**The Rotary Clubs of Winnipeg-Assiniboine & Winnipeg-Charleswood
Third Annual 'Green Spaces' Golf Tournament
Wednesday, September 10th, 2025**

Our Plans are well underway for this year's tournament to be held at the **Kingswood Golf and Country Club** in La Salle. Please mark your calendars and get ready for an excellent day of golf, fun and fellowship!

We hope you will help to make this tournament an even bigger and better event by joining us this year.

The Rotary Clubs of Winnipeg – Assiniboine and Winnipeg – Charleswood are continuing the tradition of support for local community projects with our **3rd annual golf tournament** to be held at **Kingswood Golf & Country Club on Wednesday, September 10th with a shotgun start at 11:00 am for up to 120 golfers.**

Our focus and proceeds from the tournament support our beautiful natural green spaces in our community that benefit our physical and mental health as well as our efforts to address climate change. Projects that our clubs support include the **Assiniboine Forest, Living Prairie Museum and Grant's Old Mill**. This support includes funding the Green Team student employment opportunities that ensures the upkeep of these areas so we all can enjoy the beauty and natural attributes of visiting and experiencing their healthy benefits.

Thank you for your generous support of Rotary and the work that we do in the community. You have helped to build our community and make it a healthier and happier place to live.
