ROTARY CLUB OF MELFORT

Our goals outlined September 27, 2016

1. Have all members registered in Myrotary.org and Club Runner.

2. Put all documentation on Club Runner. This would include our processes and procedures for all our service projects, phone lists, minutes, budgets, etc.

3. Increase our membership by 5 members/year and have a net total of 22 by the end of 5 years.

4. Involve our local high school more in the activities of our Club. This would include asking them to help at some of our community service projects, making sure they are aware of all the programs Rotary offers to youth, educating them about Rotary.

5. Complete the plans we have outlined for Rotary Park in 2 years.
