OTHER

Did you hear about the magic tractor?

It was driving down the road and then suddenly turned into a field.

I had a nightmare that I was in Panama during a snowstorm. I was dreaming of a white isthmus.

A biologist and a mathematician watch a couple enter an empty house. Later, they observe three people leaving the house. The biologist's conclusion: they reproduced. The mathematician's conclusion: if exactly one person goes into the house it will again be empty.
