

ROTARY CLUB OF CANMORE Community Grant Program Request for Funding Application

The Rotary Club of Canmore's Community Service Committee is seeking applications for funding. These projects should be community focused and benefit residents of the Town of Canmore and surrounding area (east of Banff National Park including the MD of Bighorn and the Kananaskis region).

Successful applicants will receive a one-time grant, normally ranging between \$1000 and \$5000, which may be applied to either a new or existing program or initiative. Note that only charitable organizations or not-for-profit groups may apply. Individual recipients are not eligible. Rotary will accept only one application from any applicant. Rotary will not normally grant funding for the same initiative for which a grant has been previously made.

The application deadline is January 14, 2022 and it is anticipated that all applicants will be notified as to the status of their applications and funds will be disbursed to successful applicants in March of 2022.

Applications for funding are to be made electronically using this form. Please be advised that only Applications completed using this form will be accepted and any applications missing required information may not be considered.

Applicants are expected to appropriately recognize Rotary's contribution to any funded project. Successful applicants may be asked to provide a representative to participate in the Canada Day Parade, may be asked to attend one of Rotary's meetings or other Club events to speak about their project and will work with Rotary on other print or media forms or Rotary recognition

APPLICATIONS WILL BE SUBMITTED TO ROTARY CLUB OF CANMORE VIA EMAIL
