PROGRAM.

Brynn attended Rotary Club meetings when she was in Morocco in Tangiers. She introduced Club President Soufiane and Vice President Amina via Zoom. The club's oldest member is 28.

Soufiane explained in French which was translated by Amina to English the projects that were presently being done by the club.

One project is refurbishing schools in small remote communities in the north of Morocco. The project includes supply of furniture and school supplies,

Another project deals with the cultural aspects of Morocco. Morocco was colonized by Spain. Through the use of art, Moroccans are asked to show how the Spanish influenced their culture. This project also involves a Rotary club in the Philippines which was also colonized by the Spanish.

They would like to explore a joint project with Nutana Rotary.

Joe thanked Soufiane and Amina for their presentation and complimented them on their beautiful country.
