

Rotary District 5550 Conference 2010

Dear Rotary Friends,

The District Conference is a time for Rotarians to come together to celebrate our Rotary year's work, successes and friendships. We have planned the weekend to highlight excellent programs, fine speakers, fun events. The culmination of the conference is the Gala Dinner and it will be special this year because the main address will be given by Rotary International President John Kenny who is attending with his wife June. It will be a great opportunity to share the Goodwill of Rotary.

We are very much in tune with the feelings of the Rotarians in the District and you have been telling us that you are not happy with the cost of the Gala Dinner for non Rotarians.

Therefore, the Conference Committee discussed it at our last meeting and has made the following changes. Any non Rotarian who is attending just the Gala Dinner with a registered Rotarian will not be charged the daily registration fee of \$50.00 and will be charged only the cost of the meal - \$65.00.

So, come and have a wonderful time, enjoy the weekend, make new friends, meet old friends and Celebrate Rotary's Gateway to the World.

Yours in Rotary Fellowship and Service,

Nancy Morris, District Governor, 2009-10

THE FUTURE OF ROTARY IS IN YOUR HANDS
