Reviews from the web:

“Amazing authentic Indian Food”

Rating 5/5

My husband and I always love to go to this restaurant. Being South Asian makes it hard to find restaurants that are authentic. Masala Restaurant is true to their word; authentic Indian food. We just love the food. Plus the owners are friendly and the food is the best Indian food we have ever eaten. We wish the owner all the best for the coming years!!

“Excellent.”

Rating 5/5

We have been to this restaurant many times since it has opened and have never been disappointed. The food is the best Indian that we have ever eaten and this is compared to the many restaurants in Toronto and Vancouver.

The Greek food is also very good if you want a nice change.

If you like authentic English fish and chips you must try them from here, they are to die for.

Overall a great restaurant and we are lucky to have them in Dryden

“A truly wonderful food experience.”

When I want to pamper myself with a good meal, I come here. The food is wonderful, the decor is pleasing, and the people who staff the restaurant are very nice and helpful with answering questions.
