Attendance was very low. Among the small number were several "skooters" who put in short appearance, then left for other activities.

**Guest Speaker**

Our guest speaker was Andreas Moen, exchange student from Norway. His sponsoring club is #2305 in the Rotary World and has about 70 members. Norway has a population of approximately 5 million people. It is governed as a parliamentary monarchy. The country is very mountainous, thus a year-round vacation paradise including hunting, sport fishing and skiing. Temperatures range from -20C to +20C. Fish especially salmon, potatoes and cheese are important components of the Norwegian diet.

One of the important elements of his Canadian experience - girls. He noted that the Adventures in Technology program was a good experience. Global TV and the Canadian Light Source (Synchrotron) at the University of Saskatchewan were the highlights for him.

Wayne McGillivray contributed happily as a result of his attendance at the recent Persephone Theatre performance of "Hank Williams: The Show He Never Gave". Wayne is also looking forward to a trip to China in the near future.

Bernie Sonntag was happy about his daughter Cory's return to Saskatoon from a postdoc assignment in Australia along with husband and young son. Cory was a Rotary Exchange Student in New Zealand some years ago, supported by the Swift Current Rotary Club.

President Dave is looking forward to the fishing trip to Otter Lake. The crew is still looking for one more participant for the June event. If interested, call President Dave or Merv McKee.

### Announcements

Peter Whitenect informed members of a couple of announcements coming soon regarding RAP funding. One a \$55,000 contribution from the Province at Mount Royal Collegiate at 10:00 AM on May 11; and the other, a \$5,000 contribution from Affinity Credit Union at a school assembly of E.D. Feehan High School at 11:00 AM on May 11.

A Club Assembly, the AGM of Rotary Projects Inc and Rotary Club of Saskatoon Charitable Trust, will follow the meeting. Clare Heagy will chair this portion of the meeting.
