Don Taylor introduced his friend and fellow Rotarian, **Pat Killoran**, a member and Past President of the Lethbridge Club. **Pat** served as our District Governor in 2013/14 and was the PolioPlus Chair for TRF in Zones 24 and 32 for 3 years. Around the District, **Pat** is known as Mr. Rotary. He gives freely of his time and money and is well known throughout Rotary. He holds a PHF Plus 8 and is a Bequest Society member. *(By the way, I wrote this – not **Pat**. He is actually a humble man).*

The project you are about to hear details of is the perfect example of collaboration to obtain large leveraging through pooling of funds. Lethbridge started this project with \$5,000 and got five other District Clubs to support it, including ours. From there, the District matched the funds followed by the Government of Canada, and then the Rotary Foundation. It grew by over 10 times, to \$235,000 US (\$320,000 CDN) and was the seed money for the founding of APU.

Pat took the podium to introduce **Memory Mdyetseni (Chazeza)** and the Atsikana Pa Ulendo (Girls on the Move) project in Malawi to us. **Memory** is a wife, mother, teacher and cofounder of APU. Although she is an orphan, she struggled to complete her education and returned to her grandparents' village to teach. Wondering why her country was so poor (GDP/capita about \$300 to \$500 versus Canada's \$50,000/capita), even though it has lots of assets and resources, she realized that one reason was that the rural economy is controlled by men and women are not involved. Over 80% of the population lives in rural areas and 90% of them rely on agriculture.

Their culture is based upon supporting and advancing male children, while girls were expected to marry young, have many children and look after their families. She concluded that this culture could only change by helping young women achieve self-sufficiency through education and empowering them to become involved in economic activities and decisions. Reliance upon donor funding is not sustainable without education.

While volunteering as a teacher near her grandparent's village she met **Christie Johnson**, a Canadian teacher, daughter of a Rotarian and a fellow volunteer. Twelve years ago, she and her husband, **Henry**, together with **Christie**, founded APU on land donated to them by tribal chiefs. Small donations from Rotary grew and in 2008, 80 students were enrolled. Since then, classrooms and housing for teachers and students have been built, and 150 elementary and over 400 secondary girls are currently enrolled. Most of them are on full scholarship. All the students live on campus, and they are taught in English. Solar panels supply power, 2,400 new books have been purchased, lockers provided to students, and gas powered kitchens to feed the students and staff have been built.

The school has graduated 640 girls; 20% have gone on to university and graduates are becoming teachers and entrepreneurs. They are sending their siblings to the school, and importantly, they are being recognized by leaders in their villages and the country as contributors to an improving economy in the country.

Students are drawn from a 20 km radius around the school; each year 600 girls are interviewed for 80 spots. Families that can afford tuition are asked to pay enough that two paid students can support one scholarship student.

Other organizations are establishing schools in Malawi based upon the APU model.

Over \$4.0 M has been raised to date for capital components and operating support. Another \$350,000 will make the school self-sustaining. Fifty Rotary Clubs have committed to donate and any other support will be appreciated.

A good view of the current school complex taken by drone can be seen on YouTube:

<https://www.youtube.com/watch?v=1kjQUvRx6uY>

The APU website www.malawigirlsonthemove.com provides more information and outlines in APU's Vision and Mission.

Mission Statement: *Our mission is to provide high quality education to girls from the rural areas of Malawi who would otherwise be unable to continue with their education beyond primary school, due to a lack of financial support.*

Vision Statement: *We aim to achieve lasting improvements in the quality of life for young girls and women living in poverty and in so doing, spark a ripple effect of reduced poverty, illness, malnutrition, early marriage, over population and gender bias that will be felt throughout the country of Malawi and throughout the world. Our vision is of a world where young girls have equal opportunities to realize their full potential as human beings.*

Ken Copithorne rose to praise **Memory** as a trailblazer and encouraged her to continue to pursue her dream.

Jamie Moorhouse thanked **Pat** and **Memory** for their presentation. It is always inspiring to have people come to demonstrate the tangible benefits of the work that we, as a Club, are involved in. He noted that our initial donation of \$5,000 grew to \$28,500 through the leveraging that is available for Rotary grants.

President Ron Prokosch opened the meeting with the joke of the day.

Joke of the Day: *"When I was ready to check out and pay for my groceries, as I was getting my debit card out, the rather attractive cashier said, "Strip down, facing me." Making a mental note so I could complain to the store manager later, I did just as she instructed. After the shrieking and hysterical remarks finally subsided, I found out that she was referring to how I should position my debit card. Never the less, I've been asked to shop elsewhere in the future. Damn it, they need to make their instructions a little clearer for seniors."*

President Ron then asked **Lisa Fernandes** to lead us in the singing of O'Canada and Rotary Grace.

Head Table: Past District Governor **Pat Killoran** (RC Lethbridge), **Don Taylor**, **Jamie Moorhouse**, **Tina Moorhouse**, **Lynn Topp** and Guest Speaker, **Memory Mdyetseni (Chazeza)**

Visitors and Guests: **Lynn Topp** introduced our visitors and guests.

50/50 Draw: **Jim Cairn**, provided us some essential trivia – there is only one word in the English language that ends in "mt" – *dreamt*, and then awarded the prize to **Dorothea Schaab**.

Attendance Awards: **Norm Legare** recognized the attendance record of **Don Taylor**, 200 consecutive meetings. Congratulations, **Don**.

Sergeant at Arms: **Lynn Grant** extracted some cash from various members with questions about our recent record snowfall. **Len Hamm** paid for a plug about **President Ron's** new wardrobe. Others paid for queries about time in the Club of fellow Members.

Large Grants: **Myrna Dube-Thompson** announced that the Large Grants Committee is soliciting applications for assistance on large capital projects (over \$15,000) from interested parties. These must be championed by a Committee member and be submitted in the prescribed format by January 15, 2019. Criteria for acceptance include:

- Projects that have the most impact on the most lives in the community
- Quality of the project
- Sustainability of the project
- Need of the organization, i.e., how is the organization funded?
- Recognition for Rotary
- Is the organization active in rotary events or are they likely to be if supported with a Grant?

Application forms are available from the Committee or on ClubRunner under Community Service

Calgary Rotary Clubs Foundation (CRCF): **Neil Fraser** noted that a recent full page article in the Rotarian was about the first Rotary Club in Chicago that has a foundation with a value of \$3.0 M. Our Club's Foundation value is well over \$5.5 M, and **President Ron** has been asked to bring this to the attention of the Rotarian.

This year the CRCF contribution back to the Club will be about \$188,000, according to the excellent presentation from **Greg Martin** last week. Further, a generous member of the Club has made a donation to ensure that every member of the Club who has not yet donated to CRCF will be credited with a \$100 donation.

Club Elections: PP Bill “What’s-his-name” (LeClair) advised us of the procedures and criteria for candidate eligibility for the upcoming Club election with the ***Opening Announcement: October 4th 2018***

President-Elect Chas Filipski has not quite finished his slate of nominees, so they will be announced next week as well.

Selections by the Nomination Committee are not intended to exclude any nominations from the floor and as mentioned earlier, club bylaws provide for an open election following closure of nominations whenever there are more nominations than vacancies to fill. Each week we will announce the names of any additional nominees through to close of nominations on October 25th, 2018 as provided by the By-Laws.

Final Words: There being no other Rotary business **President Ron** closed the meeting.

Bev (the server at Rotary House) found a small brown, zipper briefcase, pencil and pen inside. She put it in the Rotary lectern.

No other identifying marks. It was against wall between table No. 2 and Table No. 9

Al Johnson, Ken and Pat Farn and Larry Kennedy came to Kerby Centre on September 28th to help with our inaugural floor curling event! Kerby Centre is a member of the International Council on Active Aging and September 23 – 29 is Active Aging week. Floor curling was our chosen activity this year and my Rotary friends came to help out since they are curlers extraordinaire!!

We had a blast and Kerby Centre and I are truly appreciative of their support and volunteerism! It was so popular Kerby is looking to start a regular league!

Waterton-Glacier
International Peace Park Association
Established June 18, 1932 | www.watertonglacierpeacepark.org

The 86th Waterton-Glacier International Peace Park Assembly took place in East Glacier, Montana on Sept. 22nd & 23rd. The Assembly was organized by the members of the Kalispell Daybreak Rotary Club with support from the other clubs in the area. For those members who are not familiar with the connection of Rotary with the Peace Park, visit the website at www.watertonglacierpeacepark.org

125 participants including 11 Rotary Exchange students from Districts 5360, 5370, 5090 and 5080 took part in the program which featured presentations by the Superintendents of Waterton Lakes National Park and Glacier National Park. They spoke about the issues at both parks with wild fires, which had consumed a lot of the forested area and a few park structures. They highlighted the cooperation between the fire services in both parks supporting each other with equipment and manpower. The support of Rotary for both parks is very important in maintaining the Peace Park program.

The Business meeting of the Association took place after these presentations. New directors for the Association include **Rotary Club of Calgary South Member, Bryan Walton. Congratulations Bryan!**

Todd Walters with International Peace Park Expeditions spoke on "Beyond Hands Across Borders - Peace Park Practitioners Exchange". This was an interesting follow up to the Assembly program in 2016. The afternoon also featured guided hikes and a 9-hole, two-person/team golf scramble.

Dinner on Saturday night also featured the march in of the Rotary Youth Exchange students followed by a great dance. On Sunday, the traditional Hands Across The Border took place on the lawn of the hotel with new and old friends from the US and Canada pledging "Not to Take up Arms Against each Other".

The following Club Members attended : Liisa Lehto, Roselyn Jack, Kathy Lynne Demorest, Sharon Allen and Terry Allen.

The Calgary Rotary Clubs
FOUNDATION

Dear President Ron,

I wanted to take this opportunity to provide you with the following update on the work **ShelterBox and Rotary are doing together in Indonesia.**

On Friday 28 September, the people of Sulawesi looked on in horror as giant waves crashed onto their shores. First the island was hit by a 7.5 magnitude earthquake. Then a tsunami tore through the region, flattening everything in its path and turning thousands of homes to rubble.

Families have been left devastated as they struggle with the catastrophic aftermath. Thousands are still searching for lost family members, whilst also enduring landslides and power outages.

The disaster has caused the displacement of around 66,000 people and the death of 1,400, and these numbers are expected to rise.

ShelterBox already has a Response Team in Lombok, Indonesia following the August 6.9 magnitude earthquake which left 20,000 people homeless. Our team has been in-country for the last month helping families recover from that event.

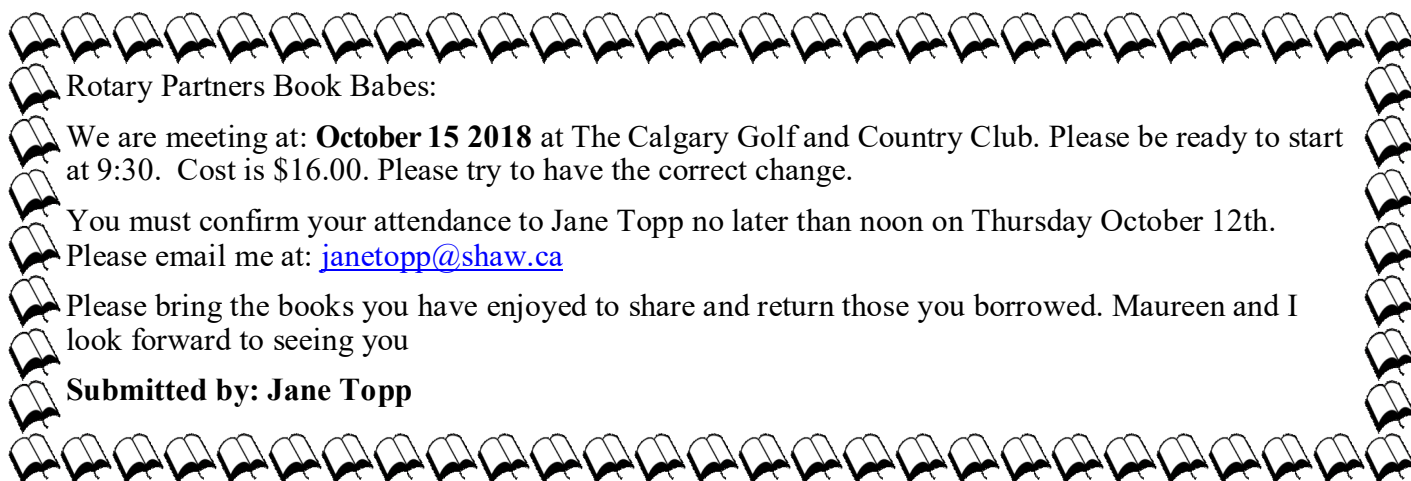

We are now sending a second Response Team to Indonesia to understand how we might be able to help Sulawesi families who have lost everything. We are in contact with the Indonesian government, the disaster management organizations, and our Rotary colleagues in Indonesia to understand how we might be able to help Sulawesi families. We have aid stored nearby in Malaysia and we are working with our contacts to understand any importation restrictions, and how we might be able to get it in to Indonesia and to the families who may need it.

As official Project Partners, Rotary and ShelterBox work together to ensure no family is left without shelter after disasters. We are proud to be a Rotary International Project Partner, further strengthening a global circle of friendship.

Our immediate response to this disaster was made possible by the past support of Rotarians including those in your club and district. To continue to play a role in our ongoing aid to families in need for this and other disasters we would ask that you:

1. Share this information with your Rotary Club
2. Encourage members of your club to make a donation to ShelterBox Canada, download our mail in donation form [here](#)
3. Stay up to date on our response at <https://www.shelterboxcanada.org/indonesia-tsunami/>
4. Host Shine For ShelterBox events to engage the community and raise essential Funds: www.shelterboxcanada.org/shine

You can also feel free to reach out to me or local ShelterBox Ambassadors if you have questions or need any other assistance.

Rotary Partners Book Babes:

We are meeting at: **October 15 2018** at The Calgary Golf and Country Club. Please be ready to start at 9:30. Cost is \$16.00. Please try to have the correct change.

You must confirm your attendance to Jane Topp no later than noon on Thursday October 12th.

Please email me at: janetopp@shaw.ca

Please bring the books you have enjoyed to share and return those you borrowed. Maureen and I look forward to seeing you
