

**Rotary Club of Calgary at Stampede Park “Kids at Heart Golf Classic”
Monday, July 29, 2024 - Cottonwood Golf & Country Club**

March 11, 2024

Dear Rotarians,

In just two years, our Rotary Club of Calgary at Stampede Park “Kids at Heart” Golf Tournament has raised over half a million dollars to support six amazing charities in our community. The charities we select aim to provide children with an opportunity to be safe, fed, loved and supported and to learn and achieve the bright future every child deserves. Once again, our “Kids at Heart” selection Committee has chosen three incredible Charities to receive the proceeds of our 2024 Rotary “Kids at Heart” Golf Classic.

At Kids Up Front, we believe all kids should have access to enriching and exciting experiences such as sporting, arts, and cultural events. Our programs offer an opportunity for kids who need it most to be engaged and included in the community.

At YouthLink Calgary, the Police Interpretive Centre is a crime prevention police program which aims to empower vulnerable kids with essential knowledge and skills, equipping them with the tools they need to make informed decisions to keep them safe.

“At KidSport, we believe that Sport has proven integral to the kids’ recovery after the pandemic. By supporting KidSport, we all win. When kids have access to sports, they develop critical life skills, improve in school, become stronger leaders, create safer communities, ignite, improve mental health and well-being and fuel healthy habits for life. Sport is one of the most important gifts a child can experience in their lifetime” CEO Kevin Webster.

As Rotary Club members, we hope you will support this event with a Sponsorship. Our Sponsors, both old and new, make our golf tournament an unbridled success. Please consider joining us to provide the selected charities with the funds needed to make a life-changing difference for the children. If interested, please contact any one of our Sponsorship Team noted below.

Information can be obtained in the attached Sponsorship Package or from our website under the Sponsors tab - <https://rotarystampedepark.com/kids-at-heart/>
