Some Quotes from Former RYLA Attendees

"RYLA is life changing and the moment you step in when you attend, you won't want to leave. It is such a journey in such limited days. But the friends you make, the lessons you learn and the growth you will take, will be the most amazing experience you will ever have in your life. The counsellors and people you meet will forever be your family in RYLA."

"Go. You'll create memories you'll never forget."

"I would say 1000% go. Even though you don't really know what's gonna happen, it is gonna be such an amazing experience. Even if you aren't really interested in leadership, this will still help you and teach you so many things."
