President Bill invited Sherry Austin to the podium to bring the Club up to date on the Calgary Rotary Clubs Foundation (CRCF).

Sherry updated our Club on the mission and work of CRCF

### OCTOBER IS CALGARY ROTARY CLUBS FOUNDATION (CRCF) Month For RCCS

**“Leaving your money in your own community to help those in need.”**

#### What is the Calgary Rotary Clubs Foundation?

It is a place where all Calgary Rotary Clubs can invest their charitable funds and is overseen by a Board representing all participating clubs.

Each year funds are distributed according to a pre-agreed formula to these clubs. We have about \$5 million invested at this time and about 5% is returned to our Club on an annual basis.

#### Why should I donate?

There are no administrative fees for this Foundation. Every dollar you donate goes directly into the Foundation. You will receive a tax receipt. All funds that you commit will remain in our local community to help those in need. Through your generosity you will help feed those who are hungry, help house those who are homeless, help those living with disabilities, help those who are sick, and help those who just need your support to re-build their lives so they, too, may contribute to their community.

#### How are donations recognized?

Donor recognition begins at \$1000 and you receive a Calgary South Benefactor pin, a personalized certificate, and your name is included on the Donor Recognition Board. Each successive donation of \$1000 includes crystals on the benefaction pin. All annual donors are listed in the CRCF Annual Report regardless of amount contributed.

#### What are our Club targets?

Our objective is to build a capital fund that will provide enduring support for our community service activities. We would like to encourage all members to work toward becoming a Calgary South Benefactor. All donations are gratefully received and records will be kept for you.

#### How do I make a donation?

Donations can be made by credit card, cheque, or cash. Donations may be made by corporations, families and other supporters of the work we do in our own community. You may make a donation for a family member or friend to celebrate an anniversary, birthday, a passing, or a work milestone – whatever memory you would like to acknowledge. Cheques should be made to “Calgary Rotary Clubs Foundation” with a note that it is “Calgary South” and given to Neil Fraser. A credit card machine will be available for use.

***In honour of those we help, please proudly wear your CRCF pin during the month of October and beyond.***

**Penny Leckie** talked about the function of CRCF: With Rotary, there are multiple opportunities to contribute financial resources. Sometimes, it can be confusing. The ones most often mentioned are: Calgary South Rotary Club, Calgary Rotary Clubs’ Foundation, Rotary International Foundation.

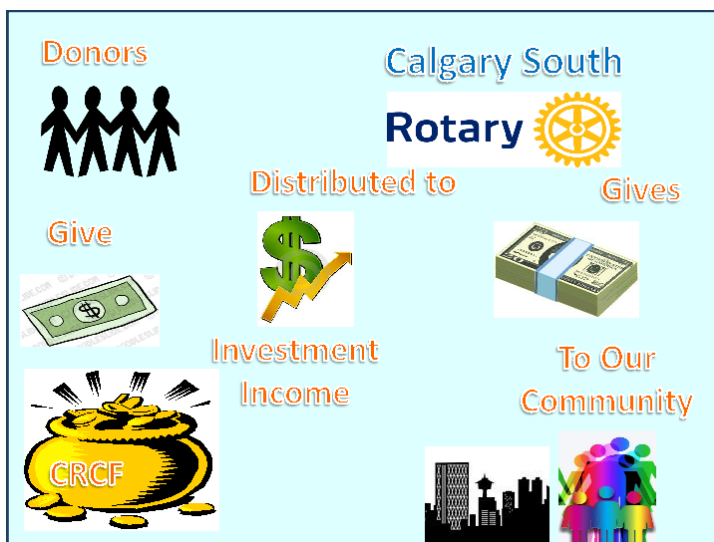

The main differences in the options are: How/where the funds are managed and how, when and where the funds are used. It is important to understand the differences when making your decisions for giving. A gift to Calgary South Rotary Club is managed by our Club’s Board of Directors and used for current projects of our Club.

In November, **Jack Thompson** will speak to Rotary International. I am here today to talk to you about the Calgary Rotary Clubs’ Foundation. The acronym is CRCF.

In the late 1960’s the Downtown Calgary Rotary Club was left a significant bequest by an Estate. This was the catalyst for the Downtown Calgary Rotary Club to create a foundation. CRCF was incorporated under the Alberta Securities Act on September 20, 1972.

In a true “is it fair to all concerned” model, they approached all of the other Rotary Clubs in Calgary and offered them the opportunity to participate. All of the Clubs came on board and continue to participate in CRCF. This allows all Club’s the opportunity for efficiency in administration and access to the shared knowledge of Club members. Funds received by the Foundation are tracked and allocated to each Club based on the source of the funds.

Please look at the slide here that demonstrates how CRCF works: In the top left hand corner are “Donors”. We hope this is you. Please note contributions may also be made by others. It is not necessary to be a Rotarian. So, for example, if someone wants to make a gift in your honour, you can request the gift be made to CRCF. Also, please note even though we are doing our blitz during the month of October, contributions may be made throughout the year.

Going down the left hand side of the slide, Donors give financial resources, which can be cash, securities, life insurance policies, or other resources. Gifts can be made both during your lifetime and/or in your will at the time of death. The financial resources are placed in the CRCF pool of funds.

The pool of funds is a permanent endowment fund administered by the CRCF Board of 21 directors and managed by two professional investment management firms. Every Rotary Club has representation on the Board. Our current representatives are Neil Fraser, Jim Fitzowich and me. We follow a legacy of members of this Club who have shared their financial acumen and wisdom throughout the years.

The CRCF Board has a number of committees. Jim and I are on the investment committee. Neil is relatively new to the Board, but has been working with the communication committee. The investment committee reviews the results of the professional investment managers regularly to ensure the endowment fund is preserved forever, and an appropriate rate of return is being earned on the funds. The communications committee manages the Foundation’s website, ensures information is available if needed and reports on the results of the CRCF.

CRCF uses the resources of the Downtown Club’s secretary and accountant. Internal accounting is done by professional accountants who volunteer their time. An annual audit is conducted by an external auditing firm, PWC.

Moving up the middle of the slide, the CRCF pool of funds earns investment income. Greg will speak to this. The Calgary South Rotary Club’s portion of the investment income is paid annually to our Club. At the top right hand corner of the slide, you can see that once Calgary South Rotary Club receives the funds from CRCF, it uses those funds in the community, as noted in the bottom right hand corner of the slide.

When I think of giving to CRCF, I consider it a gift that keeps on giving. So, how do you give to CRCF? For 2017, there is an important new way to give to CRCF. You may now donate online, have 15% of your donation matched by ATB, and receive your income tax receipt immediately. Here are the online donation instructions. The website link is active: just click it.

- Go to [www.calgaryrotaryfoundation.ca](http://www.calgaryrotaryfoundation.ca) Click on tab that says "**How to Contribute**" Scroll down and click "**Contribute Online – Visit ATB Cares**"
- You'll be redirected to the CRCF Page at ATB Cares website. Confirm you are on this page. Scroll down and click "**Choose this Cause**". Enter your donation amount. You will see the amount ATB is contributing as a match to your donation.  
*(ATB will contribute gifts at 15% to a maximum of \$1,000. For example, if you donate \$1,000 they will contribute \$150; if you donate \$5,000 they will contribute \$750; if you donate \$6,700, they will contribute \$1,000; if you donate \$10,000, they will contribute \$1,000)*
- Click "**Add Donation to Cart**" Review info on screen and click "**Make Donation**" Enter personal data: ie: name, address, etc.
- At bottom of page, there's a place to put comments for the charity. To ensure proper tracking of funds it's imperative to enter the following "**Contribution on account of Calgary South Rotary Club**" Click "**Submit**"
- Review info on screen and click "**Click to proceed to Secure Payment Page**". Enter credit card details and click "**Process Transaction**" The screen will confirm your contribution.
- You will receive an official tax charitable donation receipt promptly by email. **This is the only tax receipt you will receive** Save it for your 2017 personal income tax return.

Our preferred method for you to give is via online. It is the most efficient for everyone concerned, and the ability to optimize your gift with ATB's 15% match is an incredible win for CRCF. I want to note it is critical when making online gifts that the comment section be filled out, indicating the gift is on account of Calgary South Rotary Club. If this comment is not made, it will be difficult to ensure the funds are properly allocated within CRCF.

**Neil Fraser and Art Borzel** are working closely with CRCF's bookkeeper to ensure reconciliations are done to credit Calgary South Rotary Club with proper amounts and to ensure our donors receive appropriate credits for their recognition pins.

We are hopeful that throughout October, we will have laptops available at our Thursday meetings to assist with online gifts. However, because we just learned about this opportunity the other day, we are still working our way through the logistics of this.

Although our preferred method is for online gifts, if you would like to make your gift by cheque, please make it payable to CRCF and give it to Neil Fraser. If you would like to pay by credit card, but not online, we will be setup with the credit card machines throughout October.

**Greg Martin** updated us on the actual fund progress. The 2017 annual report is on each table. Over the past 5 years the fund has grown from \$35 million to \$50 million.

You may recall the RCCS had a goal of \$4 million in the fund to allow \$200,000.00 to come back to the Club annually. During the past 5 years we are at \$5.1 million You will note in our annual report that we had 9.2% growth.

The donors are listed in the annual report we have grown from 49 benefactors to 76. If you have any questions please see any member of the committee.

**Sherry Austin**, with the help of the CRCF committee handed out pins as recognition for donations:

**New Benefactors (pin with no crystals):** Ted Rowsell and +1 (pin with one crystal): Don Gass  
**+2 (pin with two crystals):** Don Bacon, Jim Cairns, Carol Cairns, Dilan Perera

**President Bill LeClair** opened the meeting with some famous quotes:

- *Our lives end when we stop speaking up for what we need.*  
- Martin Luther King
- *We make a living by what we get, but we make a life by what we give.*  
- Winston Churchill
- *Wife: do you want dinner? Husband: sure, what are my choices... Wife: yes or no!*

He then asked **Lisa Fernandes** to accompany us in the singing of O'Canada and Rotary Grace.

**Bulletin Editor: Luanne Whitmarsh**      **Photographer: Norm Legare**

Joanne Ying shared with our Club that her and her 2 colleagues are hosting these folks from China. They are all business leaders, engineers, procurement managers and business developers. They are all involved with Petro China and are here to learn and practise their English. They appreciate this great opportunity to visit our Rotary Club. - **Tommy Low** is doing well and hopes to be back next week.

*Friday, October 13th*

*Austrian Canadian Club  
3112 - 11th Street NE*

and includes traditional Oktoberfest buffet featuring roast beef, schnitzels, bratwurst, veggies, salads, fruit, cheese and much more. Entertainment will be by "Premium Akkord" band and the "Schuhplattlerverein Enzain" dance group.

**Tickets on sale now, ending September 30th!**

Sharon and I were pleased to join 27 Rotarians from Canada and the United States who gathered **Sunday, September 24, 2017** at the Chief Mountain Overlook above Waterton National Park and continued the 85 year old tradition of Hands Across the Border by shaking hands and pledging peace between nations.

The ceremony took place in spite of a wildfire which forced that cancellation of the Annual Waterton-Glacier Park Peace Park Assembly.

**District Governors Rick Istead (5360, Alberta) and Joe McBride (5390, Montana)** welcomed the group. Norman McCarvell, a **past District Governor from District 5380 (British Columbia, Idaho, Washington)** also addressed the gathering.

**Waterton Lakes National Park Superintendent: Ifan Thomas** welcomed the Rotarians, and briefed the crowd on the wildfire while they could see columns of smoke and watched helicopters work on the fire. Superintendent Thomas expressed his gratitude for the assistance of a crew sent by Glacier National Park that is helping remove "hazard trees," burnt trees that pose a risk to visitors because of compromised roots.

The Rotarians sang both national anthems and recited the pledge to maintain peace between their nations as they shook hands. They vowed to meet again next year in Glacier National Park.

Note the picture of the Community Centre in Waterton, the flagpoles which we helped to purchase in 2015 as a Club 60<sup>th</sup> Anniversary Project are still standing. The flags look good. Note the trees on the mountain side, the fires came within metres of some of the homes at the base of the mountain, but all the homes survived. Next years' Assembly will be at St. Mary's in Glacier National Park.

Thanks to **Tom Esch of the Kalispell Daybreak Club** for organizing this event and for portions of the above report.

## Ptarmigan Cirque

We had 8 people on our first hike this fall which was to Ptarmigan Cirque near Highwood Pass in the Kananaskis Country. The weather was cool and sunny, the trail a little wet from the recent snowfall. The larch trees were a beautiful golden color as can be seen in the photos. By noon it had warmed up and we enjoyed our lunch on the rocks. On the return trip the last member of our group heard a noise in the woods, turned around and saw a grizzly and cub. We met the warden on the trail looking for the bear. Submitted by Ted Rowsell

**HIKERS:** On Oct. 4, we will venture out to find more stunning scenery as we did yesterday. The place has not been chosen, so stay tuned. Partners President, Karen Grant

Pat Farn and Maureen Watson will be featured in the Calgary Health Trust Annual Report on behalf of the Partners. Great work (unfortunately due to restraints we cannot make this larger, perhaps this can be shared by email to the Partners)

### Volunteers are the heart of the city

"As the spouses and friends of Rotarians, our motto is 'Serve Above Self', and exemplifies our volunteer nature - something that has been instrumental in shaping the community we live in today."

- Maureen Watson, Past President, South Calgary Rotary Partners (2015-16)

South Calgary Rotary Partners have deep roots in health care and even deeper roots in helping the community.

It should be no surprise that the Partners have supported over 19 charities throughout the past year in a number of areas from education and social services to health care. Their generosity is in an effort to represent the community's interest. And through the Partners work, alongside the Rotary Club of Calgary South, the Partners have made many significant investments in their own legacy projects, including at Carewest Sarcee and throughout health care in Calgary.

Each year the Partners host the Rose Tea at Carewest Sarcee. It is part of their history and an important reason why they do the work they do.

Their legacy began with the desire to help others, volunteering at the Auxiliary Hospital by helping to fold bandages. But they wanted to do more and work directly with people. Quickly they got to work baking and putting together the details for what would be the first Rose Tea.

As the Auxiliary Hospital evolved to meet the needs of the community it became Carewest Sarcee, a long-term living and therapy facility. Still today, the Rose Tea continues. Through this simple gesture, the Partners are able to connect with the residents of Sarcee and their families in a personal way.

"I remember one time a husband sent us a message after receiving a rose for his wife who was a resident at the time. He was so overcome with gratitude that someone would care so much for his wife to provide her with a rose," explains Pat Farn, who served as President of South Calgary Rotary Partners from 2016 to 2017. "It just meant so much to him."

This is only one example of how the Partners have made a significant impact on residents.

"That is why we volunteer our time. We might be the only people they see or hear from in a while."

#### VOLUNTEERING

Volunteers are a vital part of the work that Calgary Health Trust does. Volunteers commit hours in service, whether it is serving on the Board and Development Councils, volunteering at events or giving countless hours of help in our office. Volunteers are at the heart of helping to ensure the work we do has a meaningful and lasting impact on the community.

South Calgary Rotary Partners' Past Presidents Pat Farn (2016-17) and Maureen Watson (2015-16)

#### ONWARD

"It is our hope that what we are doing in our own community is showing care and inspiring the next generation. Many things would not happen in this city were it not for volunteers. If we as a group can pass on the spirit of volunteerism, then future generations will benefit too," says Maureen Watson, who served as South Calgary Rotary Partners President from 2015 to 2016.

The South Calgary Rotary Partners are involved in many projects throughout health care and within the city. Their desire is to create a stronger sense of community, to help those less fortunate and support their neighbours and those who need it the most through their commitment to service.

"It takes effort to build a community," says Pat Farn, the organization's President from 2016 to 2017.

"We started when Calgary was just a really small town. There was a real sense of community and you built the community through social activities," adds Maureen.

The South Calgary Rotary Partners know one thing: Giving benefits the giver. There is a return that you get from being involved.
