MONTHLY HIGHLIGHTS

Dalhousie Community Association

The Dalhousie Community Association (DCA) recently welcomed Tom to their team in an event staff position. In this role, Tom plays an important part in helping community events run smoothly, from setting up tables and chairs, to keeping spaces clean and organized, to ensuring everything is ready for participants to enjoy. His work helps create welcoming, functional spaces for the many events and activities that bring people together at the Dalhousie Community Centre.

Since joining the team, Tom has quickly taken on several shifts and has already become a valued and trusted member of the DCA staff. He brings a positive attitude, a strong work ethic, and a great sense of pride in his role. Staff have appreciated his reliability, friendliness, and attention to detail. His presence not only supports the smooth operation of events but also highlights the meaningful impact that inclusive hiring can have, both for individuals and for workplaces.

Thank you to the Dalhousie Community Association and the Rotary Club of Calgary Heritage Park for their leadership and ongoing commitment to inclusive employment. Together, they are helping to build stronger, more welcoming communities where everyone has the opportunity to contribute and belong.
