This Week's Program Highlights

Larry Neely entertained us in the piano before the meeting
 Betty Ann led us in O Canada and Grace
 Peggy introduced our guest – Youth Exchange Student – Simon Macias Crusillo from Colombia

Program - Simon Macias - Rotary Exchange Student

Candace introduced Exchange Student Simon. He is currently in Warman High School and apparently very much enjoying it. He proceeded to provide us with details about his country (Colombia), the school system with comparisons to that in Canada, the food, the weather (no snow), and various interesting and touristy locations. He pointed out some differences in school behavior, culture such as festivals, buildings (smaller), cities (crowded), few trucks, many motor bikes, etc. Other differences included the lack of calendars, few fast foods places, main meet is at noon. The school system is more European – stricter, fewer options for students. Students learn English; he has some French. He plays volleyball, does track and field and is active in musical productions. His mom is an architect, his dad a school bus driver. He was thanked by Jack Scott with the usual presentations.

The 50/50 draw was won by Jim Blackburn.

John Hanlin was Sergeant At Arms and proceeded to take in happy and sad \$\$ after a light rebuke to the members about our failure to attend the District Annual Meeting.
