**There are still approximately 5 members who haven't paid their annual dues!!**

#### **Health of the Club**

Stan Hodgins reported that there were no health issues that he was aware of from other members however he did note that he took a tumble this past weekend and though he was a little battered and bruised he still was committed to attending this weeks meeting. Way to go Stan!

#### **Rotary Moment**

We often talk about the first four Rotarians, but here's a picture of the men who started it all. It's humbling to think about all the good that has been achieved in this world because a few like minded individuals with with a vision for a better world got together and said "Let's do this".....
