RECENT EVENTS:

MUNA – 60th Anniversary - Model United Nations Assembly 2017

A very successful MUNA 2017 took place at the Canadian Mennonite University on Friday and Saturday May 5th and 6th with 64 delegations participating. During the proceedings we received very positive feedback from both students and counsellors. Right after, we received the following emailed comments:

From a counsellor attending for the first time:
"Thank you and Rotary Winnipeg for a most amazing MUNA experience. The students thoroughly enjoyed, and learned so much from the experience. As did I."

And from a seasoned counsellor from Saskatchewan: "Thank you again for all your work with the MUNA experience. My girls loved it and talked about it for almost the whole way home (5 hours!!!)"

MUNA is always opened by our honoured guests. For this year they appear in the above photograph and include MP Dr. Doug Eyolfson, MLA Scott Johnston, City Councillor Brian Mayes, US Consul Chris Gunning, and Past President Frank Cosway, standing in for President Atanu. Unfortunately, the Lieutenant Governor was unable to attend this year. Our Piper was Heather Purvis.

As always we had our fair share of challenges right up to the last minute, but the event itself ran smoothly and none of our visitors were aware of the drama behind the scenes.

The Bert Friesen Award for the best prepared delegation went to a team from Minnedosa Collegiate which represented Egypt.

Two delegations received an honourable mention for their performance. Both hail from Minnesota and their counsellors have participated for some years. One of the delegations was from Prior Lake High School near Minneapolis, representing Bangladesh; the other from Sacred Heart High School, East Grand Forks, representing Canada. (We always have an American team represent Canada and vice versa).

A lot of work goes into running MUNA. Our Committee starts meeting in September, and meets monthly till May when we discuss the survey responses and talk about improvements for the following year. For the Club to continue this very successful long-running program, new ways and new blood are needed. Your ideas and suggestions are always welcome.

Submitted by Pat and Roy Vallance.

MUNA recognized in the Manitoba Legislature on May 17, 2017

STATEMENT BY THE HONOURABLE HEATHER STEFANSON ON THE 60TH ANNIVERSARY OF WINNIPEG'S MODEL UNITED NATIONS

Madam Speaker, I am pleased to rise in the House today to recognize the 60th anniversary of the Rotary Club of Winnipeg's Model United Nations.

Two weeks ago, I had the honour to address the 64 delegations gathered from across Canada and the Midwestern United States at this year's Model UN, held at Canadian Mennonite University in my constituency.

The Model UN program gives students the opportunity to learn about the operations of the United Nations by participating in a realistic simulated Assembly.

Countless people, including members of this House, have developed a keener interest in the practice of politics and foreign affairs because of Winnipeg's Model UN.

By participating in challenging debates and negotiations, students learn invaluable lessons about how we build communities and ensure respect in our domestic and global affairs.

Most importantly, Winnipeg's Model UN teaches our future leaders about diplomacy and collaboration in the face of competing interests.

This is difficult work. But this year I am proud to say that the delegation that came out on top was from Manitoba's own Minnedosa Collegiate.

Students Ryan McLenehan and Michael Kreshewski, as well as counsellor Donna Alexander won the Bert Friesen Award for the Best Prepared Delegation representing the country of Egypt.

I am hopeful that the students of Minnedosa Collegiate and all the participating delegations, including my daughter Victoria and her friend Kathy, will use the lessons they learned at Winnipeg's Model UN to become the next generation of leaders.

I would also like to recognize the Rotary Club of Winnipeg, which sponsors this extraordinary event every year.

In 1957, the Rotary Club of Winnipeg became the first club to sponsor a Model United Nations as part of the organization's mission to advance international understanding.

The Rotary Club of Winnipeg is an asset to our community and I hope they will continue to help educate the leaders of tomorrow by sponsoring the Model UN for another 60 years!

Thank you, Madame Speaker.
