A letter from the golf tournament chair

Those in need in our community and internationally who rely on the support Rotary provides can't take a "COVID" break – the demands for charity funding are as high as ever. Rotarians are keen to help - as long as we can do it safely.

In 2020 we made the hard decision not to hold our golf tournament as we felt we could not do it safely. For 2021, the Canmore Golf and Country Club and Rotary Club of Canmore are confident we can hold a safe and fun tournament to continue to make the world a little bit better and happier place.

As of today, we are planning a "crossover" style tournament where groups will have set tee times from the 1st and 10th holes. After 9 holes, and a bit of lunch, groups will cross over and play the other nine. This format will minimize contact and enhance social distancing. We will use this format to add many fun elements to the tournament I know you will enjoy!

If COVID-19 restrictions lift in time for us to pivot to the more conventional "shot gun" style tournament we will do so. Look for e-mails from us as we approach June 18th.

Thank you in advance to our sponsors and golfers. Please come out and enjoy the day!

And thank you to the dozens of Rotarians who volunteer to make this event a success year after year.
