original wheel lacked the a keyway (attaches the wheel to a power shaft) which was noted by a group of engineers as being mechanically unsound. As a result the keyway was added and became part of the Rotary Wheel that we know today.

Weekly Words of Inspiration

PROGRAM/SPEAKER

Posted by David Allen on Jul 30, 2012

[Bill Thibodeau – Executive Director](#)

Bill Thibodeau (pictured right)

[The Saskatoon Downtown Youth Center Inc. / EGADZ](#)

Bill has for the past 21 years provided progressive senior leadership and program development with diverse and marginalized populations.

His work has been connected in a variety of justice, health and social services environments with both youth and adults, with a strong focus on poverty homelessness, mental health and addition issues. He has devoted his career to help reduce barriers and create initiatives to assist and support individuals to create positive change for their lives.

[Notes on EGADZ Center:](#)

EGADZ isn't an acronym. The center occupied a former night club (EGADZ). The sign was left after the club owners vacated the building and youth coming into the center started calling it the EGADZ Center.

Currently have a staff of over 100 individuals with an operating budget of approx. \$6 million .

Normal operations are Monday through Saturday with the Street Outreach operating 7 days a week.

Center is a place for youth, many from dysfunctional backgrounds to come and simply feel safe.

The center provides many services including referrals, crisis counseling, computer access, school support (resume, school work etc.) teen parenting, and substance abuse issues.

For more information visit: www.EGADZ.ca
