- Asit is dealing with some medical issues. Our thoughts are with him.

PROGRAM

President Mike introduced a webinar produced by the Saskatchewan Environmental Society (SES) in conjunction with the Saskatoon Public Library (SPL) titled "The Future of Climate Action in Saskatchewan".

The speaker is Jason McLean who is a law professor at University of New Brunswick and the University of Saskatchewan.

The presentation can be viewed through the SES webpage Sustainable Speaker Series, past webinars.

I would suggest members view this webinar because it is very worthwhile. The presentation reviews the consequences of Sask's Supreme Court challenge to the "carbon tax" and the subsequent loss of the challenge.

CHEER CAPTAIN

President Mike asked members to tell how and why they became Rotarians. Many told their stories and it was very interesting.

Happy/Sad \$ were given by Mike, Candace, Jack, Peggy, Jim B., Jim G., Joe D., Ravi, Kim, Norm and Karol/
