EDITOR: BEV OSTERMANN

PHOTOGRAPHER: STEVE MASON

Bryan Walton introduced the video profile of **Terry Allen**. He thanked **Jamie Moorhouse** and **Steve Mason** of Talking Light Video, who did their usual great job in producing the video.

Terry can be described as the original Beakerhead, because of his long involvement in science education (30 years) and youth science fairs (50 years). He was instrumental in forming the Calgary Youth Science Fair and was Chairman of the Canadian Youth Science Fair for 2 years. He has been involved with our Stay In School Program since its inception in 2000.

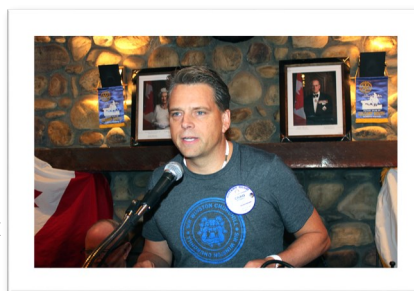

The link to the Terry Allen profile (and all other profile videos) can be found on our website and Here is the link for you to view again if you wish to do so:

<https://vimeo.com/201199600>

Terry gave us a few words after the profile was shown:

First of all, I would like to thank **Sharon** for her support over all these years. I would also like to acknowledge that **Bryan Targett** is the person who actually initiated the Youth Science Fairs, and is the one who brought me into the program. **Bryan Walton**, **Jamie Moorhouse** and **Steve Mason** are responsible for the profile videos. I think that everyone of us who has witnessed the work that **Jamie** and **Steve** do to make one of these videos can be truly thankful that they are Members of this Club. They have put in an incredible amount of work to make these very professional videos.

Craig, if I had tried to wear my tee shirt from Churchill days, I am sure that it would not fit. It was nice to see pictures of when I had hair. I was pleased, however, that they didn't use all of the pictures that Sharon gave them as some were not too flattering, or that they didn't dig into my childhood too much. They may have found that I, along with a young friend, had tried to burn down the bridge in Virden. Purely an accident of course – kids playing with matches.

HEALTH AND WELLNESS: Contact Hugh Delaney at: hughdelaney02@gmail.com or: 403 819 4872 if you know of anyone that is not well or is there anyone you know that could use a visit.

My father was a railway telegrapher in Virden, eventually moving to become the freight agent in Calgary. He was a Rotarian in the Calgary Club, so I have been part of the Rotary family for many years. My mother was a nurse in Virden and a stay at home mom in Calgary. I attended Crescent Heights High, then the University of Alberta in Calgary and in Edmonton.

I started my teaching career at Connaught Jr. high, then Mount Royal Jr High, Administrative Assistant in the CBE central office, Assistant Principal at Viscount Bennett, first Principal at H. D. Cartwright Jr.

High, then Principal at Bowness High, Winston Churchill High and Western Canada. After retiring I went back to work for the Science Alberta Foundation for 6 Years. I continued to volunteer with Science Fairs, but I also served on the Education Committee of the Calgary Foundation and then was Chair of the Grants Committee for 9 years.

I am proud of the fact that over my 34 years in Education, I think I have had a major impact in helping thousands of young people to achieve their education goals. Two of the grads from Winston Churchill, Craig Stokke and John Labun, are Members of our Club. And, of course, the SISF in the Club is a significant program for students and I am gratified that I have been part of that program.

During the past 26 years Rotary has become an important part of my life, and it has allowed me to make many new friends, both those of you sitting in this room and other Rotarians I have met at Peace Park and conferences. Waterton Glacier International Peace Park is an important aspect of Rotary to me and serves as an example of what can be accomplished regardless of borders. My time as Chair of that organization was very rewarding for me. I would also like to thank those who served on the Board of Directors during my Rotary Year. Their assistance and dedication was very much appreciated.

We do great work in Rotary and we must all be proud of the commitment we make to our Motto – “Service Above Self”. I truly appreciate the opportunity to continue to serve and thank you for this honour.

Past District Governor Ken Copithorne thanked **Terry** and **Sharon** for their help and support during his year, which was both the Rotary Centennial Year and the Club’s Golden Anniversary, with many events and projects.

President Ken noted that he had served on **Terry’s** Board during his Rotary Year and was impressed by his leadership. Now that he is President the ability to reach out to Past Presidents such as **Terry** for advice and guidance is much appreciated.

“On behalf of the Rotary Club of Calgary South I would like to express our gratitude to **Terry** and **Sharon** for 26+ years of Rotary service...”above self”.

It is Rotarians like you, **Terry** and Rotary Partners like **Sharon** that makes our Club’s community service work meaningful and recognized far beyond the boundaries of this room. In recognition of your presentation today, we have donated \$500 in your names to our Stay In School Program Foundation. Thank you, **Terry** and **Sharon**, for your incredible devotion to our community through the Rotary Club of Calgary South.”

President Ken Farn opened the meeting by asking **Lisa Fernandes** to accompany us in the singing of O'Canada and Rotary Grace.

Head Table: Bryan Walton, Sharon Allen, Terry Allen, Ben Steblecki, and Sergeant at Arms **John Fitzsimmons**.

Guests: **Ben Steblecki** introduced our visitors and guests. Today they included special guests: **Sharon Allen, Susan Huvenaars** and **Past District Governor Steve Rickard**.

Health and Wellness: **Teri LeClair** is recovering from her heart surgery and is doing well. There is a copy of the obituary in the Bulletin regarding the Celebration of Life for our long time member, Wayne Smith.

Susan Huvenaars:

President Ken introduced **Susan Huvenaars**, who is a Career Consultant at St Mary's and Father Lacombe High Schools. She is a previous Rotarian in Yellowknife, where amongst other responsibilities, she led an Interact group, ages 12 -18, on a field trip to South Africa. She has agreed to come and share some of those experiences with us. **Susan** is a guest of **Dorothea Schaab**, who is our Interact Liaison with our St Mary's partnership.

I was a member of the Yellowknife Rotary Club for 17 years and occupied most positions.

In October 2008, Interact was created at the school where I was working as a career practitioner.

In 2011 and 2014, members of the Interact Club travelled for three weeks to South Africa. We chose South Africa as we could develop an ongoing relationship with a school and Interact club in Richards Bay, and we had a personal contact with a friend who also volunteered there.

We were hosted by families of Grantleigh School, and stayed in their boarding facilities while we were in Richards Bay. We did a number of volunteer activities and some tourist activities as well, including a safari. We also spent a week living and volunteering in Soweto, which is the poorest town in South Africa.

In December 2012, a group of students from Grantleigh visited us in Yellowknife where they were hosted by us, volunteered, attended classes, and were good tourists, being introduced to a Canadian winter.

When we returned in 2014, we went back to many of the places we volunteered, and also spent some time in Cape Town and again in Soweto (also finally got to see an elephant in the wild).

What will I remember most? The friendships we made, the beauty of the country, and the spirit of the people – many had nothing, but had everything.

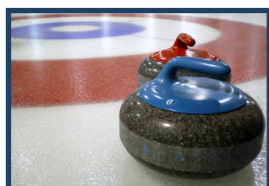

District Conference: New Directors are urged to attend at least some of this year's District Conference in Red Deer in order to gain a better understanding of what is going on in the District and some of the interesting projects being undertaken by other Clubs. Please note that the discounted registration fee is over on Jan 31st.

Club Functions: President Ken thanked Jim Hutchens for organizing last week's Robbie Burns luncheon. He also thanked Toby Oswald-Felker, Tony Ng and the Social Committee for the very successful Larry Kwong's Chinese New Year dinner. The annual Valentine's lunch is coming up, on Feb 9th. Get your tickets early as there is a limit.

Rotary Atrium: President Ken attended the kickoff luncheon at Mikkelsen House, the Bethany Care facility next to the new Riverview facility. Our pledge of \$300,000 brought the total pledged to date to over \$500,000 in support of this high quality project.

Calgary West: Steve Rickard gave us the details on their annual Valentine's strawberry shortcake campaign, which raises \$25,000 in support of their Club's projects.

District Curling: Mark Ambrose announced that the District Curling Bonspiel is coming up in late February and sponsors are needed. They are expecting at least 200 Rotarians and partners at the event. There are further details in the Bulletin.

50/50 Draw: Jim Cairns awarded the 50/50 draw to Don Mintz.

Dream Home: Craig Stokke started by noting that he was wearing a Winston Churchill High School tee shirt in honour of Terry Allen, his principal many years ago (and it still fits!). This is the 40th year of our Dream Home project, and we still have a few Members that were involved in Year 1. There have been many changes over the years, but this year there are none, so the emphasis will be on making our processes better and more efficient.

Sergeant at Arms: John Fitzsimmons started out by fining Craig Stokke for wearing a tee shirt and jeans to the lunch. Ed Whittaker got some sympathy for the fire that destroyed his Symons Valley Market this morning.

Al King's table got fined for the privilege of sitting next to Al's Trump supporter ball cap. A noisy table in the corner was fined for keeping Charlie Goldsborough from hearing Mark Ambrose's curling announcement.

Jack and Myrna were welcomed back from their very special Hawaiian holiday. Congratulations! And congratulations to Myrna on her retirement.

Wayne Dean SMITH

**"When he shall die,
Take him and cut him out in little stars,
And he will make the face of heaven so fine
That all the world will be in love with night
And pay no worship to the garish sun."**

Wayne passed away peacefully on January 18, 2017 at the Colonel Belcher in Calgary.

Born on September 25, 1920 in Milk River, Alberta to Harry and Francis Smith, he grew up skating and swimming on the river.

Wayne wanted to be in business since childhood. His first venture as a teenager was selling Liberty magazines. At the age of 18 Wayne attended Garbutt's Business College in Calgary. After graduation he joined the [army](#) on August 30, 1939. Assigned to the Corps of Military Staff Clerks, he worked in Calgary and Ottawa until his discharge in June of 1947.

A family man, Wayne married his beloved Ethel in 1946. They were happily married for 49 years. Together they opened Smith's Grocery. Eager to embrace new challenges Wayne started at Associated Grocers. With one truck driver and an accountant Wayne developed the business into the largest wholesale grocery company in western Canada and the second largest in Canada, employing around 800 people when he retired.

A longtime member of Rotary he valued people and friendships. Wayne was a man of faith and a great believer in the power of positive thinking. Often imparting words of wisdom such as "keep your eye on the doughnut and not on the hole."

He loved westerns because the good guys always won. An avid gardener, Wayne was also active in golf and swimming. We lost a true gentleman with a kind spirit whose sparkling blue eyes embraced every aspect of life.

He was predeceased by his wife Ethel, grandson Justin, brother Don and stepson Nigel. He is survived by his daughter Candace, granddaughter Solveig (Giovanni), great-granddaughter Sophia, stepson Lawrence (Pat), grandchildren Debra (Art), Laura (Pete), Brent (Kelly) and Mark (Sherolee), Dean (Lena), Craig and numerous great-grandchildren, nieces and nephews.

Thank you to Dr. Donovan Kreutzer and the staff of the Colonel Belcher on the Dover and Strathcona units for the compassionate care provided to Wayne. A special thank you to Dr. Lisa Morrison for her help over the years.

A Commemoration Gathering will be held on Tuesday, February 7, 2017 at 2:00 p.m. at Eden Brook Funeral Home (corner of 17th Avenue and Lower Springbank Road).

In lieu of flowers, a donation may be made to the charity of choice. Condolences may be forwarded to the family by visiting www.edenbrookcemetery.ca Arrangements entrusted to EDEN BROOK FUNERAL HOME (24223 Township RD 242, Calgary, Alberta 403-240-4032).

Currently only 16 people have signed up for this position. We need you, your friends, your family etc. for only 4 hours on Saturday morning March 25. It's a LOT of fun for a great cause. Basically all you have to do is cheer the runners on. Easy eh?

Some of our own Rotarians: Past President Murray Flegel and John Price were hanging out at Rotary Club of Kihei –Wailea in Hawaii spreading the good word about our Rotary Club of Calgary South

Bring your Spouse, Bring a Friend!

We'll be host a morning jog or walk as well. Did you know within the city limits of Red Deer, we have over *100 km of trails* for walking, jogging, biking, or horseback riding!
