\$5,000 Rotary Youth Alumni Scholarship

Jonathan Greco

Jonathan Greco, the first recipient of the Rotary Alumni Scholarship, is a Western Canada High School graduate who combines his passion for coding with his desire to help kids with different abilities.

Jonathan has been passionate about coding and robotics since he was 11.

He was a RYLA delegate and he has volunteered for three summers at Camp Bonaventure, a camp for kids with a range of abilities. This experience sparked the idea that he could use his technology skills to benefit others.

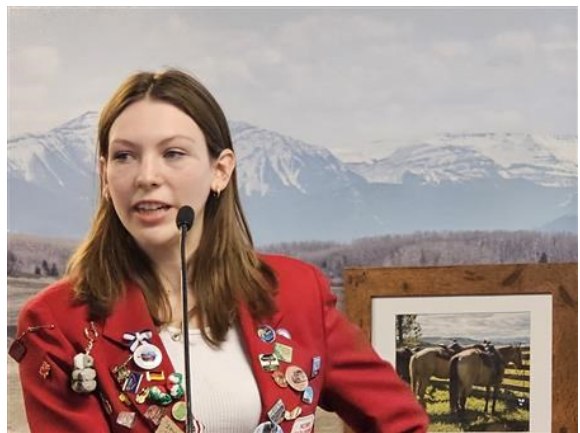

Through his school's Hack Club chapter that he founded in 2025, Greco and his team adapt various electronic toys — for instance, changing buttons and switches — to make it easier for kids with motor impairment to interact with them. They partner with Renfrew Educational Services to rehome these more-accessible toys.

He has been a part-time Robotics instructor at Mount Royal University and in 2026, he was selected as one of Avenue magazine's top 20 under 20.

He is enrolled in the BSc. Design Systems Engineering studies at Waterloo University.

The Rotary Youth Alumni Scholarship is available to any student actively involved in studies at the post-secondary or graduate levels who has participated in Rotary sponsored youth events.

\$3,500 Ronald Prokosch Memorial Rotary Youth Exchange Scholarship

Jennie McDonald

Jennie McDonald graduated from Bowness High School following her Rotary Youth Exchange in 2024-25 to Chile.

She says the highlight of her exchange year was all of the diverse life-long connections and relationships she has made with people from around the world.

Later this year, she plans to study film production at the Vancouver film school, a global leader in entertainment arts education.

Jennie appreciates the support Rotary has provided her and she volunteered with our club selling lottery tickets at the 2026 Calgary Stampede.

Previous scholarship recipients have been: William Wei, Kaylee Quinney and Luscas Rasmussen,

The Ronald Prokosch Memorial Rotary Youth Exchange Scholarship was established by the Rotary Club of Calgary at Stampede Park in 2020 to recognize past president Ron Prokosch for his support of Rotary's long-term international Youth Exchange Program. Ron passed away June 20, 2020.

\$3,500 Louise Dean Campus Bursary

The Louise Dean Campus at Jack James High School provides support for pregnant and parenting teens who face many complexities that challenge students to complete high school. A bursary of \$3,500 was established in 2025 to support a graduate in their first year of post secondary education.

Glen Godlonton, co-chair of the scholarship and bursary committee attended the graduation ceremony for the Louise Dean graduating class of 2026. Recipient of the RCCSP \$3,500 bursary was Chloe Sison. The graduates' children attend the ceremony and Chloe's daughter is pictured at right.

Chloe Sison

Chloe Sison is enrolled at St. Mary's University to pursue a teaching career. She has volunteered at an elementary school. Her volunteerism, dedication to her future career goals, and tenacity to overcome the adverse conditions she has faced are recognized in awarding her this bursary.

Dear Rotary Club

I want to thank you for your generous scholarship support.

Your generosity will allow me to focus more fully on my studies and create a brighter future for me and my family.

*With sincere appreciation,
Chloe Sison*

\$5,000 Neurodivergent Student Bursary North Point School

Glen Godlonton, Scholarship and Bursaries committee co-chair congratulates Devon Fleming on being awarded the \$5,000 Neurodivergent Student bursary.

Devon Fleming

Devon Fleming is the first recipient of the \$3,500 bursary which supports Neurodivergent Students pursue post-secondary education. Devon plans to apprentice in NAIT's Off-Road Heavy Duty Mechanics course.

He has studied at North Point since Grade 7 and participated sports and volunteer opportunities during his school years. He was named the most improved basketball team player (2022-2024).

***Thank you** all so much. Devon has been looking forward to applying to NAIT and now he can!*

We know he will have a great future after attending the specialized educational program North Point has provided and the opportunity to pursue his continued education soon as a result of receiving the Rotary Club's generous bursary. Thank you for all you have done, it will truly make a difference in Devon's upcoming future.

St. Mary's High School

\$2000 Leadership and Community Service Scholarships

Émilie Proulx

Émilie Proulx has served as a peer tutor and volunteer camp counsellor, where she mentored younger students. She is a multi-sport athlete, competing with St. Mary's Field Hockey and Swim teams and she earned a place on both the Alberta Provincial Field Hockey Team and the U18 Team Canada Field Hockey Team. She has achieved Honour Roll standing throughout high school, the highest Grade 11 and Grade 12 averages, and top marks in Chemistry 30 and Math 30-1 IB. She plans to pursue Health Sciences at Western University, London, ON.

Daphne Yip

Daphne Yip has balanced academic achievements with extensive extracurricular and volunteer contributions. Daphne will pursue a Bachelor of Science (Chemistry) at the University of Calgary, building on her interest in science and her experience in the St. Mary's Pharmacy Assistant Program. Throughout high school, Daphne has been actively involved in athletics and the arts, and has been a long-term volunteer work at St. Mary's Cathedral.

\$3,000 Career Pathway Bursary

Brayden Kwan

Brayden Kwan has balanced academic excellence in the IB Program with extensive involvement in both school and community life. Brayden has participated in St. Mary's Exploratory Programming in the Electrician pathway, helping to develop hands-on skills and confirm his interest in future technical and engineering careers. He plans to pursue a Bachelor of Aerospace Engineering at Carleton University, Ottawa, where he will continue building toward his long-term career goals in engineering.

\$10,000 A Student Bursary (ASB) Father Lacombe High School

In 2023, a generous benefactor made funding available through the Calgary Rotary Clubs Foundation to support a bursary to encourage students prepare for post-secondary studies who might otherwise be discouraged from doing so due to financial need. Father Lacombe High School was the first school selected for awarding this bursary. The selection process includes interviewing three students nominated by the high school. The runner-ups receive \$750.

The 2026 ASB Scholarship presentation at Father Lacombe High School in June. From left: Rotarian Dorothea Schaab, Tina Luong \$750; Saige Saboe, \$10,000; Frances Mabington, \$750; and Rotarian Brad Brewster.

Saige Saboe

Saige Saboe was selected as the recipient of the 2026 ASB Bursary. She is a bright, cheerful and ambitious grade 12 grad who will be attending the University of Calgary's Haskayne School of Business.

One of four siblings she not only helps in her own home but also cared for kids in a low-income household and assisted the mother find and apply for bursaries so she doesn't have to pay out-of-pocket for her children's care. Saige exhibits the Rotarian spirit by giving her time at school and also at church handing out food to those in need.

She was prepared, professional and engaging in her interview and her references spoke very highly about her and her caring nature," says Wendy Giuffre.

2025 A Student Bursary (ASB) \$10,000 Father Lacombe High School

Wendy Giuffre presents Tammy Nyugen with her \$10,000 ASB Bursary during the 2025 Father Lacombe High School awards ceremony.

Tammy Nyugen

In 2025, Tammy Nyugen was the recipient of the \$10,000 ASB Bursary. This bursary is paid out over two years.

Father Lacombe High School nominated Tammy for the Premier's Citizenship Award recognizing her outstanding characteristics in citizenship, leadership and community service, which made a positive impact on her school and community.

She begins her second year of Kinesiology studies at Mount Royal University in September.

Funding of the ASB bursary is through a generous benefactor who wants to support and encourage students prepare for post-secondary studies who might otherwise be discouraged from doing so due to financial need.

Dear Mount Royal University Donor

My name is Elliot Perot, a third-year Communications in Information Design student.

Knowing what I wanted to pursue for my education did not come naturally, but rather took time and dedication to knowing what I felt passionately about.

Information, Design, innovation, community prosperity, and advocacy were these things for me, that my education at Mount Royal University allows me to explore.

University was a daunting next chapter in my life due to expectations and finances, but it is donors like you who see the potential in students like me to commit to that next step.

Thank you kindly for your generosity and support to help keep my aspirations of creating a more connected and innovative Calgary alive.

You not only support students, but you support the future of the world we will grow to influence.

Kindly, Elliot Perot

Carol Rosdobutko and Dorothea Schaab present scholarship funds to MRU representatives.
