### Comments on Nobel Peace Laureate Program at St. Anne School

#### Dustin Kasun, Grade 8 Teacher, St. Anne School:

Happy Thanksgiving everyone,

Thank you once again for selecting the grade 8s at St. Anne School to present this wonderful and prestigious event. My students, while reflecting on their preparations and presentations have spoken of a transformative quality it has brought many of them towards civic engagement and personal responsibility. They even ensured that I knew the winners of this year's Nobel Peace Prize the Friday it was announced.

**Andrea Lafond, CEO, Meewasin:**

Thanks so much Nutana Rotary and everyone! I really enjoyed my time. I was down at the peace plaza a few days ago to see the brick in place and very much look forward to next year.
