

The Rotary 'Green Spaces' Golf Tournament

Wednesday, September 10th, 2025 – Kingswood Golf & Country Club

The Rotary Clubs of Winnipeg – Assiniboine and Winnipeg – Charleswood are continuing their proud tradition of support for local community projects with our 3rd annual golf tournament to be held at Kingswood Golf & Country Club on Wednesday, September 10th with a shotgun start at 11:00 am for up to 120 golfers.

Our focus and proceeds from the tournament is on the support we provide to our beautiful natural green spaces in our community that benefit our physical and mental health as well as our efforts to address climate change. Projects that our clubs support include the **Assiniboine Forest, Living Prairie Museum and Grant's Old Mill**. This support includes funding the Green Team student employment opportunities that ensures the upkeep of these areas so we all can enjoy the beauty and natural attributes of visiting and experiencing their healthy benefits. **We need your help! This year, the Golf Tournament has the following sponsorship opportunities:**
