ROTARY REMEMBERS

GUEST SPEAKER: MAJOR JAMIE MILLER

Rotarian Garry Miller introduced our Guest Speaker, his son Major Jamie Miller. Major Miller joined the military in 1985 as a naval officer and in 1988 was posted to his first assignment on the H.M.C. Assiniboine. In 1991 he graduated from the Canadian Forces Fleet School as a Director of Underwater Warfare and was posted on the H.M.C. Huron in 1992 in the Pacific.

Major Miller then went to the Intelligence Branch as an officer with 2 tours of duty in 1992 and 1997. He was released from the Canadian Forces in 1997 and returned to military service in 2003 as a Senior Intelligence Officer assigned to the Air Force. He served as a Future Capability Officer and Intelligence Analyst during the Afghan mission. In August 2012 he was posted with the National Geospatial Intelligence Agency.

Major Miller gave a very informative presentation on the current state of the war in the Middle East. He spoke in detail about what the real problems and risks that ISIL is creating in Iraq. Major Miller advised us that Canada's Military is very highly regarded around the world and especially with the U.S. and Great Britain.

We are attaching a pdf copy of the slideshow presentation with this bulletin in order to provide only accurate information.

This may not be reproduced in any way without the express consent from Major Miller, as per his request.

Rotary Club of High River

October 25, 2014

The Rotary Club of High River would like to thank you for your recent contribution to the George Lane Park Revitalization Project. We are close to completing Phase 1 of the project and everyone in town agrees the park looks magnificent, especially our new Rotary Playground. The Light-Up George Lane Park Celebration is scheduled for Dec. 5th, the night of the Rotary Sponsored Annual Santa Claus Parade. On that night we will turn on Christmas lights and displays which will transform the park into a winter wonderland, the final Phase 1 work for 2014. Phase 2 plans for 2015 are yet to be finalized but we expect to complete further enhancements to the park.

We are very grateful for Rotary's support for our town since the flood of June, 2013. The support has truly made a difference and will provide a lasting legacy for Rotary in George Lane Park and the town of High River for years to come.

Thank you for your support for the George Lane Park Revitalization Project
