Rotary Year in Review

As another Rotary year ends, we wanted to take this opportunity to look back on the past year and celebrate all that has been accomplished through the Rotary Employment Partnership in District 5360. Through strong partnerships, community support, and meaningful employment opportunities, so much has been achieved together. We are excited to share a few highlights and statistics that capture this year in review and celebrate the successes made possible by the ongoing support of Rotarians.

Highwood Golf

Connor recently started a new position at Highwood Golf Course, where he plays an important role in helping keep the grounds clean, safe, and well maintained. Throughout his shift, Connor supports a variety of tasks, including emptying garbage bins across the course, sorting recycling, and helping ensure that shared spaces are clean and welcoming for guests. He also assists with maintaining equipment such as lawn mowers and Gators and has quickly learned how to operate several of these machines independently. Connor enjoys staying busy and jumping in wherever help is needed.

Connor has quickly become a valued member of the team. His supervisor shared, "Connor stepped into our team and has fit right in. His friendliness and eager-to-help attitude have made him a valuable asset to our day-to-day operation."
