEN and Youth Exchange by piloting 2 new programs;

New Generations Service Exchange: - a program for 20-30 year olds who are either finishing up university or in the early stages of their career that want to expand their skills and knowledge by interning in another organization in another country. So if you know of a young person in our community who you think might be interested in this opportunity, please have them get in touch with Christina Hassan, our program Lead.

Alberta Youth Entrepreneurship Camp - a week long camp that has been operational for over 20 years, run by Community Futures and supported by Rotary Clubs. This camp helps prepare Alberta youth for economic opportunities by providing them with access to training, resources and skills needed to become gainfully employed, self-employed and financially sustainable. We are currently working on a partnership agreement that will see this camp delivered as a Rotary Youth Service program.

Under **Geoff Hughes'** leadership, a Youth Program Visioning workshop was held last weekend with the District's youth program leaders coming together to look at ways of better integrating and aligning all of our great youth programs.

I'm looking forward to learning about all of the exciting plans that they intend to bring forward.

President Elect Prokosch, DG Istead and President LeClair

Under DGN Christine Rendell's and PDG Neil Berg's co-leadership we have a completely new Membership Attraction & Engagement Committee. This team is gearing up to be your one-stop resource for all things membership. So, if you're looking for some information or advice or help, please reach out to the Membership Team. Just a friendly reminder to register for the Membership: Priority #1 workshop November 18th.

District Rotary Foundation Committee

If the Rotary Foundation is the engine that drives our "doing good in the world", locally or globally, we cannot forget about the importance of fueling that engine. I'm proud to say that our District is a leader when it comes to supporting the Rotary Foundation, but that doesn't mean that we need to take our foot off the gas or fill up less often. We need to continue our support for the Foundation.

I would like to take a minute to get you to think about something. Could the Rotary Foundation become your personal "Charity of Choice"? TRF is where it is today because of its great projects within our local communities and around the world, its management systems, its very low administrative costs and perhaps most of all, because it aligns itself with doing good, using Rotary's values and what projects members and their clubs want to undertake. Charity Navigator, an internationally recognized charity ratings organization named TRF the number one foundation in the world in 2016 and has given it the top rating of 4 stars for 8 consecutive years. Since there is such an alignment of the priorities and goals of TRF with those of individual clubs and members, we ask you to give some thought to your long term giving and consider making TRF your charity of choice. I fully realize that giving is a personal and private choice, but if you have a giving heart, please think about TRF. There are many options for you to decide where your TRF donations go, so you can make those choices at the time of giving.

For 2017-2018, new members to our Rotary family will again receive 100 Foundation points towards a Paul Harris Fellow, new sign-ups to Rotary Direct will also receive 100 Foundation points and we're currently investigating the opportunity of providing 100 Foundation points to all new member sponsors as recognition for bringing a new person into Rotary.

I'm proud to say that our District Rotary Foundation Committee, under **Don Taylor's** guidance, is seen by many of our District peers as leaders when it comes to giving, grant management, grant stewardship, scholarships and the Rotary Friendship Exchange program.

Our Grants Sub-Committee continues to look for ways to streamline our grant application processes and to expand the grant opportunities. Please don't forget about the Grants Qualification Workshop coming up this Saturday. It's every club's first step in their journey to qualify for 2018-2019 grants.

When I joined the Rotary Club of Calgary Fish Creek back in the spring of 2007 I was told that I was a member of the largest and oldest service organization in the world. I was also told that when I attended my first District Conference or International Convention I would then fully realize and experience the power of Rotary and become a Rotarian. For me personally, no truer words have been said.

So in May 2018 I invite you to join me at our District Conference. It will be held at the Hyatt Regency Hotel in Calgary from May 4-6th. It's been 12 years since our last District Conference was held in Calgary, so we feel it's time to return. We know from our very own "Members Survey" that the two primary reasons people join and stay with Rotary, is the opportunity to have local impact and fun and friendship. The Discon 2018 program will focus on those two elements.

To register for the conference, book a room and keep up to date on what we have planned go to our District web site and look for the "Events" tab.

<http://discon5360.ca/registration/>

And if the District Conference, didn't whet your Rotarian appetite, please join me in Toronto from June 24 -27th for the Rotary International Convention. Thanks to the 122 Rotarians in our District who have already registered. For those that have not yet registered, but are thinking about or planning to attend, I urge you to register as soon as possible and avoid disappointment on choice of accommodation. We know that registrations now exceed 23,000 and many of the hotels close to the Convention Centre are already fully booked. Here is the link: <http://www.riconvention.org/en>

ROTARY:
MAKING A
DIFFERENCE

Our Presidential Theme this year is: **Rotary: Making a Difference.**

In closing I want to thank the members of the Rotary Club of Calgary South for being difference makers! What gets done in our Rotary world is through the hard work, dedication and passionate Rotarians in our clubs who give their time, talent and treasure to "do good in the world".

Our District Leadership Team recognizes that, thanks you for all you do, and I want to assure you, is here to help and support you in your journey as best we can. Thank you!

Ken Copithorne thanked DG Istead saying this is a 24-7 job and not an easy one. Thank you for explaining what you are trying to achieve this year, education, more awareness and more members.

President Bill also thanked District Governor Istead and advised him that the club will be donating \$100.00 the our Stay In School Program on behalf of DG Rick.

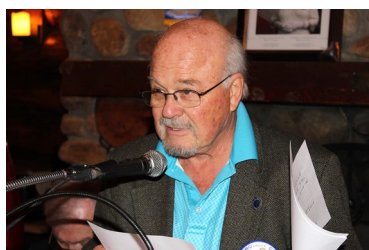

Club News

Hello friends at the Rotary Club of South Calgary, Thank you for your support of Operation Eyesight. We really appreciate the gift you've gave us earlier this year.

Your club made cataract surgeries possible for many people. These surgeries were, and are, truly life-changing, and helped restore precious sight to so many people.

Because of your support, you and the Rotary Club of South Calgary, have helped people gain independence and dignity — both priceless gifts. Recently, our Executive Director and Donor Relations Officer visited India and Nepal, to see first hand all the wonderful work Operation Eyesight is doing in those areas, thanks to your support. We'd be privileged, and honoured to share the impact of our visit with you — and the work that you've been instrumental in supporting.

Please feel free to email or phone me at your earliest convenience if your Club would be interested in having an Operation Eyesight guest speaker or a written report from us. If you are no longer the correct contact person, please let me know so I can update our records. I would appreciate if you would pass me on to the correct contact. Thank you again for your support and I look forward to hearing from you.

Warm regards, Blaire MacNicol Stewardship & Volunteer Relations

ONLINE WORLD POLIO

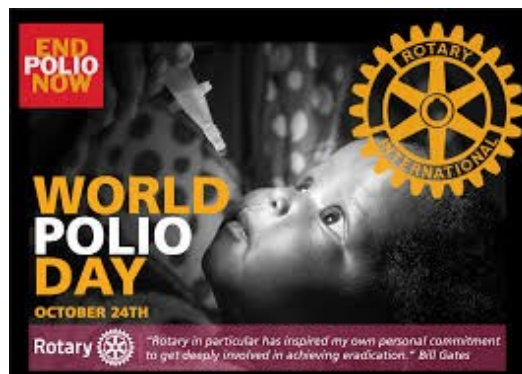

Dear District 5360 Rotarians,

We trust you have read your email about our ONLINE World Polio Day meeting that will march across Canada in 5 hours with the purpose to raise funds for our End Polio Campaign.

The meeting starts at 7:00 pm local time in Halifax and every hour moves to the next time zone. So no matter where you are in Canada you can drop in between 7 and 8 pm local time.

Here is the meeting LINK to our WPD 5 Hour March Across Canada:
<https://zoom.us/j/371359687> One link for this continuous across Canada meeting.

If you do join us you will be asked to login with a name.

The following link will take you to our LIVE Pledge Donation Tracker <http://www.sitescapers.com/WPD/WPDStatus.php>

As Rotarians make a pledge the amount is automatically recorded in the "thermometer" and the Bill and Melinda Gates match is included in the total.

Your hosts for the evening
