Jim Hutchens introduced our guest speakers; Staff Sergeant Martin Schiavetta and Detective Colin Harris from the Calgary Police Services.

Staff Sergeant Schiavetta and Detective Harris talked about how marijuana and cocaine use is less in Calgary, but still prevalent. He said that the increase in Meth, OxyContin and Fentanyl is very prominent. He said that the drug overdoses have increased; 11 people died as a result of Fentanyl use last year and that total is expected to go to 30 people this year.

The cost of drug use is putting pressures on the police costs, health costs and also the social cost. The increase in pharmaceutical drugs is very alarming as the dealers are making a huge profit on these drugs of choice. The increase in street violence is directly related to 'drug wars' that are playing out in our communities.

Each of the drugs come in several forms and they are sold the best way to make a profit for the dealer. Unfortunately the drugs are very accessible in all areas of Calgary. In fact, many dealers will swallow whole cocaine to hide it from the police – and when it comes out the 'other' end, it is then resold (ick!).

There are a lot of 'poor mixed drugs' that are putting people's lives at risk by putting dangerous additives like bath salts in the mix.

## CALGARY POLICE SERVICE: DRUG AND VICE ADVICE

Fentanyl is the drug most worrying the police at this time. The drug typically comes from China, where it is not regulated. The favored shipping method is through air. It is highly addictive, alters personality and is 100% more powerful than morphine. There was a very successful drug seizure at the airport recently that kept a huge amount of this drug off of the street. An example of the dangers of this drug; this past weekend alone Vancouver had 8 overdoses happen.

Although there is lots of chatter about how marijuana is not a start up drug, research and real examples show that most users of hard drugs started with marijuana and still used at the same time with the hard drugs.

Drug dealers used to 'specialize' in a particular drug – but now they are selling all the types of drugs and profiting from the proceeds in a mammoth way.

The officers said that they need more resources – but they especially need more community partners to help in the prevention and education areas. They suggest that local, provincial, national and international coordination is the only way to combat drugs and the fall out of drugs. They thanked our Club for taking the time to learn about this very important issue.

Keith Davis thanked the officers for bringing this very important matter to our attention. He said that he knows that the resources are not sufficient and thanked them and the whole Calgary Police Service for how they work tirelessly to keep us all safe. Keith thanked them for an outstanding job and a great presentation.

President Murray also thanked our speakers and our Club will donate \$100.00 to the Stay in School program in their honor.

Staff Sergeant Martin Schiavetta

## RCCS: CLUB NEWS

**President Murray** began the meeting by advising us that the ice cream cone was invented in 1904 on this day and that today is National Hotdog Day. President Murray asked everyone to join himself and Lisa Fernandes in the singing of O Canada and Rotary Grace.

**HEAD TABLE:** Glenn Potter, Luanne Whitmarsh, Neil Magee (3 of the new Board of Directors for this year) Jim Hutchens (introducing the guest speaker), Staff Sargent Martin Schiavetta (guest speaker).

**GUESTS:** Jack Haman invited each of our guests to 'enjoy their moment in the sun' while our Club enthusiastically welcomed you: Staff Sargent Martin Schiavetta (CPS), Detective Colin Harris (CPS), Sharon Allen, Ian Burns, Sam Demaire, Leon Popik, Chloe Dusse, Joe Armstrong and Gordon Stokke.

**STAY IN SCHOOL GOLF TOURNAMENT:** Len Hamm announced that the golf tournament is **SOLD OUT!!** Thanks to everyone for golfing, volunteering and helping to get sponsorships and prizes.

**CLUB NEWS AND DUES:** Larry Kennedy (who stated that his wife says when the Treasurer takes to the podium it is not good news!!) advised us that it is important for Club members to understand there are 2 separate accounting organizations that must be kept separate to meet the CRA guidelines:

- **Club service:** we have been running a deficit for over 3 years and have used our reserves to the point that we needed to increase the fees. We are also looking at cost saving strategies at the same time. The District and International fees have increased and there is a cost to the convenience of having so many transaction via credit card (where we lose 2 – 3% per transaction)
- **Community service:** we give every penny to charity.

## DREAM HOME: Dana Hunter

**Dana** thanked all the people for their volunteer hours and for those in their networks who also helped make the year very successful. Dana and others met the new winner who has now decided to keep the house as he loved it! She presented President Murray with the initial cheque of \$100,000.00 (who VERY quickly passed the cheque to Larry Kennedy!).

## RCCS: CLUB NEWS

**FUTURE FUNDRAISING:** President Murray stated that he has a team working on a replacement fundraising event that will replace the new member's auction and will have further updates at a later time.

**ST. MARY'S PARKING:** Earl Huson (who was chided about never being able to only say a 'few words'!) announced that although he struggled getting all the shifts filled. We get half of the \$18,500.00 that we made – and that this money goes to Club operations. He specifically thanked Trish Terrill for working 4 shifts and Art Borzel for being the Treasurer for several years.

**50/50 DRAW:** Michael Zacharki gave \$145.00 to the happy winner Roxy Acheson (who was accosted by the Sergeant Arms (Jack Thompson) on route back to her table!!)

**SERGEANT AT ARMS:** Jack Thompson was ruthless today!

He focused on the Dream Home and Stampede Lotteries and made every single person pay today! He got quite a reaction when asking for a vote on the rectangle tables – to which it was clear the round ones are the preferred!! Jack let us all know that the round tables are back real soon! Jack also quizzed some members on the new Committee listing and after some vacant looks on faces and pockets lightened up – he announced that Kathyann or .... Kathyann could be contacted for clarification! Just kidding: you can contact President Murray if you have any concerns regarding your committees.

President Murray closed the meeting reminding us to BE A GIFT TO THE WORLD and enjoy the rest of your day!

## HIKING CLUB ... SUBMITTED BY PAT FARN

We navigated a creek bed and came to our 1st waterfall where we shot this group pic.

July 22: 6 hikers explored James Walker Creek (Kananaskis). We enjoyed flowers and a sighting of a Spruce Grouse with 2 babies. At lunch we took shelter under trees as a dark cloud threatened a downpour

Blue skies prevailed and we continued on the trail around a mountain lake.

That was followed by a spectacular series of waterfalls and finally a karst waterfall with no apparent source.

We had to get over deadfall which is a challenge for short legged hikers. We encountered sheep on our way for ice cream. All in all, it was a wonderful day and a fantastic hike.

## PARTNERS IN PRINT

Please note that there will be a board meeting at the home of **Betty Stein** on August 26th at 10:00 am. We will organize our events for the year and consider any new suggestions. Meanwhile we have our Dream Home activities to keep us busy and summer to enjoy.

## A.Y.E. CAMP AND CONTACT INFORMATION

### Alberta Youth Entrepreneurship Camp

Hi, we are looking for a student from the Calgary area to attend the Alberta Youth Entrepreneurship Camp this year.

If you know of anyone that might be interested and eligible to attend camp (lives in Calgary area and is 13-15 years old) please pass their name and contact information along to me. We are very eager to have spots filled by Campers that come from the Calgary region and, as such, we have kept a few spots open for these individuals.

Please remember that there is no cost to the Camper to attend camp as it is open to anyone. The dates of camp are August 16 – 22 inclusive and it takes place at Eagles Nest Ranch in the Cypress Hills. We will pick the kids up in a coach bus and parents are invited to the last day of Camp to buy the products the Campers made as well as pick up their children.

Thanks,

Craig Stokke
