#1010..... <b>VIRTUAL ZOOM MEETING</b> September 30 <sup>th</sup> , 2020			

October is Economic and Community Development Month

### ROTARY MINUTE

Nearly 800 million people live on less than \$1.90 a day. Rotary members are passionate about providing sustainable solutions to poverty. Rotary members and the Rotary foundation work to strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities. Rotary provides training and access to well-paying jobs and financial management institutions.

#### HOW ROTARY MAKES HELP HAPPEN

We create opportunities to help individuals and communities thrive financially and socially.

#### MICROLOANS

Entrepreneurs use microloans to become street vendors, rickshaw drivers, weavers, and tailors.

#### AGRICULTURAL OPPORTUNITIES

Entrepreneurs in rural communities can borrow money to buy livestock or plant crops, or get training in sustainable farming.

#### ADOPT A VILLAGE

Rotary members use a multifaceted and coordinated strategy to break the cycle of poverty in extremely impoverished communities.

#### HUMAN RIGHTS

Rotary helps Tanzanians with albinism overcome stigma and superstition to find safety and a livelihood.

## TRAINING

Rotary International and Heifer International are teaching farmers to extend their growing season and help residents eat healthier, local food.

## THE POWER OF LIGHT

Rotary members team up with the Navajo Nation to bring solar lights to remote, off-the-grid homes, allowing people to work and learn at night.

## GUESTS

- ▶ Rachele Davenport, Chantelle Gascon, & Norm Sandberg - Nuclear Waste Management Organization (NWMO)
- ▶ Sarah McCarthy CKDR & Tommy Johnson - Shaw Spotlight
- ▶ Dion Desserre
- ▶ Karen Mazurski & Marilyn Bilsbarrow - guests of Patty V
- ▶ Greg Wilson & Tyler Peacock - City of Dryden

## PROGRAM

- ▶ Rachele and Norm were here to share some info on NWMO's safe transportation of nuclear fuel
- ▶ Transportation is not expected to start until the 2040s
- ▶ Rolled out framework in August 2020 to coordinate plan for transportation - either by road or rail
- ▶ The transportation program is expected to extend over approximately 40 years or more, based on current anticipated volumes from nuclear facilities. If an all-road approach were taken, this might involve about 620 truck shipments each year, approximately one-to-two shipments per day. If an all-rail approach were taken, this might involve about 60 train shipments each year, approximately one shipment every six days.
- ▶ are stringent regulatory rules for the transportation of nuclear material
- ▶ Planning document can be reviewed at :  
<https://www.nwmo.ca/en/More-information/News-and-Activities/2020/08/14/13/58/Public-Input-needed-on-Draft-Transportation-Planning-Framework>
- ▶ Safety is priority for NWMO
- ▶ Norm discussed some planning objectives and principles
- ▶ transportation routes not yet finalized as there are still two sites under consideration
- ▶ collaborative decision making including input from Canadians which is why Norm would like us to complete survey at above URL
- ▶ Since 2016, the NWMO has engaged with thousands of people to ensure that future transportation plans are designed to reflect the public's interests and feedback

## BIRTHDAYS

<b>Gould, Roger</b> .....	Oct 12
<b>Rigey, Pat</b> .....	Oct 16
<b>Szmon, Trevor</b> .....	Oct 25
<b>Lampshire, Mitchell</b> .....	Oct 26
<b>Anderson-Fuerst, Kim</b> .....	Oct 31

## THE LIGHTER SIDE

It's hard to make a  
comeback  
When you haven't been  
anywhere.

Written in the dust on the back of a bus,  
Wickenburg , AZ

Make love, not war.  
Hell, do both  
GET MARRIED!

Women's restroom  
The Filling Station, Bozeman , MT

If pro is opposite of con,  
then what is  
the opposite of progress?  
Congress!

Men's restroom House of Representatives,  
Washington , DC
