

The Rotary Youth Leadership Awards (RYLA) is a free leadership conference focused on the enhancement of leadership skills and personal development of our delegates. The

conference spans over the course of one weekend, Thursday through Sunday, and throughout the weekend delegates are given tools to benefit them in their lives.

This conference helps connect young students to themselves and understand why their position as a leader in this environment is so important. The conference is packed full of fun and enriching activities that reach a wide variety of topics. Over the weekend, students can expect to meet a group of like minded individuals and build friendships that can extend outside of the conference.

“There is a lot jam packed into RYLA and it takes about a week to process all of the feelings, but once you do, you feel like a better version of yourself.”

# HOW CAN YOU ATTEND RYLA 2025

If you are sponsored by a rotary club and are between the ages of 15-17, fill out the registration form found on the back of this pamphlet. If you don't have a sponsoring club contact us at [ryla@rotary5360.ca](mailto:ryla@rotary5360.ca) and we can discuss alternate options!

**"RYLA HAS  
HELPED ME FIND  
MY VOICE,  
CONFIDENCE,  
AND SURETY IN  
WHO I AM AS A  
PERSON."**

RYLA is a place where people are pushed to become the best versions of themselves, and explore exactly what that means to them. It is meant to help ignite a spark, to inspire, and to most importantly expand the delegates' horizons, showing different outlooks and ways of living even in our rotary district. It is a place without judgment, or bias, where individuality and diversity are embraced.
