Present a fundraising

Dinner Theatre

Featuring the Rosebud School of Arts

Sketch by Ian Randell

Abreast of 'bridge &

Tonight's Play

Rosebud Alberta is home to one of the most unique theatre experiences in Western Canada. Rosebud School of the Arts launched a touring program to bring excitement to your community.

Tonight's feature is by Edmonton playwright, Stewart Lemoine. It will make you smile, laugh out loud and maybe bring a tear to your eye.

PITH!

By Stewart Lemoine

Meet Jack Vail, a travelling adventurer, who sails into the lives of two women and helps them get to the "heart" of the matter.

Virginia Tilford has been grieving in uncertainty for 10 years after the disappearance of her husband and is hanging on by a mere thread of existence.

Nancy Kimble her employee, has been drawn in the mire of sadness that surrounds her.

Join Virginia and Nancy as Jack takes them on a trip to change their lives forever.

Rotary

Beginning in 1918 the Rotary Club in Lethbridge has worked to help the

community. The first major project was to create a beach on the shores of Henderson Lake 1926. Though the Lake has not been used for swimming since the late 1950s the steps from the beach can still be seen today. Henderson Park continues to be a popular recreational area for Lethbridge residents.

Tonight's events is a combined effort by all three Rotary Clubs. It is the intention of the Sunrise Club, just recently chartered to carry on from Rotary's first projects and keep Henderson Lake an active and vibrant place for community activity.

Abreast of 'bridge

Ask anyone in Lethbridge, these Ladies have moxie! Abreast of 'bridge is a team of women who are all cancer survivors. Activity is what makes them tick; the bigger the challenge - the better. Abreast of 'bridge started with three women and quickly grew to 25. Their dream was to create awareness for Breast Cancer by participating in Dragon Boat Festivals across Western Canada. They started this dream by rigorous training at Henderson Lake.

Every Wednesday and Saturday, in all kinds of weather, Abreast of 'bridge can be seen training in a voyager canoe at the lake. This training was rewarded when last July, the team took first in the Alberta Women's Consolation Final, with a time of 4 minutes and 9 seconds and the Silver medal in the Breast Cancer Foundation Challenge Cup.

To continue to fulfill their dream, the team needed to have their own Dragon Boats to enable them to train and participate in hosting a festival in Lethbridge. Tonight will complete Abreast of 'bridge's dream.

Menu

- Tossed Salad
- Prime Rib with Yorkshire Pudding, Au Jus Roasted Potato, and a Vegetable medley.
- Three tier mousse

A portion of the meal costs has been donated by the Travelodge Hotel and Convention Centre

Thank you

This fundraising event would not be a success without **YOUR** involvement. **YOUR** support will allow the Rotary Clubs of Lethbridge to direct tonight's proceeds, along with other Rotary funds, to purchase two dragon boats. Our goal is to host a Dragon Boat Festival on Henderson Lake in the Fall of 2001.

We appreciate the support of the following businesses in making this evening a success:

- Graphcom Printers
- TD Canada Trust
- Murray Chev Olds
- Sandman Hotels
- Master Image
- Grower's Direct
- The Lethbridge Herald
- The River/106 Rock
- The Hawk/C95
- CFCN Television
- Global TV
