## UNIVERSITY OF WINNIPEG ROTARACT ACTIVITY REPORT JAN-MAY 2024

- Mohammed Sheheryar Mouzam

We had quite an eventful start to 2024. As we are almost halfway through the year, the UW Rotaract Club has a lot to reflect on for our past activities. We started to have our first tabling event at the universities student group fair where we attracted new members to embark our new year. We had snacks as well as table games to attract the crowd as we informed them about what Rotaract is. Our table was one of the most popular of the day late January 2024.

In early February 2024, We then had the opportunity to participate in CKUW Radio which has been the university and community radio since 1963. This helped us to connect with the local community and students, highlighting previous activities done by the club and our future goals.

We then held a game night/ pizza night as a way to improve student life and generate interest with our members on the activities we have been doing on campus. The event was an overall success with a huge turnout in the month of February 2024.

In March 2024, we had the opportunity to actually connect with the Winnipeg community by partaking in the community Iftar, We had the opportunity to meet Izzideen who organized the iftar to generate money to make football fields in Palestine. UW Rotaracters actively helped throughout the event and made valuable connections. The event was held in collaboration with Narratives Inc.

UW Rotaract Executives also participated in the Rotary meeting at Old Spaghetti Factory making the Rotary Club aware of all the activities we have done as a club at the university.

# ROTARACT ACTIVITY REPORT CONTINUED:

In April 2024, although it was exam season, A group of amazing rotaract members enthusiastically volunteered with Harvest Manitoba alongside the Rotary Club of Winnipeg giving back to the community. Rotaractors helped in the Manitoba Harvest Warehouse and helped pack food which would eventually be distributed to food banks and agencies in every region of the province. Overall, Rotaractors reiterated the cause and ambition of what Rotaract stands for.

Finally in May 2024, UW Rotaract Executives were part of the organizing committee of MUNA 2024. It was such a great experience to meet budding students from across Canada who had ambition and aspiration to solve the problems affecting communities locally and globally. It was so much fun to see lively discussions and problem-solving abilities of students. We have been actively seeing students' participation emerging globally, and MUNA was a vessel that helped student minds come together.

Following up, UW Rotaract had an amazing time at the Pitikwe skatepark where we contributed in building the amazing skate park at Portage place near the university. We were joined by Rotarians Frank who led our build and Nancy accompanied him. We also learned new tricks and how to skate, which was amazing. If you are in downtown and need to skate, the Pitikwe Skate Park is an amazing place. The hospitality and welcoming nature of the staff were just so vibrant and comforting that we did not want to leave.

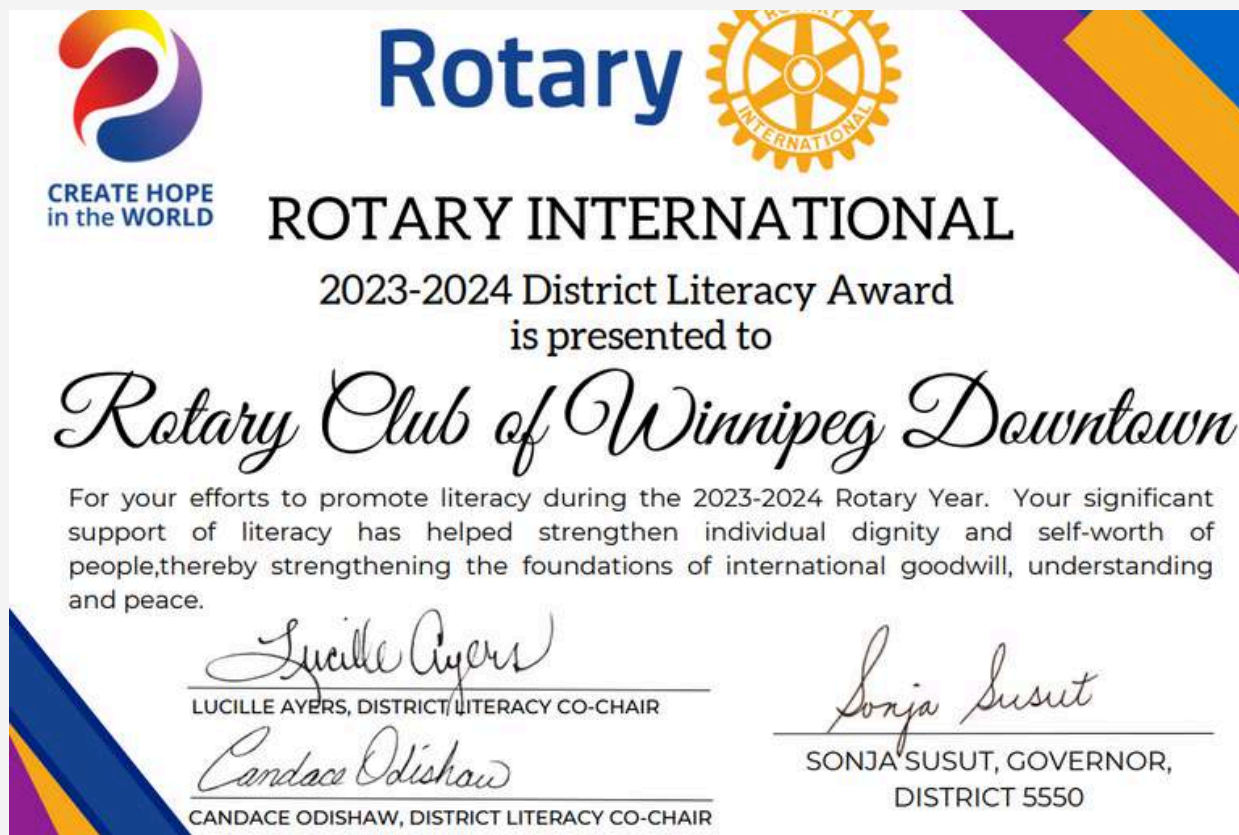

**UW Rotaract Club President Mohammed Sheheryar and VP Anshika Uppal** had the opportunity to attend the fundraising dinner organized by Human Kind International. The event was full of fun and games while it addressed and raised funds if building and maintaining a Humankind international funded school in Kenya. We had the wonderful opportunity of meeting so many amazing people doing wonderful work in the community.

To stay in touch with what our club is doing, we would request everyone to follow our Instagram page [@uw.rotaract](#) to get all the updates you need about the amazing things our club is doing.

# LITERACY AWARD

*Submitted by Lucille Ayers, Co-Chair, District 5550 Literacy Committee*

District 5550 continues to be a district interested in promoting literacy in our communities and around the world. Our Literacy Committee contacts all clubs in the district two to three times from September to mid-March when information is due for this report. 24 of 46 clubs reported on their initiatives for 2023 – 2024 and 20 of these clubs have earned District Literacy Award Certificates.

Clubs that completed at least five literacy activities have been recognized with a District Literacy Award Certificate. In addition, special recognition has been given to one club for their initiative and creativity in organizing interesting literacy projects or fundraisers this year.

This report is a summary of all the great work our District 5550 clubs have accomplished this year to support literacy and is an excellent resource for any club considering becoming involved in new or different projects and programs.

# Winnipeg Rotary Club's 2024 Model United Nations Assembly (MUNA)

More than 120 young high school delegates signed up for Winnipeg Rotary's 67th Model United Nations Assembly (MUNA), held again this year at the Canadian Mennonite University, May 2 – 4 th . High school students from across Manitoba, Saskatchewan, Northwestern Ontario and North Dakota spent time discussing how to protect their assigned countries' natural resources and considering how artificial intelligence might impact countries around the world.

MUNA 2024 Delegates

For the MUNA Organizing Committee, this year was particularly gratifying. First, the Organizing Committee decide to reach out to support rural and northern teams by waiving the registration fee for teams from remote and First Nations communities. As a result, we had our first Indigenous team from Cranberry Portage. We also had delegations from rural and northern communities like Flin Flon, Creighton SK, Kenora ON, Neepawa and Dauphin.

Opening Plenary Session of MUNA 2024

It was also gratifying because this year's event expanded the involvement of student delegates in the planning and delivery of the program. Although Winnipeg Rotary members continue to direct and support the MUNA Organizing Committee, much of the work of running MUNA has been undertaken by MUNA alumni and current delegates. The event's President, Secretary General and other table officers were delegates. The Committees and Informal Group meetings are all led by high school student committee chairs and facilitators. Students led discussions, built consensus and facilitated small group and committee decision-making. Although the debate is lively and informative, leading the event, and producing a resolution by consensus or vote, builds leadership skills, people skills and the kind of confidence young people need to make a difference in their lives, community and our country.

Each year the MUNA Organizing Committee presents two awards to honour the contributions of exceptional delegations. The Bert Friesen Award for the Best Prepared Delegation and the Rais Khan Award for the Most Diplomatic Delegation. This year's winners were teams from Kildonan East Collegiate and Grant Park High School, respectively.

The support offered to MUNA teams this year by Rotary Clubs across District 5550 has been phenomenal. We were delighted to welcome back the East Grand Forks (US) delegation, which has been supported for many years by East Grand Forks Rotarian, Willem Schrage.

MUNA's Organizing Committee would like to thank Rotary members for their generosity and continuing support of MUNA and its goal of developing leadership in our young people.

# Winnipeg Rotary Club's 2024 Model United Nations Assembly (MUNA)

The 67th annual MUNA, hosted by the Winnipeg Rotary Club, took place from May 2-4, 2024, at the Canadian Mennonite University. The event saw over 120 high school delegates from Manitoba, Saskatchewan, Northwestern Ontario, and North Dakota engage in discussions on protecting natural resources and the global impact of artificial intelligence.

## Highlights of MUNA 2024:

- **Inclusivity Efforts:** The Organizing Committee waived registration fees for teams from remote and First Nations communities, resulting in participation from Cranberry Portage's first Indigenous team, and delegations from Flin Flon, Creighton SK, Kenora ON, Neepawa, and Dauphin.
- **Student Leadership:** This year marked increased involvement of students in organizing and executing the event. Alumni and current delegates took on key roles, with the President, Secretary General, and other officers being students. Committees and discussions were led by high school student chairs, fostering leadership and consensus-building skills.
- **Awards:**
  - Bert Friesen Award for Best Prepared Delegation: Kildonan East Collegiate (Rhythm and Aliyah Ogunfowora).
  - Rais Khan Award for Most Diplomatic Delegation: Grant Park High School (Josiah Friesen and Vishall Balaji Balakrishnan).

## Support and Acknowledgements:

- **Rotary Support:** The event was significantly supported by Rotary Clubs across District 5550, with notable contributions from East Grand Forks Rotarian Willem Schrage.
- **Dignitaries and Guests:** Opening remarks were made by Her Honour L.G. Anita Neville, Honourable Jamie Moses, Mayor Scott Gillingham, US Winnipeg Consul Marilyn Gayton Hamiel, and Acting Winnipeg Rotary Club President Nancy Cosway.
- **Organizing Committee:** The committee included Akbar Imran (Chair), Sifa Kagondou, Nathaniel Casiano, Talia Mintz, Wells Mayes, Divya Sharma, and Prabhnoor Singh. Long-time supporters Jane Markesteyn, Elly Hoogterp, Donna Alexander, and Captain Marc Pelletier were also thanked for their contributions.

The Winnipeg Rotary Club extends its gratitude to all Rotarians and supporters who contributed to the success of MUNA 2024, reinforcing the event's goal of nurturing leadership among youth.

# ROTARY INTERNATIONAL CONVENTION REPORT

*The He Xin Lion & Dragon Arts Troupe performs at the opening general session of the Rotary International Convention in Singapore.*

Five days of friendship, excitement, and cultural connections at the 2024 Rotary International Convention in Singapore.

The 2024 Rotary International Convention in Singapore began with a sweeping global vision, as international humanitarian Graça Machel and Rotary International President R. Gordon R. McNally called on people to take action to make the world more equitable and more peaceful.

Machel, the co-founder of the global leadership group The Elders, who is renowned for her work on behalf of women and children, urged attendees at the opening session of the convention to work for equality for women and equal access to education for girls.

“Why is it we still have millions and millions of children out of school? Why have we [not] recognized that it’s their fundamental right?” asked Machel, a former first lady of both Mozambique and South Africa who is currently deputy chair of The Elders. “The question now is, are we all prepared to take the challenge and say to ourselves, ‘We have to eradicate illiteracy, particularly for girls?’”

*Humanitarian Graça Machel, co-founder of the global leadership group The Elders, addresses the opening general session at the 2024 Rotary International.*

McNally called on the convention participants to promote peace through their work with Rotary. “We are an example of what a better world could be: one where people find common ground across their divides and common purpose in elevating humanity,” McNally said. “Through our service projects, our humanitarian efforts, and our systematic approach to peacebuilding and conflict resolution, we can be catalysts for positive change in the world.”

# ROTARY INTERNATIONAL CONVENTION REPORT

McInally also spoke about his commitment to improving mental health and well-being around the world, a key initiative of his presidential term. “We can fight the stigma against reaching out for help,” he said. “We can make a difference for the people we serve by investing in the tools, people, institutions, and systems that will ensure access to quality, affordable care.”

*Rotary International President R. Gordon R. McInally addresses the opening general session of the 2024 Rotary International Convention.*

Fostering understanding was a central theme of the day, as Rotary Peace Fellows María Antonia Pérez and Clara-Valentine Tigenoah celebrated the 25th year since the Rotary Peace Centers program was announced.

“To believe in peace is to have hope, and to do so, one must be both stubborn and optimistic, and be eager to persist and make a difference,” Pérez said. Rotary International President R. Gordon R. McInally emphasized Rotary’s long-standing commitment to building peace and noted that the topic has been a key interest almost since Rotary began.

“Our dedication to building a more peaceful world has its ups and downs, but it has been a critical part of how we define ourselves, going back even before the First World War,” McInally said. “From our earliest days, we have always had a vision of our organization as something more than just the people we see right in front of us and the direct results of our service projects.”

Through our partnership with Bahçeşehir University, a new Rotary Peace Centre Istanbul, Turkey, was opened for Rotary Peace Fellows who are focusing on peacebuilding in the Middle East and North Africa. With its first cohort starting in 2025, this new center will further Rotary’s long-term goal of extending the Rotary Peace Centers program into additional key geographic regions.

The day’s breakout sessions included even more discussion of peacebuilding, with topics such as Innovating Peace Education in Times of Crisis and Understanding the Global Peace Index.

Two breakout sessions focused on starting new clubs. During the session Rotary Your Way: Form the Club You Always Wanted, people learned key steps in the process, from finding a champion to help organize the club to choosing the club’s leaders.

Speakers emphasized that cause-based and interest-based clubs are a popular way to attract new members, noting that clubs can be formed among alumni of the same school, professionals in similar fields, or people who want to address a particular problem.

# **ROTARY INTERNATIONAL CONVENTION REPORT**

“Look in your own community for where Rotary is needed,” advised Virginia McKenzie of the Rotary Club of The Pacific Northwest Ending Sex Trafficking, which is in Washington, USA. Yvonne Kumoji-Darko of the Rotary Club of Accra-South, Ghana, helped charter more than a dozen Rotary clubs as a district governor in 2020-21. She suggested inviting friends, relatives, community leaders, and local media outlets to a club’s charter celebration to help it launch successfully.

Krishnan Chittur of the Rotary Club of Hudson Valley, New York, USA, offered another approach during the session *We Formed a New Club in One Week, And So Can You!*

Chittur described how he generated enthusiasm for a project to increase access to new technology that detects breast cancer. After he explained Rotary to community members who were interested in the project, they decided to form a club to help implement the initiative.

## **Your donations make it possible**

Our Foundation funds life-changing projects around the world. This Rotary year, as of April, we’ve provided US\$29 million in district grants, as well as US\$50 million in global grants. The global grants were distributed as follows among our areas of focus:

- Peacebuilding and conflict prevention: US\$1 million
- Disease prevention and treatment: US\$26 million
- Water, sanitation, and hygiene: US\$7 million
- Maternal and child health: US\$4 million
- Basic education and literacy: US\$4 million
- Community economic development: US\$6 million
- Environment: US\$2 million

On Giving Tuesday – 28 November in 2023 – donors gave more than US\$1.3 million to The Rotary Foundation, 9% more than they gave in 2022. With over US\$287 million raised as of April 2024, we continue to work toward our fundraising goal of US\$500 million.

## Growing Rotary: Moving the Action Plan Forward

*The 2023-24 Rotary year brought us a number of firsts. India celebrated its first decade of being polio-free. We opened our first Rotary Peace Center in the Middle East. And the first ever Rotaract-sponsored global grants were awarded. These accomplishments are just examples of our collective efforts to increase our impact, expand our reach, provide a memorable membership experience, and adapt to a changing world. (John Hewko, Rotary International General Secretary and CEO)*

From Canada to Singapore, clubs are using innovative approaches to create environments that people want to be a part of. Through these efforts, 510 Rotary clubs and 493 Rotaract clubs have been chartered this Rotary year, welcoming more than 115,000 new Rotary members.

### Make new friends

Friendships are often cited as a primary reason members stay in Rotary. Rotary Fellowships are great ways to engage with people who share your passions and interests beyond your club. This year, members gained even more ways to connect with one another when Rotary expanded the list of more than 100 global fellowships. Here are the new ones:

- Cybersecurity Rotary Fellowship
- Rotary Fellowship of Educators
- Rotary Fellowship of Horse Racing
- Rotary Fellowship of Mental Wellness Counsellors
- Rotary Fellowship of Metaverse
- Rotary Fellowship of Past Presidents, Officers, and Friends
- Rotary Fellowship of Real Estate
- Rotary Fellowship of Startup Investors
- Rotary Fellowship of Tea Lovers
- Rotary Fellowship of Vegans
- Weather Enthusiasts Rotary Fellowship

## 2024-25 Presidential Theme

Rotary International President-elect Stephanie Urchick announced that the 2024-25 presidential theme is The Magic of Rotary and called on members to recognize and amplify the organization's power to save lives.

*"Don't misunderstand me – we are not going to end polio or bring peace to the world by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member."*

Urchick, a member of the Rotary Club of McMurray, Pennsylvania, USA, said she saw the magic of Rotary on display when she was helping install water filters in the Dominican Republic. Two boys were watching as dirty water entered the filter, then ran out clean at the other end. "One of the boys grabbed my sleeve and said, 'Show me the magic again.'"

"Obviously, the water filter wasn't magic. We worked hard to transport those filters, install them, and work with community leaders in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life."

# **ROTARY INTERNATIONAL CONVENTION REPORT**

## **2025 Rotary International Convention**

As the 2024 convention ended, people began thinking about when the global Rotary community would gather again to share experiences, ideas, and connect with friends.

“There are few moments more magical in Rotary than attending a convention,” said Bryn Styles, chair of the 2025 Calgary Convention Committee and a member of the Rotary Club of Barrie-Huron, Ontario, Canada. Calgary is home to people of more than 240 ethnicities who speak 165 languages, Styles said. “While in Calgary, you will be mere moments away from the stunning Rocky Mountains, soaking in the majesty of the natural beauty all around you. Within driving distance of Calgary, you can find not one, but six UNESCO sites, including Waterton-Glacier International Peace Park,” which Rotarians helped establish.

In the House of Friendship, visitors shared their anticipation for the next convention.

“I’m looking forward to seeing what Calgary is about,” said Ken Montville, a member of the Rotary Club of Salisbury, Maryland, USA. “I’ve got my hotel reservations and registration. All I need is the airline ticket.” Aniello Giugliano, a member of the Rotary Club of Canelli-Nizza Monferrato, Italy, called attending the convention “addictive.” “I’m going to Calgary because I’m a Rotarian, and the Rotary convention is all about meeting other Rotarians”.

**LET'S VOTE OURS** - Our **Rotarian Jaideep Johar** has been shortlisted for the Canadian Immigrant Award.

Please see below and vote for Jaideep

Good day,

I'm delighted to share that I've been shortlisted for the Canadian Immigrant Award, for which I am seeking support from colleagues to vote for me.

Would you also be so kind as to share this information with your colleagues and your broader circle?

The following is the request for support/vote.

"May I request your support/vote, as I have been shortlisted for the Canadian Immigrant Award.

Canadian Immigrant magazine has officially begun the online voting stage for the 15th annual Top 25 Canadian Immigrant Awards 2024, presented by Western Union and program partners Windmill Microlending and COSTI Immigrant Services, and I'm pleased to say that I've been chosen to be one of the top 75 shortlists.

These awards are known as a People's Choice Award, so voting is an important part of the process to narrow down the shortlist to the final Top 25.

I would appreciate it if you would go to

<https://www.canadianimmigrant.ca/canadas-top-25-immigrants/vote> between now and June 7, 2024, to vote for me.

My biography is posted there as well. The Top 25 winners will then be announced online in August and be featured in the August print edition of Canadian Immigrant magazine.

You will need to enter your email address before voting."

For consideration

Jaideep Johar

## CLUB MATTERS:
