Water-Energy Nexus

Hugh Delaney proudly introduced our guest speaker, William Delaney, Hugh's grandson! Hugh shared the extensive education background of William and how William's football career carried him a long way. William just returned from South Africa last night and while there he proposed marriage to his wonderful girlfriend – and she said YES!! William has traveled the world (over 100 countries) and he has had the opportunity to study water and it's affects around the world. Of note – William has completed all of his studies without borrowing money , a feat that not many can claim.

William presented a part of his thesis 'Water-Energy Nexus'. All throughout time the connection of water to energy, war, survival and politics has been documented. Additionally, water and wealth are tightly connected; where there is vast water there is wealth.

William reviewed how his thesis investigated Water and the environment, Water and Energy; and Water and Society. He studied many geographical areas: California, Alberta, Australia, Southern Africa, Middle East and Southern Asia and the EU. He concluded with the following conclusions and recommendations:

- Water will govern the direction of energy
- Water will become the world's most valuable resource and commodity in the near future
- Policies must begin to become more holistic when addressing sustainable development, especially with regards to Water-Energy Nexus
- The Water-Energy Nexus can assist in a transition to a Sustainable Energy Future
- Water brings people together

Please contact William at: wdelaney333@gmail.com for a copy of the entire presentation

Ed Whitaker thanked William for his most interesting presentation. We are indeed so very fortunate to live in Calgary with its vast resources, including water. President Al presented William with a certificate showing that as a result of his presentation our Club has restored a person's eye sight on his behalf.

Luanne Whitmarsh introduced us again to Daniel Padron, Our outbound YEX Student.

“Xià wū hāo! Good afternoon Rotarians and special guests.

If you don't already know, my name is Daniel Andrés Padrón Curiel, or Chèng Dān ní, and while you may not think so, to me it feels like I have won an Oscar, so please give me a moment to give you my acceptance speech, short enough so that the music does not cut me off.

I wanted to take this opportunity to thank the Rotary Club of Calgary South for choosing me as your 2014-2015 YEX outbound student. Although my “journey through Taiwan” hasn't exactly begun, it's been unbelievable what I've had to do to get to this point. Without your kindness and support, I wouldn't have been able to fulfill one of my lifelong dreams of travel. And thanks to you, I will get to experience what most people don't always have the opportunity to do so. For example: not having access to free public toilet paper (as I heard from a previous outbound), eating insects (and in contrast perhaps being eaten alive by mosquitos), and not understanding a single thing anyone says around me for possibly a period of months. Nonetheless, the never-ending sunshine you are sending me to and being able to skip a Calgarian winter makes me think, “Well, throwing out a sock in the bathroom isn't as bad as it seems!” Whatever path I may go down, I know it will be an unforgettable experience.

I would first like to thank my parents, although they are not here, for sending their 17-year-old boy over a 15 hour time difference to have the year of a lifetime. Their love and support has allowed me to grow into a mature individual, and I wouldn't trade them for the world. An individual thank-you goes out to my Outbound Counsellor Luanne Whitmarsh

for aiding me in completing the tedious paperwork, and going through the “pre-experience experience” along my side. I would also like to thank those that interviewed my parents and I on October 28th, 2013, for giving me a call on the unforgettable date of October 29th, 2013 saying that I had been accepted into the program. As well as Fran Hochhausen, Ron Prokosch, Mark Boman, Donna Johnson and Craig Stokke for answering all of my questions and lending a hand when I needed one. A tremendous thank-you to all of those who have been a part of my life and always giving me the support I needed to get through every day with a smile.

Most of all I want to thank everyone involved with Rotary International and the Youth Exchange Program for giving not only me, but all those around the world a chance to look forward to a brighter future and as our motto says, “Change Lives”.

And as the music starts to go off telling me my time is up, and I try to fit in a few more thank-you's while being pushed off the stage, I just wanted to say that I am excited to come back in a year and share my adventures with all of you. If you want to keep up with my travels, I will be keeping up a blog: <http://taiwansformation.tumblr.com/> One last thank you to all of you. Calgary South will always be a part of my life no matter where I am.

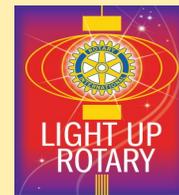

Xièxiè hé Zài jiàn!

Sharon Elizabeth Thompson
May 7, 1942 - August 9, 2014

Sharon Thompson beloved wife of Mr. Jack Thompson of Calgary passed away at Windermere, BC on Saturday, August 9, 2014 at the age of 72 years.

She was the loving mother of Lauri (Trevor) Walters of Calgary; Steve (Tania) Thompson of Vancouver and J. David Thompson of Nanaimo, BC. She will also be dearly missed by her three grandchildren, Oliver Thompson, Gabrielle Thompson and Taylor Walters. She is also survived by her brother-in-law Duane Thompson, sister-in-law Marg Thompson and their children and grandchildren; numerous Thompson family cousins and by Aunt Vera and Uncle Bert Wallace. Sharon was predeceased by her father A.W. (Bert) Taylor and mother Elizabeth (Zib) Taylor.

Sharon was born in Calgary and attended Rideau Park, Earl Grey, Central High School and Mount Royal College. She worked at Fenerty and Co., Loughheed, Ballem and McDill and later for Jack's business, Kramer Mazda. She also assisted Jack with the show office of the Calgary International Auto and Truck Show until Jack's retirement in 2008. An active member of the Calgary Jaycettes, Sharon served as president from 1969-1970; and was a member of the Rotary Club of Calgary South Partners.

She was an accomplished equestrian and was a Calgary Stampede Princess in 1961. She was also a member of the Chinook Winds Sweet Adelines since 1987, serving as president from 1992 to 1993.

Sharon was passionate about being a wife, mother and most of all, Nana. She enjoyed helping Jack with all of his community service work through the Rotary Club of Calgary South, the Alberta Motor Association and the Canadian Automobile Association.

She loved her time with the Chinook Winds chorus where she made life-long friends. As her children grew up she was their loudest cheerleader and never missed a game or recital. Most of all, her role as Nana was award-worthy. She doted on her grandchildren and unconditionally loved them with all her heart. She simply was Nana and she will be missed but remembered by all, always.

Sharon loved to travel and enjoyed trips to many corners of the world but her favorite destination was their condo at Lake Windermere where she enjoyed looking out at the lake. Jack and Sharon celebrated their fiftieth wedding anniversary in February with their children and grandchildren in Cancun, Mexico.

Memorial donations may be made in Sharon's name directly to the Heart and Stroke Foundation of Alberta (www.heartandstroke.ab.ca) or the Calgary Rotary Clubs Foundation (email: kathyann@rotarycs.or or 403 244 9788).

Condolences may be forwarded to www.mountainviewmemorial.ca

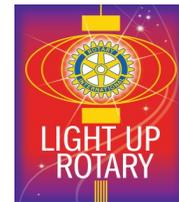

A Celebration of Sharon's Life will be held on Saturday, August 23, 2014 at 2:00 p.m. at Eden Brook Funeral Home, 24223 Township Road 242 (17 Avenue SW and Lower Springbank Road), Calgary.

Arrangements entrusted to Mountain View Memorial Gardens, Crematorium and Funeral Home, 1605 100 Street SE, Calgary, AB T1X 0L4 Tel 403 272 5555

Youth Exchange: On Sunday, August 17th Linda Legare (Partners President), Al Johnson (Rotary South President), Wendy Johnson, Len Kushner, Daniel Padron, Arlene Flegel and myself Susan Brick, were at the airport to greet our newest exchange student, Jimmy. After a couple of false sightings we welcomed Jimmy to Calgary and presented him with a White Hat pin and several Canadian flags to start him on his jacket which looked a little bare! We are looking forward to hearing about his family and country when he attends one of our

meetings. If you are able, we would love to have our members entertain him or host him during his year in Calgary. Jimmy loves basketball and is into computers. He will be attending St. Mary's school.

ROTARY POLO FOR POLIO IS CHANGED TO AUGUST 30th AT BLACK DIAMOND

SEE DETAILS HERE

In view of the clash with Sharon Thompson's Celebration of Life service at 2pm on Saturday, we are postponing the Rotary Polo for Polio match to 1pm Saturday 30th August at the Black Diamond Polo Club.

This long weekend (Labor Day Weekend) there will be some 12 teams competing for the Bill Leslie Memorial Cup and the 10th Anniversary Cup over Sat Sun and Monday.

Polo will be continuous each day from 10am through til 5pm. Rotarians are welcome anytime over the whole long weekend. Players will come from Saskatoon, Grande Prairie, Kelowna and Calgary.

However, we will have one match from the tournament at 1pm on Saturday that will be announced as the Rotary Polo For Polio Cup. We will present the Cup after the match in front of the clubhouse.

If Rotarians do not bring their own picnic lunches prior to this match (they are encouraged to do so!), there will be some available at our reasonable cost. There will be water, pop and beer available on a donation basis from the club. We just need numbers by Thurs 28 Aug please.

The entry fee for Saturday will be a voluntary \$20 or more donation to the Rotary End Polio Now campaign. Most of these funds collected by Rotary are matched by the Melinda Gates Foundation. Thank you

Stephen Cobb
