#### **DOUG FEELY:**

#### **WESTERN CANADIAN SKI INDUSUSTRY**

Our Guest Speaker, Doug Feely was introduced by Keith Davis who gave us an overview of Doug's extensive experience in the Ski Industry. His current position is CEO for Island Lake Lodge an operation in the Fernie area however his presentation today was more general on the entire Industry gathered from his involvement in various Industry groups representing lift operators, Heli and Cat skiing.

Doug gave us some key numbers as to the size of the Industry both in BC, Canada and Western Canada. From 132,000 employees in BC to 618,000 in Canada and generating estimated Tourism revenue of \$13.9 Billion in BC to \$84 Billion in Canada. This industry is obviously a significant contributor both to employment and Tax Revenue. The numbers of operations were surprising. Areas: BC 87, Western Canada 140. Skier visits in BC were 6.4 million and 9.3 million in Western Canada.

The income generated varied substantially by the size of the resort with economies of scale being very important. Last season saw only 48% of the areas being profitable however all Heli and Cat operations reported a positive net Income, irrespective of size.

#### **DOUG FEELY: WESTERN CANADIAN SKI INDUSUSTRY**

#### Headwinds etc..

Western Canadian Labour Market is tight. Changes to the Foreign Worker programme will affect all operators. Weather has been a major challenge, particularly this last winter.

The Ski Market is challenged by changing Demographics. We heard a new term..... "**Zoomers**". Those are Baby Boomers with Zip, and they present opportunities. Do we have a few "Zoomers" in the Club?

The Millennials and younger set are not participating in the sport as much as in the past. While they have lots of first time skiers they have not been able convert them to snow lovers. Western Canada also has tough completion from Europe, and the US, in particular Colorado.

Doug took us through some slides with projections

of Ski Areas that might be classed as Sunset along with a significant number that are just Survivors. Ownership changes are frequent and small areas are at major risk when hit with a difficult snow season. Having said that significant expansion is planned at a few major resorts and new operations in Heli skiing are starting

As usual Doug ran out of time to take questions but judging by the number chatting with him

after the meeting we had considerable interest in this Topic. Maybe it was the short video on Heli skiing outside Fernie and Revelstoke that got the imagination flowing for some of our ZOOMERS.

Doug was thanked by Len Hamm and President Keith presented a Certificate showing a donation on Doug's behalf to the Stay in School Scholarship Program.

President Allan welcomed those present to the meeting which was held at the Grandstand Clubhouse on the fourth floor. Following O Canada and Grace, with no piano but our fine musical trio, President Al introduced the small Head Table of **Murray Flegel, Jack Thompson, Keith Davis and our guest speaker Doug Feely**. President Al noted that it was good to see Larry Kwong back at the meetings.

Our Bulletin Editor is **Sandy Dougall** and our Photographer is **Clive Pringle**.

**Guests: Sandy Dougall:** Sandy Dougall introduced the guests and noted the lack of Rotarian Visitors. "They are probably all standing over at Rotary House". Good to see Sam Switzer of the Calgary West Club join us for lunch.

**New Member's Auction: Lydia Lytwin:** Lydia reminded us all of the New Members Action next week at the Danish Canadian club at 5pm. She also asked us to be sure to register on line to confirm numbers or to contact **Jack Haman**. Also, Jack Haman was still looking for auction items. Are there any cottages available for a week? If there is a Flames Game that night there will be TV's available.

**President's Ball: Len Hamm:** Len reminded everyone to attend the President's Ball on May 1<sup>st</sup> at Calgary Golf & Country Club (see invitation in this bulletin). Please respond to the invitation that you have received by email or contact The President's Ball committee to attend. Let's get out and recognize the fine work of Al and all the Directors this year.

**Dream Home Moment: Murray Flegel:** At first this Bulletin Editor thought ... Murray has put on a lot of weight, only to have to find out that Murray is a frustrated stripper.

- 1st Sweater: Gordie Howe Pro Am Skate for Alzheimer's. Murray has raised \$36,000.
- 2nd Sweater: Montreal Canadians. Just to make sure we knew about last night win and the clean hit by Subban.
- 3rd Sweater: Support the Flames (No. 30? Mike Vernon?) Murray it is time for an upgrade!

Then Dream Home: **Sell, Sell.** With his referee whistle in hand, Murray encouraged us to get in the mood at Stampede and run a strong Offense,

No Defense, Take Verbal Abuse and Block any objections to Sell, Sell.

Dana Hunter wanted to remind everyone to take a look at the Champion Package that was handed out today. In addition to entries to all the Lotteries you can pick up 3 Gate passes. For \$130.00 this is excellent value. These can be bought online at:

www.calgarystampede.com/lotteries

#### **ROTARY CLUB OF CALGARY SOUTH: CLUB NEWS**

**Paul Harris Fellows: Jack Thompson:** Jack recognized the following members with PHF Pins.

**KEVIN MACLEOD PH1** 

**GLEN GODLONTON PH2** 

TERRY MCDONOUGH: PH8 MURRAY FLEGEL: Major Donor Level 2

**50/50:** Rod Bower: Rod looked after the draw for \$140 and Dana Hunter was the big winner.

<u>Sergeant at Arms: Jack Thompson:</u> Jack Thompson did a fine job of lifting some money from those who did not know very much Hockey Trivia. He also had the audacity to fine someone (Rod) for the keys that Jack found ..... Rod was using them to reserve his spot at dinner and Jack took it!

## JIMMY'S JOTTINGS

Last week is our spring break. I decide to sleep all day long and not do anything after first. But then decide to went to the Oval to do some skating. Unfortunately the Oval is close until August. It's kind of sad that I'll have to find another skating rink for me to practice skating. And I went to my Test of English Foreign Language. It's really hard and some of the words I don't even understands. But I think I did really well on my Listening and Writing. If I need to have another test I'll get a better grade for sure. The PE class take us to wall climbing to day, and we are going again tomorrow. The first time we go, they teach us how to tie a rope and the next time we are going to try to climb the wall.

#### **GLOBAL GRANT AWARDED TO RCCS**

The Rotary Club of Calgary South and the Rotary Club of El Cerrejon have been awarded a Global Grant to drill 3 wells and provide 200 people with Biosand Filters in the state of La Guajira in Colombia.

The lake in the photo looks idyllic but in the summer period it goes dry for months at a time. There are many poor farmers and indigenous groups in the area who must rely on govern-

ment tankers for their drinking water. Many of their livestock perish for lack of water. The 3 wells being planned will help keep people and livestock alive.

Two hours away, water availability is not a problem but the water supplies are very contaminated biologically. The 200 filters and the hygiene training and the follow-up visits should help reduce the diarrhea and parasites that keep young children from developing their cognitive abilities (brain development and ability to concentrate in school).

This US\$64,000 project is being financed by **Rotary Clubs** of Calgary South, Calgary and El Cerrejon and includes US\$20,000 in DDF and almost US\$28,000 from the Rotary Foundation World Fund.

#### **HIKING CLUB**

Constance, Millie, Phil, Judy and myself (Pat Farn) took our first short hike of the season on April 15th in and around the Glenmore reservoir. We were wearing jackets and there was lots of snow still on the mountains.

The Glenmore was a mix of ice and water, so spring is trying to come. Our delight was the crocuses that we found among the brown grasses.

That is a sure sign that spring is here and the hikes of this season are being planned.

We ended with coffee at McDonald's at Glenmore landing.

## **District Conference 2015**

Join over 200 Rotarians from District 5360 as we find out from John Reilly "What We should Learn About Justice From Our Indigenous People".

John Reilly is a retired judge who resigned from the bench after 33 years because he became disillusioned with the Canadian Justice system and its treatment of indigenous people.

In 1977 he had the distinction of being the youngest person appointed to be a judge of the Provincial Court of Alberta. In 1996 he attracted international media attention when he ordered an investigation of political corruption and financial mismanagement on the reserve in his jurisdiction. He has written two books, the best-selling, "Bad Medicine, A Judge's Struggle For Justice In A First Nations Community" and "Bad Judgment, the Myths of First Nations Equality and Judicial Independence in Canada."

John's mission now is to improve understanding and change attitudes in relation to indigenous people for the greater good of all Canadians.
