Diefenbaker Park

Saskatoon Nutana Rotary will be holding its 3rd annual Ribfest on July 31 to August 3, 2015 at Diefenbaker Park, a large area for family fun. The main attraction at Ribfest is ribs. Five Champion "RIBBERS" from across Canada prepare mouth water barbeque beef and pork ribs along with other meats and side dishes. Portions are large and prices are reasonable. In addition to the "RIBBERS" there are other food vendors that sell various items like, desserts, ice cream, hamburgers, hot dogs, etc. We also have various other vendors that sell/display items like books and handicraft. The attendance at Ribfest 2014 was 16,000 over four days.

Rotary Club of Saskatoon Nutana Supports Numerous Local and International Projects

Saskatoon Nutana Rotary is a non-profit organization of volunteer professional and business leaders. It has provided service to Saskatoon since 1961. Its mandate is to; provide humanitarian service, encourage high ethical standards in all vocations, help build understanding and peace by promoting good will among all people of the world. We identify needs in the community and address these needs with service projects. Rotary's motto is "Service Above Self". Funds raised by Nutana Rotary are used to support both local community & international projects.

COMMUNITY PROJECTS

Nutana Rotary has a significant history in working for the betterment of Saskatoon, including it's support of Rotary Park and the Rotary Peace Plaza.
