Service Above Self,
Right here at home.

Our Story

We drive change in our community through initiatives in literacy, environment, mental wellness community development and more.

What is Charleswood Rotary?

Founded in 1985, we are part of a global network of 46,000 Rotary International clubs, including 8 here in Winnipeg, dedicated to service and community impact.

We meet Monday evenings at 5:30 PM at Breezy Bend Golf and Country Club to enjoy fellowship, dinner, and engaging speakers!

Our Impact

Caring for our environment

Stewards of the Assiniboine Forest, protecting one of Winnipeg's largest urban natural spaces and supporting community wellbeing.

Supporting youth

Providing camps and funding programs that help young people, including those at risk, build confidence and connection.

Advancing global development

Supporting access to clean water, sanitation, education, and resources for girls and women worldwide.

Promoting peace

Supporting initiatives that foster understanding, leadership, and stronger communities.

Ending polio worldwide

Supporting End Polio Now through vaccines and global surveillance efforts.

Over the years, proceeds from Lobsterfest have helped fund vital local initiatives, including food and breakfast programs at schools, youth leadership activities, support for local nonprofits, and environmental projects like the Assiniboine Forest.
