The Rotary Clubs of Calgary assembled at the Carriage House Hotel on Wednesday November 11th to take part in Rotary Remembers.

The event was directed by Lieutenant (Ret) Roger Frayne who kept the proceedings moving along and in a couple of cases ahead of schedule which allowed for more fellowship!

Roger opened with a touching personal story of his recent trip Normandy with his ailing father to see the burial place of his great grandfather who was killed in World War 1. Roger reflected that it was an experience he will never forget seeing the war cemetery's and seeing his Great Grandfather's grave marker.

We opened the meeting with the National Anthem and a blessing by Vic Cable.

District Governor Martin Harvey delivered the Meaning of Remembrance Day.

Our own Stephen Cobb (Ret) read the poem "*In Flanders Fields*".

Technology did not let us down when the scheduled Bugler was unable to perform Reveille, Roger found the tune on his blackberry and held it up to the microphone! Although difficult for most to hear, it was a great last minute savior!

We all held our silence for a couple of minutes to reflect on what the day means to us all.

Stephen Cobb then read the poem "*They Shall Not Grow Old*"

ROTARY REMEMBERS ...

Lieutenant Colonel (Ret) James Hennessy introduced our guest speaker: Major Chris Hunt, Kings Own Regiment. Major Hunt has extensive Military and Civilian experience and he shared some of the history of the Armed Forces in Canada as well as the history of the Kings Own Regiment and the heroes that served with this Regiment.

Some interesting statistics that were highlighted in his presentation were:

WORLD WAR 1:

Canadian Population: 8 million. Served: 625,000 Killed: 61000 Injured: 154000

WORLD WAR 2:

Canadian Population: 11 million Served: 1.1 million Killed: 42000 Injured: 54000

KOREAN WAR

Population of Canada: 14 million Served: 27000 Killed: 516 Wounded: 1000

AFGHANISTAN CONFLICT

Canada Population: 34 million Served: 40000 Killed: 158 Injured: 2000

Major Hunt commented that due to advances in urgent care in places of conflict the number of deaths has decreased and survival chances for the wounded is greatly reduced.

Canada has been Peacekeeping around the world since 1946 and continues to do so and since 1946, there has been 125 soldiers killed. This reminds us that the job of a soldier is still very dangerous but important to the protection of Canada and the rest of the World.

Major Hunt answered many questions from the crowd and was given a rousing round of applause for his very informative presentation.

We enjoyed fellowship and an excellent meal.

ROTARY REMEMBERS: IN FLANDERS FIELDS

In Flanders Fields

by John McCrae

In Flanders fields the poppies blow

Between the crosses, row on row,

That mark our place; and in the sky

The larks, still bravely singing, fly

Scarce heard amid the guns below.

We are the Dead. Short days ago

We lived, felt dawn, saw sunset glow,

Loved, and were loved, and now we lie

In Flanders Fields.

Take up our quarrel with the foe:

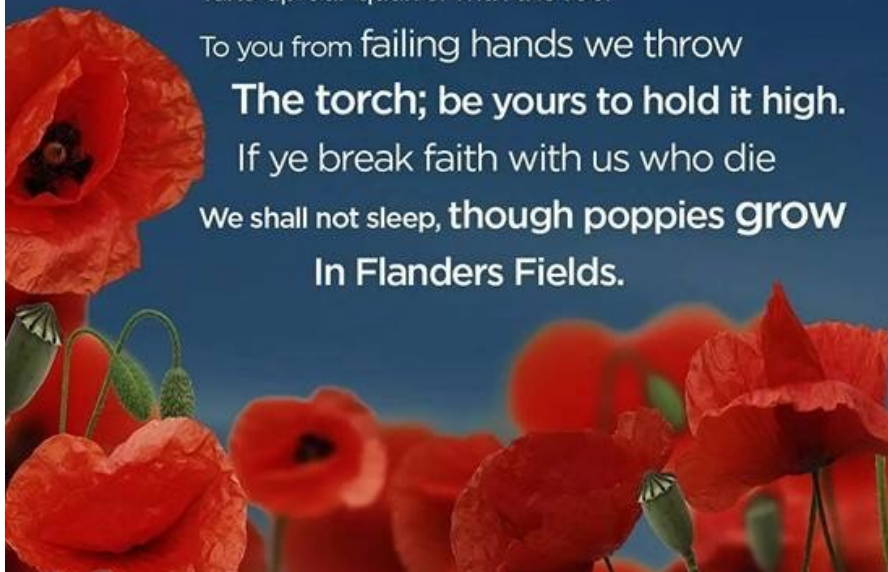

To you from failing hands we throw

The torch; be yours to hold it high.

If ye break faith with us who die

We shall not sleep, though poppies grow

In Flanders Fields.

ANNI'S ADVENTURES

My adventures two weeks ago, forgot to send this: Hey! Halloween did its job. Candy is coming out of my ears. Hope that you had a great Halloween too! I am living in Rick and Donna Jakubec's place right now because Brick's are taking a time off in a cruise in Mexico. So on Saturday night we went to have a delicious dinner with their family including too little cute grandchildren with whom we went trick and treating! (I went trick and treating myself later too with my friends from school though. And yes we were too old for that and I felt little bit embarrassed when I knocked some strangers house and asked for free candy...but I've never done that before. So we only live once right? I didn't know that we are going to do that so I didn't have any costume on when Donna dropped me off in front of my friend's house. But no problem, my friend made me look like a scare crow in 5 minutes with little bit of face paint.

Before the dinner Rick took me watch my first football game in ever!! It was in McMahon Stadium. Calgary Stampeders against Saskatchewan rough riders like you probably know. I really enjoyed watching the game! I actually think I got the idea pretty well when Rick explained the rules for me.

And now, my last week: On weekend I was with Sara and on Saturday after my game, we went to watch the newest James Bond! It was so good and actually my first Bond movie ever! I should watch those others too.

On Monday I was knitting with Donna's knitting club. And when I told that to my friend, he said "That's like the last thing I'd think you'd do." But ask Donna, I think I got it pretty quickly. Last time I knitted was maybe in junior high when we did that in handcraft class.

Remembrance Day I spent with Rotary and I got much new information. "Lest we forget" In Finland we have also kind of similar kind of day in December. We call it Independence Day. Other things I've done this week... well ringette of course and we actually had a game on Wednesday and I have also been couple times in the gym with Rick this week. Now I'm back in Brick's house. They seem pretty relaxed and tanned after their warm holiday in a cruise. Many thanks to Rick and Donna for having me, I had a great time with them! And more about moving... I'm moving to my second host family on Sunday. I will go to Murray and Arlene Flegel's house! I hope they are not too afraid of me yet. I'm so grateful for Susan and Paul for hosting me these great three months. They fed me pretty well (they both are very good at cooking) and drove me all around the city to my ringette things and helped me in many situations and things when I needed the help. I had fun with their dog Jasper too so I hope we will see each other in the future too. Like Canadian people are saying pretty often: Thank you.

Anni

BOOK CLUB

On November 5, some of our book club ladies attended The Bob Edwards Award Gala at the Fairmont Palliser. Jim and Pat Burns' generosity shone through as we were treated to a wonderful evening celebrating the Calgary Public Library Foundation's signature fundraising event. Brett Wilson was presented an award for his philanthropic relationship with the library and his speech was very inspiring. The Partner's support for the It's a Crime not to Read program is just one way a difference can be made for children who would miss the magic of reading books. Our annual Book Sale held at our September Coffee Party raised \$182.50, which is a nice top-up to our annual donation. Again, thank you Jim and Pat for allowing the Partners to be part of such a wonderful evening.

Our next book club is NOVEMBER 16 so you must let me know by NOON ON NOVEMBER 12 to reserve a spot at the Calgary Golf and Country Club. Email me at wandamcneil@shaw.ca OR call me at 403-217-8407. The meeting starts at 9:30 and I look forward to seeing you on Monday, November 16. Please bring forward any ideas you may have for a book selection for our discussion.
