Step 7

Logging into your Facebook account. Visit the Facebook website again to log into your Facebook account you created.

Type **www.facebook.com** in the URL line of your web browser.
Next fill in your email address you used for Facebook (i.e. **janedoe@hotmail.com**) and your Facebook Password in the dark blue area at the top of the screen, and then click **Log In** button on the right hand side of this screen.

The screenshot shows the Facebook login and sign-up interface. At the top, there is a dark blue header with two input fields: "Email or Phone" and "Password". A "Log in" button is located to the right of the "Password" field. Below these fields are two links: "Keep me logged in" (with a checked checkbox) and "Forgotten your password?".

Below the header, the page is split into two columns. The left column has the text "connected" and "on mobile phone." with a "Get Facebook Mobile" button. The right column is titled "Sign Up" and contains the text "It's free and always will be." followed by a series of input fields:

- First Name: Andre
- Surname: Kincer
- Your Email: ExampleAndreKincer@gmail.com
- Re-enter Email: ExampleAndreKincer@gmail.com
- New Password: [masked with dots]
- I am: Male (dropdown menu)
- Birthday: 10 (dropdown), February (dropdown), 1982 (dropdown)

Below the birthday fields, there is a link "Why do I need to provide my date of birth?". A disclaimer states: "By clicking Sign Up, you agree to our Terms and that you have read our Data Use Policy, including our Cookie Use." A green "Sign Up" button is highlighted with a red border.

At the bottom of the sign-up section, there is a link: "Create a Page for a celebrity, band or business."

The footer of the page contains a list of languages: "Français", "Deutsch", "Italiano", "العربية", "हिन्दी", "中文(简体)", and "...". Below this is a horizontal line and a list of links: "Home", "About", "Badges", "People", "Pages", "About", "Create an Advert", "Create a Page", "Developers", "Careers", "Privacy", "Cookies", "Terms", "Help".
