PROGRAM.

This week two of our newer members Emmanuel (Bob) Aniagbaoson and Zibah Saluadeen told us about themselves and how they became involved with Rotary.

Bob Aniagbaoso

Bob is from a village in eastern Nigeria and is from the Ibo tribe. After completing his primary school he wrote an entrance exam for science school. He finished first in this exam and was sponsored by the government to attend science school. He continued his education by writing a university entrance exam and was accepted in Medicine. He became a Medical Officer at a teaching hospital. Bob became a Rotarian while attending university and was involved with the polio eradication program.

Bob came to Saskatchewan to get his Masters in Public Health. In Saskatoon he met Brynn who invited him to join our club. Bob is currently looking for employment and his goal is to live a meaningful life.

Zibah Saluadeen

Zibah was born into a Muslim polygamous family in eastern Nigeria. His birthplace was Kaduna City but he lived and took up to Grade 7 in a village. Due to family circumstances he finished the rest of his schooling, including University at boarding school. He is a single father three children and converted to Christianity.

Zibah is a Chartered Accountant and has an MBA. He has extensive experience in accounting and information technology. He came to Canada in 2021 to start a new life.

Zibah first encountered Rotary in University as a Rotoractor, did some volunteer work with Rotary and joined Rotary in Nigeria in 2017.

Betty Ann thanked Bob and Zibah for their presentations.

WELL DONE BOB AND ZIBAH.

CHEER CAPTAIN

Bob MacGillivray divided the attendees into two groups for a trivia contest. One group did poorly, one group won and everyone got fined. Very entertaining.

Happy and sad dollars were donated by Norm, Jack, Zibah, Betty Ann, Carman, Joe, Jim B., Peggy and Karol..

The next meeting is at the Parktown on June 20th..
