

RYLA (ROTARY YOUTH LEADERSHIP AWARDS)

Age: High School Students ages 15 to 18

Dates: May 7-10, 2020

Location: Camp Chestermere

Cost: Travel only. No cost to candidates for registration.

Prime Sponsor: Rotary Club of Canmore and Rotary District 5360

Travel: Candidates are responsible for their own travel to and from Camp Chestermere

Rotarian Contact: Ian Schofield (ian.schofield@scholaw.ca)

Description: RYLA is a global leadership program geared toward strong youth who are poised to make significant impacts in their communities. Delegates are challenged to step outside their comfort zone and address some of the issues they face daily. The conference aims to further enhance their leadership skills, facilitate the establishment of a professional network across the region, and expose them to the challenges faced by their peers in other schools and communities. RYLA features a multitude of high profile speakers, engaging workshops, interactive sessions and exciting activities giving delegates the tools to be today's outstanding leaders and tomorrow's global shapers.

Note: Please note that delegate applicants are asked to commit to attend the entire weekend conference. The RYLA schedule is designed for delegates to be present for the entire program, and delegates who leave for other commitments will not experience the full impact of RYLA.

How to Apply

Apply for the 2020 Rotary Adventure in Technology Program by contacting the Rotary Club of Canmore. Interested students should send an email to rotaryclubofcanmore@gmail.com. The closing date to send an indication of interest is Friday, March 27, 2020. Interviews will be scheduled for after school during the week of March 30.
