

Dear Sponsor,

I would like to say thank you for helping me further my education. I am now in second form and mid semester report cards has been distributed. I am happy with most of my grades. I got nine A's, one B⁺ and one C⁺. I have an A in English, Math, Science, Technical Drawing, Life Skills, Spanish, Religion, Social-Studies, and Music. I'm very proud of those grades and I will keep it up. I got a B⁺ in P.E and a C⁺ in I.T. I am not that happy with those grades and I will raise it before first semester. I have already ask the I.T teacher to do something over to, raise my grade up. I don't really know how I got a B⁺ in P.E but I will find out and for sure raise it. I am 100% sure that I'll raise my two lowest grades. If both grades turns to A's and I keep my other grades the same I might have a chance to get

a G.P.A of 4.0. I'm going to work hard to make that happen. I hope you are pleased with my progress. Once again I'd like to say thank you for the help.

Sincerely yours,
Jaheim Vasquez
