by Patricia Flaten

President Bernie welcomed all and the meeting began with the singing of O Canada.

The following were introduced the following visitors and guests:

- Visiting Rotarian **Ed Peck**, from Nutana Club
- Visiting Rotarians from Nigeria, Ruhinda Asaph and Jolly Kagina and their daughter, **Deborah Kamuhanda** who now lives in Saskatoon and a sister, **Maureen Terr**, living in Washington, DC.

Thank you to all those who volunteered today.

Sergeant-at-Arms (Kevin Wilson):

Many happy and sad dollars were offered for those who have volunteered over the past year, good times fishing together, grand-daughters who have won cycling championships at Canadian and Pan Am games (Jim Beveridge), Arie Van Duyvendyk celebrating an 80th birthday and a 58th wedding anniversary and 42 years as a member and the Netherlands recent soccer win! Also happy dollars for visits, the International conference in Montreal, new grandchild coming and of course all good natured teasing throughout.

Club Assembly

Big thanks to Bernie and the board and committee participation during the past year. Also thanks from Bernie for helping to make this a great year. Best wishes to incoming President Wayne and board members.

Peter Shiel provided a report on the International Rotary conference in Montreal recently. Over 25,000 attended from 150 countries. Beautiful costumes from all over the world. Two venues with displays, presentations, spectacular entertainment and tours and visits with each other. Dolly Parton talked about her reading project and some of her own story as well as singing. Phenomenal organization of the event and service by they community. Very inspiring and a great way to be recharged! Next year will be in New Orleans so start planning!
