***Please be at your posts by 11:45 a.m. If you are not able to fulfill your assignment, please arrange for another member to replace you.***

#### **This Week's Meeting**

Posted by Bernard Sonntag on Apr 30, 2012

#### **Visitors & Guests**

We had two prospective members attend today's meeting; one was recommended by Elaine Zakreski and the other resulted from the impression made by the Badge, Shield and Star Dinner.

In addition, at last Monday's luncheon meeting we hosted 30 Adventures in Technology Students sponsored by Rotary Clubs from across Western Canada, together with Rotary drivers from three Clubs. Adventures in Technology is an annual project of all Saskatoon Rotary Clubs where students are hosted, for the week, and visit various area technology related operations.

#### **Guest Speaker**

We were privileged to have **Sgt Gary David of the Air Support Unit, Saskatoon City Police.** Sgt David is one of the pilots attached to the ASU. He is aided by a second officer who mans an externally mounted camera, and they are always in radio contact with all area law enforcement agencies. Sgt David's presentation included a detailed explanation of video footage compiled from a few incidents.

The Air Support Unit has now taken to the sky as a full time patrol support service. It is able to quickly respond to "in-progress" calls such as break and enters, armed robberies and street related crimes including speeding where they can judge the speed of a vehicle by timing it between known points. The ASU has been involved in several criminal pursuits and has proved invaluable in greatly reducing the risk to the public and front-line patrol members.

The camera is the main weapon of the Air Support Unit, controlled by a joystick and capable of very detailed images using daylight or night vision technology. The camera will also sense heat radiation, like that emitted by a vehicle even if concealed . . . *the eye in the sky sees all, there is nowhere for the bad guys to hide.*

#### **2011/2012 Club Executive**

Posted on Jul 01, 2011

President - Dave Sundby  
 Past President - Wayne McGillivray  
 President-Elect - Gary Rusu
