

## CLUB NEWS

Good afternoon Rotarians and guests and welcome to the September 2nd 2021 meeting of the Rotary Club of Calgary at Stampede Park. I am the Club's President, Craig Stokke.

On behalf of our Club, I would like to offer condolences to the Filipski and Park families on the passing of Terri. Past President Chas would like to advise that Terri's Funeral Service will be held at:

2:00 pm on Wednesday September 8th at Sacred Heart Parish, 1307 - 14 St. SW, Calgary AB T3C 1C6.

Chas has also asked me to pass on a few words to the Club on his behalf:

*"Please give my thanks to all my fellow Rotarians and Partners who have reached out, sent food, and offered condolences and words of support. It feels like I've heard from everyone in the club!"*

*"At this time, I have many obligations that I must attend to right away. Please let our membership know that I've filed away all electronic messages and cards, and I've catalogued meals. I pledge to personally convey my thanks to all, once I have attended to my primary duties to Terri's last needs. She would expect no less of me. This Club is indeed a family" ~ Chas Filipski.*

Terri was a very valued member of our Rotary Partners. For the benefit of our District Governor and Assistant Governor, I would like to describe the unique and special relationship between our Club and our Rotary Partners.

Our Rotary Partners are spouses and friends of Stampede Park Rotarians and true "partners in service". Our Rotary Partners are approximately 80 members strong and they contribute greatly to our many projects and events throughout the year. They fundraise, they support charities, and host many social events.

In the past year, we have lost four Partners; Lorraine MacDonald, Ellen Smith, Anna Zacharki, and Terri Filipski. Because we have not been meeting in person, we haven't had an opportunity to properly acknowledge these ladies so I would ask that you join me in a moment of silence to remember these important members of our Rotary family.

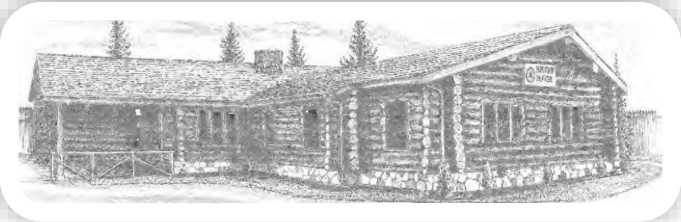

Please join Glenn Potter and myself for the singing of O Canada followed by Rotary Grace.

The Stampede Park Serving staff would appreciate if you would place your lunch cards at the top of your place settings so that the wait staff can easily see/access them. Enjoy your lunch and we'll be back soon.

#### *Closing Remarks: President Stokke:*

Again, I finish by asking you to think about something as you leave Rotary House today ...

- ♦ What do you need from our Rotary Club this week?
- ♦ What does our Club and Community need from you this week?

With that, our meeting is adjourned

## DISTRICT GOVERNOR MARTIN PARNELL VISITS ...

### Speaker Introduction: President Elect Jim Fitzowich

In 2010, following a 25-year mining career, Martin Parnell started his "Quests for Kids" initiative. Over the next five years he completed 10 "Quests". These included running 250 marathons in one year, setting five Guinness World Records in endurance events and summiting Mount Kilimanjaro in 21 hours. At the end of 2014, he had raised over \$1.3m for the humanitarian organization Right To Play and 27,000 children had been given the gift of hope.

Martin has published three books including "THE SECRET MARATHON- Empowering women and girls in Afghanistan through sport". He is also Executive Producer of "THE SECRET MARATHON" documentary.

Through books, films, articles, keynotes and workshops, Martin shares his message of having a "Finish the Race Attitude – Set goals, overcome obstacles and achieve outstanding results".

Martin is an 11 year member of the Rotary Club of Cochrane, having held the roles of Public Image Director, Club President and Assistant Governor. He is married to Sue, and has three children, Kyle, Calum and Kristina and three grandchildren Autumn, Nathan and Matthew.

**Serve to change lives  
DG Martin Parnell**

### District Governor Parnell began his presentation with a Land Acknowledgement:

Rotary District 5360 gratefully acknowledges that we are within the traditional and ancestral territories and gathering place for diverse Indigenous peoples. Most of our district clubs and members, within southern Alberta, are located in Treaty 7 territory, the traditional lands of the Blackfoot Nations (including Siksika, Piikani, and Kainai, the Tsuut'ina Nations), as well as the Stoney Nakoda First Nations. As the District includes parts of Saskatchewan, we also acknowledge that these members are within the Treaty 4 and 6 areas. We appreciate all the many First Nations, Métis, and Inuit whose footsteps have marked these lands for centuries.

We acknowledge the impacts and trauma the current events have brought for Indigenous People and communities regarding Residential Schools throughout Alberta, Saskatchewan and across Canada. We want to acknowledge Residential School Survivors and the families who have been impacted as a result of the Residential School system. Most importantly we acknowledge the children who were taken too soon.

DG Parnell went on to compare last year with this coming Rotary year as a virtual to a year of transition. DG Parnell ended the presentation with a Rotary Moment recalling the devastation in High River caused by the 2013 flood and the support provided by Rotary during this difficult time. "Serve to change lives. Thank you"

**Speaker Thanks: Craig Stokke:** Martin, on behalf of the Club we want to thank you for taking the time to visit us today. Based on your world records, marathons and quests we want to thank you for making us all feel completely inadequate. You are an inspiration and we appreciate you stepping up and leading our District this year. Sue and David, we also want to thank you for all you do. In recognition of your time today, our Club will make a \$100 donation to the Calgary Rotary Clubs Foundation. This gift will help support our community. Thank you.

He graduated from Carleton College with a degree in Environmental Education and attended graduate school at the University of Michigan in geological sciences.

#### Sal Rasheed – Park Superintendent

Sal began his career at Parks Canada in 2001 as a Conservation Biologist for the Mountain Parks. Since then, he has taken on many assignment opportunities, the most recent assignment before WLNP was as the Associate Director in the Natural Resources Conservation Branch in Ottawa. Prior to that he was Resource Conservation Manager in Jasper as well as the Field Unit Superintendent in Jasper. Sal has considerable time at Parks Canada overseeing aspects of the national fire program for Parks Canada as well. Sal has acted as the Field Unit Superintendent in Waterton twice before coming on as the Superintendent in November of 2018 so is relatively familiar with the operations and situational landscape in Waterton. Sal holds a Bachelor's and Master's degree in Environmental Sciences from the University of Calgary.

#### MARIA KLIAVKOFF - ***“Peacebuilding on Our International and Shared Landscapes”***

Author, Keynote Speaker and Director of Healthy Mourning Revolution, a training company dedicated to revolutionizing the way we think about grief and mourning, Maria dedicates her free time to Rotary and Peacebuilding Worldwide. As co-chair of the District 5080 Peacebuilder Action Team, Maria educates and inspires district leadership, clubs and Rotarians to engage in peacebuilding activities. Maria is looking forward to her presidential years of the WGIPPA in 2022-2024 where we will kick off the 10-year countdown to the 100-year anniversary of the creation of the first International Peace Park. On June 18, 1932, US and Canadian Rotarian's partnered to incorporate the first international peace park in the world, Waterton Glacier International Peace Park. It was a natural place to create such a park, Century's before the first peoples of the land recognized this as a "Place of Peace". Rotarian's engaged the governments of 2 nations to honour this fundamental truth, and the park was created. This was an evolutionary step. Today, on this sacred land, once again we are called to take evolutionary steps. We, the Waterton Glacier International Peace Park Association, continue to grow with this vision and engage in peacebuilding activities. Join us as we look at peacebuilding efforts in the park and beyond.

#### DR. LEROY LITTLE BEAR- ***“Rematriation of Plains Bison in Waterton Park”***

**FOR THOUSANDS OF GENERATIONS, WE, THE BUFFALO, ROAMED THESE LANDS, MOUNTAIN VALLEYS, PLANTED THE SEEDS OF ALL DIFFERENT PLANTLIFE, DRANK FROM THE RUSHING WATER STREAMS FROM THE MOUNTAINS AND LAKES. WE WORKED COOPERATIVELY WITH A WHOLE COMMUNITY OF OTHERS OF THE ANIMAL WORLD TO ECO-ENGINEER THE LAND SO THAT OUR YOUNG WILL FOREVER ENJOY THE BEAUTY OF LANDSCAPING WAYS. THEN THE HOMO SAPIENS APPEARED ON THE SCENE.....**

Leroy Little Bear was born and raised on the Blood Indian Reserve (Kainai First Nation), approximately 70 km west of Lethbridge, Alberta. One of the first Native students to complete a program of study at the University of Lethbridge, Little Bear graduated with a Bachelor of Arts Degree in 1971. He continued his education at the College of Law, University of Utah, in Salt Lake City, completing a Juris Doctor Degree in 1975. Following his graduation, Little Bear returned to his alma mater as a founding member of Canada's first Native American Studies Department. He remained at the University of Lethbridge as a researcher, faculty member and department chair until his official retirement in 1997. In recent years Little Bear has continued his influential work as an advocate for First Nations education. From January 1998 to June 1999 he served as Director of the Harvard University Native American Program. Upon his return to Canada, he was instrumental in the creation of a Bachelor of Management in First Nations Governance at the University of Lethbridge- the only program of its kind in the country. In the spring of 2003, Little Bear was awarded the prestigious National Aboriginal Achievement Award for Education, the highest honour bestowed by Canada's First Nations community. After a lifetime of educational service, Little Bear remains a dedicated and dynamic teacher and mentor to students and faculty at the University of Lethbridge. ROTARY YEX NEWS: STUDENT UPDATE  
2019 YEX STUDENT FROM FINLAND: LIISA LEHTIO

*This excerpt is from an email that Liisa sent to Rick and Donna Jakubec*

Hey!

I've been in the army for 2 months now and I'm doing well! I just got accepted to the military police course I applied to. I've enjoyed it so far. My military service will last until June.

I also got into law school! It's located in Rovaniemi, Lapland, which is quite far from where I live currently. It's a 10-hour drive from my hometown, Turku. My studies will begin in August 2022.

It's quite cold and rainy here, I think the summer is officially over... I'm glad you guys have had a great weather, even though the forest fires are not what you'd hope for. I'm also happy to hear you've been able to do different activities despite covid. How is it there, are there still a lot of cases? How are the vaccinations going?

My family is doing well, even though I haven't seen them for a while... They have been sailing quite a lot, which I'm a bit jealous of. I did do a short and easy hike by myself during a short vacation because I actually had corona I got it from another person in the military but luckily I didn't have any harsh symptoms. I've been a bit tired afterwards but hopefully I'll be fully recovered as soon as possible.

I hope you guys are doing well. How are things with the Rotary club? Have you been able to meet? Are you going to get an exchange student or not?

Take care and greetings from my family!

- Liisa

## HIKING CLUB:

**September 1st:** Despite some threat of rain, twelve hikers did the Snagmore Loop Trail. It's interesting to see the set of North of 60 which is still operational, but harder to see because of tree growth. The only flowers on the trail now are these Harebells and the hardy Asters. Lunch was on a couple of logs in the sunshine with lots of visiting. Coming down we saw this sign for Sugar Momma Trail, which elicited comments on how we hadn't found one yet of either sex. Since we did not have any lunch cookies we had to cap off the hike with ice cream for most of us from Scoops in Bragg Creek
