PRESIDENTIAL APPRECIATION BARBEQUE

We had a spectacular day for the BBQ. The sun was out, there was a light breeze and Abby's backyard was spectacular. Everyone was commenting on how beautiful the different flowers were and how the professional landscaping displayed everything perfectly.

Jum Gillis brought his guitar and sang a few songs to start the program. One song in particular, "If you could read my mind" was a salute to Gordon Lightfoot. Gordon was a Canadian songwriter legend who recently passed and Jim did a fitting tribute.

After the appetizers, Jack Scott fired up his BBQ and we all quickly got our plates filled with salads and BBQ burgers. Then came the dessert course. We had a number of delicious desserts to choose from. Candace brought trifle, Asit brought an Orange Moroccan Cake, Lorne brought cheesecake with fresh cut strawberries, just to name a few of the choices. The food and fellowship made for a wonderful event.

The next part of the program included some songs by Zeba. He sang one song acapella, which was his original composition "God Bless Nigeria, Canada, Rotary." For his next tune, Zeka sang "We are the World" with Jim playing guitar. Linda Gillis joined Jim for the last two songs and everyone appreciated all the musical contributions today.

President Elect Peggy spoke to the Rotarians and guests attending to say what a fantastic job Candace did this year. Peggy presented Candace with an engraved wall plaque. Candace accepted all the accolades graciously and she thanked in turn, all the Nutana Board members for all their work and

support. Candace also thanked the many club members who have contributed their time and effort supporting various club projects this year. Nutana Rotary's success is a result of teamwork!

The next meeting is at the Parktown on July 11th.
