Program - Paulina Cholango Martinez - This is My Life

Jim Blackburn introduced our newest member Paulina Cholango Martinez, who spoke about her life. Paulina explained that the name Cholango comes from her father and the name Martinez is from her mother. Paulina was born in Ecuador, a country with four distinct regions: Highlands, Coast, Amazon and Galapagos Islands. She grew up in the Highlands in Cayambe, which is known as the City of Roses, due to the rose farming that occurs in the area. Paulina received her BSc in Ecuador in 2009 and worked as a R&D Assistant and then as a Quality Manager at a rose farm. In 2013 she moved to Saskatoon, first taking a course to improve her English and then receiving her Master's in plant science in 2015. Paulina's supervisor was our own Randy Kutcher and, since graduating, she has worked for Randy at the U of S as a research assistant. She likes Saskatoon because of the many cultures represented here. She has always been interested in volunteering and has photography as a hobby. Candace Odishaw thanked Paulina on behalf of the club. Welcome Paulina!

50/50 Draw - Kim Horan coordinated the 50/50 draw. Bob MacGillivray won the pot of \$18.

Sergeant-at-Arms - Sergeant-at-Arms Bill Christensen fined Jack Scott for having excess Rotary dollars, and honored September birthday celebrants Dorothy Hudson and Kent Creelman. Happy/sad dollars included Bob MacGillivray for memberships being paid; Walt Pawlovich for the U of S Huskies and the Riders; Jim Blackburn because Bob MacGillivray was supposed to thank the speaker; Norm Woodcock for his oldest grandson starting university; Betty Ann Arscott for buying a new Ford Explorer and for already getting some dings in the windshield; John Hanlin for maybe being able to golf again; Bryan Tastad for at least two people noticing that the Rotana wasn't attached to last week's email; and Asit Sarkar for he and Dick Strayer winning Oscars.
