## Jolayne Houle: Alberta Theatre Projects "The World Behind The Curtain"

Heinrich Heinz introduced our guest speaker, Joanne Houle. Jolayne is the head of Wardrobe at Alberta Theatre Projects. She was educated at the University of Lethbridge and received her B.F.A. in Technical Drama, focusing on costumes. Jolayne also holds a Diploma from Lethbridge College in Fashion Design and Merchandising. She worked on many University productions and was a Wardrobe Assistant and occasional designer for Stage West prior to her current position at ATP.

With Hallowe'en upon us Jolayne thought it was timely to tell the club about the world of costumes for professional productions, such as Alberta Theatre Projects. She is the Head of Wardrobe and involved in the costumes for 5 productions annually. She was excited about the upcoming Christmas production of "Charlotte's Web" and encouraged everyone to come out and enjoy live theatre. Her work involves close collaboration with the Director as well as the Costume Designer to ensure their vision is achieved through the costumes and makeup. She oversees a group of "stitchers" who make the costumes and is also responsible for the wigs and makeup.

There are numerous changes of costumes during the play and this can be a challenge for the Dresser backstage and the actor who has a few seconds to change and return to the stage. She shared an amusing story when she was helping an actor change costumes with only a few seconds to spare and the zipper got stuck. She managed to get the new dress on the actor and simultaneously rip the zipper off the other costume so the actor could shed it as she stepped back onto the stage with the audience none the wiser!

Jolayne showed some masks she has made and spoke of the various materials used to create both masks and costumes. The Wizard of Oz production won best costume award.

Hugh Delaney gamely agreed to volunteer as she dressed him in a munchkin costume. Amid catcalls, whistles and applause for Hugh she completed the outfit with a lion's mane! It looked great!

Jolayne ended the presentation by expressing that although there is not a lot of money in the theatre business, she has a passion for the theatre and her work in it.

Dana Hunter thanked the speaker for her timely presentation and expressed the gratitude of the club for her enthusiasm and passion in helping to create the mood in live theatre. Dana also suggested a title change of "Textile Engineer".

President Allan also thanked Jolayne and provided her with a certificate signifying that a \$100 donation in her name has been made to the Stay in School Scholarship fund.

**Thank you to Hugh Delaney and Elly May Clampett (Shellie Marshall) and Jed Clampett (Norm Devitt) for getting into the spirit of Hallowe'en and allowing us all to play different characters today**

**Rotary Remembers: November 11th:** Jim Fitzowich reflected on a picture in the Calgary Herald of the young son of the soldier tragically killed last week and our freedom of assembly which can be taken for granted. The Rotary Clubs of Calgary have chosen to assemble together on November 11<sup>th</sup> as a public show of support for our past and present military. Remember to register online with ClubRunner for this All Clubs event at the Carriage House Inn. There will not be a meeting on November 13. Jim advised that the Doors open at 10 am at the Carriage House and the program starts at 10:30 am. There will be a sit down luncheon following the program and the event will conclude between 1-1:30pm. Each Club will read out their list of members, past and present who have served in the military. Major Jamie Miller will be the guest speaker. The cost is \$25.00 and guests are welcome. There is a 600 person capacity.

**Sergeant at Arms: Dorothea Schaab** did a great job of freeing up some Rotarian's cash with Rotaract questions. She started out by fining both of the Greeter "Hillbillies" (Norm Devitt and Shellie Marshall) who challenged the Club Members by giving them the wrong names today and so were "challenged" by Dorothea to contribute some money. Well done Dorothea!

**Calgary Rotary Club Foundation ("CRCF"):** Sherry Austin reminded the Club that it was CRCF Month and that there are no administrative costs for this foundation. All donations are tax deductible. The Foundation has a \$100,000 goal this year and there was \$29,000.00 donated today. Today we honoured Penny Leckie as a new Benefactor. Thank you Penny!

**Stamps Tickets:** Dick Shaw generously donated two tickets to the Stampeders game this Saturday November 1st. Game time is 2pm and it is Fan Appreciation Day. **Ken Copithorne** reminded the Club that it was their last regular season game and as an added bonus you could get to see the world's "fastest cow". Tickets included a parking pass. As usual, Ken ably auctioned the tickets to **Terry McDonough** for a sum that will go to the Stay in School Foundation.

Meeting adjourned by President Allan with a reminder to  
*"Light up Rotary".*

**ON OCT 18<sup>TH</sup>, BOB WIENS AND CAPD (CANADIAN ASSOCIATION FOR PARTICIPATORY DEVELOPMENT ) co-sponsored a one day seminar on Household Water Treatment using Bio Sand Filters. Our partner ASODISPIE along with Rotary Clubs of Bucaramanga Sotomayor and Bucaramanga Ritoque helped bring it off. Special thanks to Dr. Luis Homero Alvarez and his colleagues from the Sotomayor club for handling registrations. Thank you to ASODISPIE and Alba Saavedra, their administrator, for taking care of much of the logistics.**

The seminar was held in the new open air space at ASODISPIE which was a joint project between ASODISPIE and Rotary Club of Bucaramanga Ritoque. The site provided a great ambience and its proximity to the filter production space next door allowed the group to pass from classroom to workshop and back.

We started off with an overview of Household Water Treatment and the impact it can make in small villages and hamlets. For example in the state of Cordoba, 50% of the cases coming to Emergency are for diarrhea

caused by Rotavirus and other parasites and bacteria. Household water treatment reinforced with hygiene lessons will go a long way to reducing this number. Most peri-urban and rural areas in Colombia have similar problems. Bob led the group through the various challenges to provide a sustainable solution and why the BioSand Filter is the most sustainable option for the filtration component (30 year lifespan, no ongoing cost, nothing to replace).

The group consisted of 27 Rotarians from Barrancabermeja, San Gil, Ibague, Cucuta and Bucaramanga plus a couple gents from Red Cross and the Mayor of the municipality of Guapota (near Socorro). Everyone was there because they knew of a population that needed help with water treatment.

The classroom was situated next door to the workshop where ASODISPIE is building filters and so the group could pop over periodically to see the production process happen. (Dismolding a filter done the day before, mixing concrete to make a new filter, etc.).

We reviewed the various steps after the filter comes out of the mold and also had a look at some of the rejects and discussed why they were rejected.

Because each attendee had some needy population in mind, they were very animated in discussing how to do their own projects and the kinds of materials and resources available. Many asked if CAPD would provide on-site training and consulting to their home clubs.

The group got more focused as we discussed how to finance such a project. The Mayor is a good friend of some of the Rotarians and got pretty excited to learn how a project financed by Rotary Clubs and leveraged through the Rotary foundation could actually use a municipal contribution and have it leveraged by the Rotary foundation as well.

Final feedback was very positive. Four days after the seminar Bob received a proposal for Rotary Club of Calgary South, from the Rotary Club of New Ibague to do a project

to serve 350 families, starting mid 2015.

Another proposal is expected from the Municipality.

A very useful and successful seminar!

## Jimmy's Jottings ...

This week is our scream fest. On Friday the exchange students get together at Chinook and hang around after that we went to a movie called gone girl. It's very scary, but it's not a scary movie. I don't like scary movies. But this movie is really good. It's like telling the boys not to cheat on girls.

On Saturday, we have a meeting called "Make Dreams Real" the speech is really fun. Then we go Bowling, I am not really good at this but I like it. On the scream fest, first I think that I might scream in the hunting house because I am not really brave, but I laugh inside. The hunting house is not as scary as I think. After that we boys stay a little up and play a lot of card games. On Sunday, we have a great breakfast and everyone went home.

## **OCTOBER CALGARY ROTARY CLUBS FOUNDATION (CRCF) Month For Calgary South**

***“Leaving your money in your own community to help those in need.”***

### **What is the Calgary Rotary Clubs Foundation?**

It is a place where all Calgary Rotary Clubs can invest their charitable funds and is overseen by a Board representing all participating clubs. Each year funds are distributed according to a pre-agreed formula to these clubs. We have about \$2.6 million invested at this time and about 5% is returned to our Club on an annual basis.

### **Why should I donate?**

There are no administrative fees for this Foundation. Every dollar you donate goes directly into the Foundation. All funds that you commit will remain in our local community to help those in need. Through your generosity you will help feed those who are hungry, help house those who are homeless, help those living with disabilities, help those who are sick, and help those who just need your support to re-build their lives so they, too, may contribute to their community.

### **How are donations recognized?**

Donor recognition begins at \$1000 and you receive a Calgary South Benefactor pin, a personalized certificate, and your name is included on the Donor Recognition Board. Each successive donation of \$1000 includes crystals on the benefaction pin.

### **What are our Club targets?**

Our goal is to raise \$4 million for this Foundation.

We would like to encourage all members to work toward becoming a Calgary South Benefactor. All donations are gratefully received and records will be kept for you.

### **How do I make a donation?**

Donations can be made by credit card, cheque, or cash. Donations may be made by corporations, families and other supporters of the work we do in our own community.

***“We are strongest when we stand together to build a vibrant, healthy community where no one in need is ever alone.”***
