### NOTE FROM BEV OSTERMANN (BULLETIN CHAIR)

**Please ensure that all addresses, phone numbers and emails are up to date on Club Runner. We are preparing to update our Roster information and want everyone's information to be as accurate as possible**

**THANK YOU!**

Norm Devitt introduced our guest speaker Jody Mosely today and wondered aloud how such a young woman could be a Senior Director Communications of the YYC. He then advised her bio answered that question. Born and raised in Calgary, she received a business degree at the University of Lethbridge and a Communications degree from the University of Calgary.

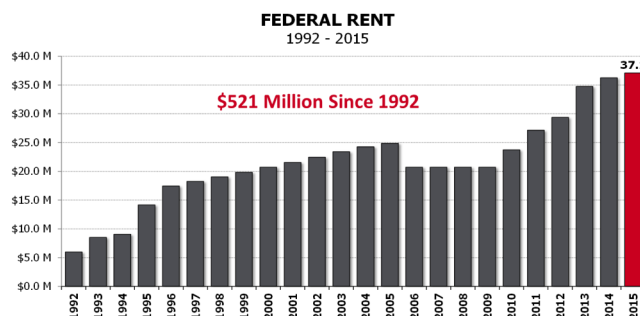

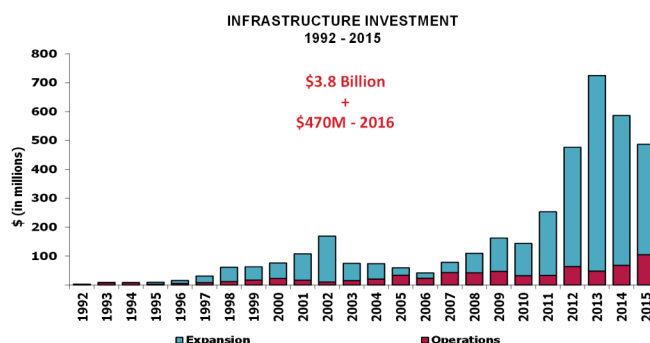

Jody Mosely's topic was "YYC Alberta's Economic Engine". She started by thanking the Club for inviting her to provide an update on the YYC and commented that she has spoken to a number of Rotary Clubs but ours is the most active and entertaining group. She wasn't sure if this was a good or terrifying thing!

The Authority is a non-share capital corporation (Province of Alberta's *Regional Airports Authorities Act*) with two airports transferred:

- Q YYC Calgary International Airport – July, 1992
- Q YBW Springbank Airport – October, 1997

The International Airport is an 80 year lease to 2072

All surpluses reinvested on airports : YYC & YBW

**Questions for the Speaker:** Questions ranged from security lineups (Government of Canada issue but YYC has raised it as a concern), LRT Line to the airport (a City decision but on the YYC radar), and slow baggage handling (Airline Companies are responsible for this). Jody advised that YYC pushes all of their partners to operate well so it is a positive customer experience from entry to exit.

**Norm Legare** thanked Jody on behalf of the Club. He noted that he was always taught to make a good first impression as you may not have another chance. Visitors will be impressed by the new terminal the first time they see and experience it as we were today by the update on the new developments at YYC.

**President Ken then added his thanks to the Speaker:** On behalf of the Club, I would like to add our Club’s gratitude for the time you have spent with us today, by making a donation of \$100 to our SIS Scholarship Program in your name. In addition, we would like to offer you one of our Rotary Club Coins which has on the back the Rotary Four Way Test.... Of the things we think, say or do...

***Is it the Truth?...***

## **CLUB NEWS**

**President Ken Farn** welcomed everyone to the Rotary Club of Calgary South. He then asked us to join Lisa Fernandes and the Head Table in the singing of O Canada followed by Rotary Grace.

**Bulletin Editor: Carol Graham      Photographer: John Shield**

**Guests: "No Joke" Jack Haman** introduced our Guests.

**Health and Wellness Report: Don O'Dwyer**, pinch hitting for Bonar, advised the Club that **Jim Gorman** is much better but phone first if you wish to visit. He also gave a thank you to **Earl Huson** who has been visiting **Wayne Smith** (who next year will have been a member of our Club for 50 years!).

Speaking of visiting, **Bryan Targett** advised that he has been visiting

**Mahesh Shah** who has asked that some of his Rotary friends give him a call. Don also informed the Club that Co-op prescription services offers a free "capsule of life" which is a plastic tube where you can document your medications and allergies in the event that there is an emergency and EMS comes to your door. There is a sticker that goes on the fridge and you keep the capsule inside the fridge. This sticker alerts the paramedics, especially if you live alone. Be well!

**Past Presidents Meeting : Past President Al Johnson** announced that **Past President Murray** has called for a meeting with Past Presidents only next Wednesday September 28<sup>th</sup> at 4:00 PM at the Calgary Golf & Country Club.... If you got this message but are not a Past President, please ignore the invitation. Contact Murray if you are planning to attend.

**Operation Eyesight: President Ken** advised that Operation Eyesight has invited Calgary South Members, to a "FREE" Estate Planning Session, as a small gesture of their gratitude for the help RCCS has given to their world-wide Eyesight Restoration Program. The Estate Planning session will be held Tuesday September 27<sup>th</sup> @ The Ranchman's Club beginning @ 7:00 PM. The speaker is Mike Skrypnik who specializes in Estate tax issues. Those interested in attending should contact Operation Eyesight. The contact information will be in this week's bulletin.

**District Grants: President Ken** reminded the Club that District 5360 will be putting on a half day seminar Regarding District Grants on Saturday October 15<sup>th</sup> at The Blackfoot Hotel in Calgary.

Conditions: a) attendance at the Seminar b) Submission of an MOU before May 5<sup>st</sup> 2017 and c) club must have at least \$50 per member contribution to the TRF annual fund by that time and d) no outstanding Closing Reports on existing projects.

Invoices have been sent out via club Runner and you can of course pay that way or give Larry Kennedy a cheque. Your kind & immediate attention to this matter is greatly appreciated.

**Dinner Club: Dana Hunter**, filling in for **Paul Brick**, announced the start up for a new season of Dinner Club. There is capacity for 40 people in the Dinner Club and the actual dinners can be hot dogs or gourmet. The main purpose is getting to know other Rotarians. It starts in October and runs to the end of May. You are expected to host once and be a guest twice. Please register before October 7<sup>th</sup>.

**Waterton Glacier Weekend: President Ken** advised that it was a great weekend and he had an opportunity to listen to a number of presentations from cross-border environmental groups. He compared it to a "think tank". There was discussion of the reconstruction of the Silk Road involving Iran, Iraq, South Africa, etc. The Waterton Glacier concept is a model for other countries regarding cross-border cooperation. President Ken thanked Terry Allen for his two years as President.

**Terry Fox Run: Larry Stein** asked his Committee and the other volunteers who participated in last Sunday's registration for the Terry Fox run to stand and be recognized. There were approximately 1400 participants at this year's run and \$100,000.00 was raised. The Terry Fox Foundation was grateful for our assistance.

**Cleven Awards: Terry Allen** gave a brief history of the awards-named after Harry Cleven, the first President of our predecessor club who tragically died in an airplane crash in 1956. This award was created in 2006 as a way to honour him by recognizing those club members who go above and beyond expectations. To be considered, a member must have 5 plus years of membership as well as an attendance of at least 75% over the past 3 years. Forms were available at the front table. Either email or hand in your nomination form to Terry. All nominations must be in by October 6, 2016. This allows the Committee to review and make final recommendations before the award or awards are presented on November 17.

**Rotary Challenger Park: Jim Burns** will be calling a Committee meeting soon but did have an update from the Park's Executive Director. The Golf Tournament was a sell out this year. The Calgary Airport Authority (CAA) will remain as the main sponsor for this annual event for 5 years. The Park's share of the proceeds was \$55,000. The Park and CAA have signed a 72 year lease for the use of the land. Renfrew Academy, a key tenant of the Park is looking at constructing a building at the Park. Although grants may be reduced due to the economic downturn, planning is still proceeding.

## CLUB NEWS

**Sergeant at Arms:** Joe Connelly managed to lighten the pockets of several Rotarians in a short space of time, including **Dick Shaw, Murray Flegel, Mark Ambrose, Jim Bladon (good socks?!), Larry Stein ("harassing new members"?), Don O'Dwyer ("trying to be the SAA"), Dave Read, Len Hamm, Dana Hunter, Sandy Dougall, Dilan Perera, and Bob Wiens.**

Please note: There were some challenges as to the accuracy of some of the Sergeant's answers and he has kicked in \$5 to quell the concerns. Good job Joe!

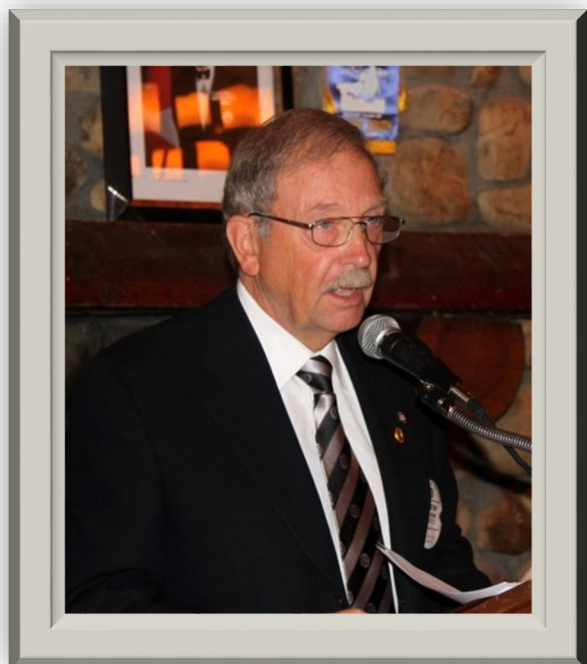

**50/50 Draw:** Jim Cairns announced a pot of \$ 181.00 and stated: "Someone's life is going to change!" Well, that lucky person was none other than Dick Shaw. Congrats Dick!

In Closing, President Ken Farn left us with this thought:

### Advice From a Bear:
