

Help Build World Peace and Understanding

The Rotary Club of Saskatoon Nutana, in co-operation with Meewasin Valley Authority, offers you the opportunity to sponsor a brick in honor of a past winner of the Nobel Peace Prize.

The bricks will be placed at the Peace Plaza in Saskatoon's Rotary Park and dedicated each year at a ceremony marking the International Day of Peace on September 21. The bricks will recognize the contribution of the Peace Laureates and inspire others to follow in their footsteps.

The list of Nobel Peace Prize winners is shown on the reverse. Those who have already been sponsored in the Peace Plaza are highlighted in red.

Students from Mother Teresa and Lester B. Pearson Schools attended the first Dedication Ceremony on September 21, 2010.
